Enclosures :

No. Re. No. 20A/44 dated 26-10-1945. 194

Sir,

College of Engineering, Guindy - Award of the
 College diploma - Revision of the form -
 Requested.

Ref: G.O. No. Ms. 698 Edn., dated 3-5-1944.

Under the above G.O. candidates who appear for the final
 year B.E. Degree Examination of the University of Madras and
 fail but secure not less than 40% of the aggregate marks
 are eligible for the college diploma awarded by the College
 of Engineering, Guindy along with those who pass that
 Examination. The Principal of the College points out that
 those who pass the B.E. Degree Examination and obtain the
 University Degree will not be eager to claim the College
 Diploma. I consider that the award of the College diploma
 to those who have passed the Degree Examination is unnecessary
 and therefore recommend that the College diplomas need not be
 awarded to students who pass the University Examination.

B.t.o.

2. I submit herewith for the approval of the Government a draft of the revised form of the College diploma to be awarded to the failed students. The Principal does not want to mention the fact of 'failure' in the diploma nor the marks actually obtained by the student as they will lower the value of the diploma. A copy of the present form of the College diploma is also submitted for ready reference.

Extracts from the letter R.C.No.3821-C1/48, dated 10-3-1949 from the D.P.I.

Sub:- M.E.S. - Posts of Principals, Engineering Colleges - Direct recruitment - Amendment of the Special Rules.

Ref:- Government Memorandum No.52554-A.2/Edn., dated 27-9-1948.

I submit herewith a draft of the amendments necessary for the Special Rules for the M.E.S. so as to provide for the direct recruitment of Principals of Colleges of Engineering in the absence of qualified and suitable Professors for Promotion. The following explanatory remarks are offered on the provisions of the draft:-

(1) ACADEMIC QUALIFICATION:- The foreign qualifications specified for the posts of Professors (Class V) may apply also to the posts of Principals. The alternative qualifications is "the diploma of the College of Engineering, Guindy with Honours and B.E. Degree of the University of Madras; or first class degree of B.E. of the University of Madras obtained under the new regulations)". Though the College diploma with honours and the B.E. degree is the qualification now prescribed for Professors, I do not consider it necessary to insist on 'honours' because the 'honours' given here is only a distinction and not a degree. Candidates who pass the B.E. degree examination with not less than 60 per cent. in the aggregate marks are put in the first class, with 'honours' ~~if the aggregate marks are not less than 66 per cent.~~ for those obtaining not less than 66 per cent. As the margin of merit between first class candidates with and without 'honours' is narrow, I am of opinion that it is enough to prescribe a first class degree of B.E. obtained under the New Regulations for the posts of Principals. The award of the College diploma to students passing the degree examination under the New Regulations having been discontinued, the provision in the draft 'the diploma of the college of Engineering, Guindy with Honours and the B.E. degree' is intended to cover cases of candidates who took the degree under the old regulations, and in fact this combination can be fulfilled only by these candidates. It is not therefore necessary to mention in the rule the particular year before which the degree and the diploma should have been obtained.

College. Engineering, Guindy. Award of the college diploma.
Revision of form.

From the D.P. No. Rd 30A/44 d 26.10.45

Nemo No. 49009C

27.12.45 VI

Under para 10 (b) of the letter from the Principal, College
of Engineering, Guindy mentioned in Ep. No 698 d 3.5.44
it is open to the students who pass the Final B.E. Examination
of the University, to receive the College Diploma. The D.P. is
requested to state why it is now proposed to go back upon
this proposal.

Education Department.

From

Dr. S. R. U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To
The Secretary to Government,
Education & Public Health Department,
Madras.

Re. No. 20 A/44 dated 7-2-1946.

Sir,

Sub: College of Engineering, Guindy - Award of the
College Diploma - Revision of form.

Ref: Government Memorandum No. 49009 C-1 Edn.,
dated 27-12-1945.

I have the honour to submit herewith a copy of letter
Roc. No. 10 A/44 dated 18-1-1946 from the Principal, College
of Engineering, Guindy and to state that in paras 1 and 2
of his letter, the Principal has explained the reasons why
it is considered unnecessary to award the college diploma
to those who pass the final B.E. Degree Examination of the
University.

2. With reference to para 2 of the Government Memo
referred to above, the Principal suggests that for pur-
poses of rules of qualifications laid down in service
rules, the Diploma Holders may be classed along with
Licentiates in Civil Engineering or L.M.E. or L.E.E.,
until they qualify for the degree. Once they pass the
B.E. Degree Examination, they will be classed along with
other degree holders. The suggestion is supported.

M. S. S. S.
for Director of Public Instruction.

k.h.8-2.

p.t.o.

2. It is also requested to say what will be the repercussions on
the rules of qualifications laid down in Service Rules,
if they include the "College Diploma" also.

mm
21.11.45

24/12/45

20/12/45
28-12-45

Copy of letter of the Principal, Engineering College,
Guindy referred to overleaf.

In Principal's letter R.C.No.10 D/44 of 13-1-44,
in para 10(v) it is proposed that a College Diploma may
be issued to students failing to pass in B.E. final
examination of University but getting over 40% of the
total marks. In 10(vi) it is also proposed that a
College Diploma is to be granted to all who pass the
B.E. degree examination of the University. The
granting of a diploma to those who take a degree is
merely a repetition of mention of their qualifications and
does not serve any special purpose. But a diploma
as proposed by para 10(v) will be useful to students
who fail, to find jobs until they take their degree.

Again the diploma proposed in 10(vi) is of a
different type to that proposed in 10(v). Different
types of diplomas will cause confusion and therefore
it is best to omit the diploma which is superfluous
viz. the one proposed in para 10(vi).

If the above proposal is approved, the diploma
is granted to candidates who are not qualified to take
the degree i.e. the diploma holders are not as quali-
fied as the degree holders. For purposes of rules of
qualifications laid down in Service Rules, I suggest,
that Diploma Holders, may be classed along with
Licentiates in Civil Engineering or L.M.E. or L.E.E.
until they qualify for the degree. Once they pass the
B.E. degree examination the diploma can be withdrawn
and they will be classed along with other degree holders.

Education and Public Health Department.

Sir,

Sub:- Madras Educational Service - Qualifications for the
posts of Professors - College of Engineering, Guindy-
Revision of consequent on the discontinuance of the
award of College diplomas to those who pass B.E.
degree examination. - Draft amendments; Submitted.

Ref:- Govt.E. & P.H. Dept. Memo.No.49009 A/45-3 Edn.
dated 2-7-46.

With reference to paragraph 2 of the Government Memo.
cited above I have the honour to state that so far as Madras
Educational Subordinate Service is concerned no amendment of the
Special Rules is called for consequent on the discontinuance of the
award of Diploma of the College of Engineering to those who pass
B.E. degree examination.

2. As regards Madras Educational Service, "the diploma
of the College of Engineering, Guindy, with honours and the B.E.
degree of the University of Madras" is prescribed as one of the
alternative qualifications for the posts of Professors in the
College of Engineering, Guindy. In view of the discontinuance of the
award of the College Diploma to students who pass the B.E.Degree
Examination and obtain the University degree, the following
amendments to the Special Rules relating to the Madras Educational
Service are suggested:-

Draft Amendment.

In the Table of qualifications forming the Annexure to
special Rules relating to the Madras Educational Service, in the
entries appearing as Qualification (i) under Column (4) relating
to posts in Category 2 of Class V, the following amendments may be
made:-

1. For the expression,

"the diploma in Civil Engineering of the College of
Engineering, Guindy, with honours and the B.E. degree of
the University of Madras"

occurring against (a) Professor of Civil Engineering

Substitute:

"the B.E. degree in Civil Engineering of the
University of Madras".

2. For the Expression,

" the diploma in Mechanical Engineering
of Engineering, Guindy, with honours
degree of the University of Madras
occurring against (b) Professor of Mechanical Engineering

28

- 2 -

of any of the Universities of Aberdeen, Birmingham, Bristol, Cambridge, Dublin, Durham, Edinburgh, Glasgow, Leeds, Liverpool, London, Manchester, Oxford, Sheffield and St. Andrews; or

the diploma in Civil ~~Engineering~~, Mechanical or Electrical Engineering of the College of Engineering, Guindy, with honours and the B.E. degree of the University of Madras; or

first class degree of B.E. in Civil, Mechanical or Electrical Engineering of the University of Madras under the New Regulations.

11/4/47

1.3. 31/3/47

To
The D.P.I., Madras.

Sir,

Sub:- Madras Edl. Service - Amendment to the Special Rules
consequent on the discontinuance of the award of
College of Engineering Diplomas.

Ref:- Your Proc.Rc.No.10140 K/46-C1 dated 19th March 1947.

I must apologise for the long delay in replying to your reference concerning the revision of one of the qualifications for the Professors in ~~English~~ Engineering Colleges. Two Committees appointed by the University of Madras have dealt with the question of prescribing qualifications for Professors of Engineering Colleges affiliated to the University of Madras. I was a member of both the Committees as Chairman of the Board of studies in Engineering and was hoping to communicate to you the recommendations of the Committees. However, I now feel rather diffident to do so, as the recommendations of the Committees are not very conclusive and are under the consideration of the vice-chancellor, who I presume, will bring up this question before the Syndicate. I suggest that the University authorities may be addressed to suggest the qualifications, which in their opinion, should be prescribed for Professors.

It is very desirable that qualifications for Professorships and other posts in our Engineering Colleges should be prescribed in consultation with the University authorities, as our colleges are affiliated to the Universities and they should have a voice in prescribing the qualifications.

Your reference deals with only a minor aspect of the qualifications for Professors, viz., the comparative merits of the B.E. Degrees of the Madras University at various times and the College of Engineering Diploma. I suggest that instead of considering individual items of qualifications for Professors, it would be desirable to consider their qualifications as whole in consultation with the University of Madras as well as the Andhra University.

I may however, add that the Committees appointed by the Madras University considered the qualifications prescribed by the Government for Professors in Engineering Colleges. One of the points on which the recommendation of the Committees was conclusive is that an Honours Degree in Engineering or a B.A. Degree of the Madras University and the Diploma of the College of Engineering, Guindy with Honours should not be prescribed as an academic qualification for Professors as this would keep out a large body of persons well suited for Professorships, and it is not the class in which a man obtains his first Engineering Degree, but the achievement of a man after taking the Degree, that is most material in the case of persons for appointment as Professors.

for Director of Public Instruction.

U.O. REPLY NO. 10140 K/46 -G-7 dated 8-11-1948.

Sub: Madras Educational Service - Professors in Engineering Colleges - Qualifications - Amendment to Rules consequent on the award of the Diploma of the College of Engineering, Guindy.

Ref: Government E.P.H.U.O. 3257 Al Edn., dated 15-1-48. and Rr.U.O.No.3657/47-A6 Edn., dated 16-9-1948.

84131

In regard to the revision of the qualifications of Professors in the Engineering Colleges, as a whole, the Andhra and Madras Universities have been consulted and necessary proposals for revising the qualifications for Principals and Professors will be submitted to Government shortly.

As regards the point raised in paragraph 2 of the U.O. dated 15-1-1948 cited above, I may state that if the suggestion of the Secretariat is to be accepted, the candidates who obtained B.E. Degree before 1946 will be required to possess the Diploma of the College of Engineering with Honours in addition to the B.E. degree, while candidates who obtained their B.E. Degree from 1946 onwards will be considered qualified for appointment as Professors even without the Diploma (with Honours). This distinction appears to be invidious. It does not appear to be fair to require the possession of Diploma with Honours only in the case of candidates who obtained their B.E. degree prior to 1946, while the B.E. degree obtained in pre-1946 years and in 1946 and in post-1946 years is of the same standard; or if anything, the pre-1946 degrees are somewhat superior as they included also practical training for one year.

It is therefore submitted that the possession of the Diploma of the College of Engineering (with Honours) may be dropped from the qualifications altogether.

I may add that the candidates passing the B.E. degree Examination are classified, according to their marks, as having passed, "with Honours". This classification is made with effect from 1934.

To the Secretary to Government,

Sir,
Sub: Madras Educational Service - Professors of Engineering -
Qualifications - Amendment of rules.
REF: Government Telephonic Message by post dated 16-12-1948.

I am of opinion that the academic qualification for Professors of Engineering may be the same as that suggested for Principals (direct recruits) of Engineering Colleges in my letter R.C.3821-C.1/48 dated 10-3-1949, namely 'the diploma of the College of Engineering, Guindy with Honours and the B.E. degree of the University of Madras or first class degree of B.E. of the University of Madras under the New Regulations'. The reasons for prescribing these qualifications and for not insisting on 'Honours' with the B.E. degree obtained under the New Regulations have been stated in para 1(i) of my letter quoted above.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

College of Eng. Guindy - Award of college
 diploma - Revision of form.

Ref letter from the D.P.S. Re No: 20 A/44 &
 '26-10-45

The Govt approve the proposal of the D.P.S.
 that the ~~college diploma need not be~~ ^{college diploma need not be} awarded to
 students who pass the B.E. degree examination.

The revised form of diploma forwarded by the D.P.S.
 is approved.

with the Principal's letter
 at P. H. Dept

In G.O.698-Edn., dated 3-5-44, the Govt. have approved
the proposal of the Principal, College of Engg., Guindy -

(1) that the college diploma examinations may be
made optional for the existing students;

(2) that the examns. may be abolished with effect
from 1949, but that the diplomas may ^{continue to} be awarded till 1948, i.e.,
to such of those 'existing' students as desire them; and

(3) that the award of the diplomas may be continued

(1) to those students ^{applying} who applied for the B.E.
degree examn. in 1945 and ~~who apply~~ thereafter, ~~and~~ who fail to
pass it, but secure 40% of the marks in the aggregate; and

(2) to all students of the college who pass
the final B.E. degree examn. of the University. 23

The existing form of the diploma and the proposed forms
to be awarded for candidates falling under 3(1) and 3(2) above
are at "B", C.F.3, "A", C.F.3, and p.12 C.F. resply. The D.P.I.
now recommends that the diploma need not be awarded to those
students who have passed the degree examination. In view of the
reasons given ^{and} by the Dir. at "H"/"J" at C.F.8 and at "K", C.F.1,
it seems that his recommendation may be accepted. If it is,
there will be only two kinds of diplomas - viz., those at C.F.3.

2. In the rules relating to the follg. Provl. and
Subordinate Services, the diploma has been prescribed as an
addl. or alternative qualfn. for certain posts:-

Posts of Civil Work & Elec. Engg.
alternative qualfn.

— Madras Educational Service pp. 32-33, Bk. 113

— Madras Edl. Subordinate Service

— Madras Electrical Service pp. 38-39, Bk. 113

— Madras Engg. Service pp. 43-44, Bk. 113

— Madras Elec. Subordinate Service pp. 53-54, Bk. 114

— Madras Engg. Subordinate Service pp. 55-56, Bk. 114

The diploma was prescribed as a qualification at a time when it
was ^{not} awarded ~~only~~ to students who ~~have~~ ^{failed in} passed the B.E. Degree examn.
Service

If the Dir.'s recommendation is accepted, the rules will have to
be suitably amended, leaving out the 'diploma' entirely ^{or} alter-

ing it into 'diploma obtained before 1944' and prescribing
instead the B.E. degree. [Even if the proposal is not accepted,
and the position allowed to remain as approved at "g"/5, the
rules will require amendment; for, the candidates who have ^{not} passed
the B.E. Degree examn. and such of the passed candidates as have

to know this to know the examns.
if you want. Please see para 6 at 9/3.
It is in the proposal to bank the
the exam. the and in the examns,
anyway on the rules of production
has been in the exam rules - 4/3
in the 'diploma' also

The D.P.I. may be consulted. A draft memo is submitted
for approval.

Notes from page 3 ante may be read
Under the orders in G.O. No. 698 Edu

dated 3-5-46, diplomas are awarded to those students of the College of Engg. who pass the final degree examination of the university and also to those who appear for the B.E. degree examination from 1945 onwards and fail to pass it but secure 40% of marks in the aggregate. The D.P.I. considers that no useful purpose will be served by the award of diplomas to students who pass the final degree examination. The Govt propose to accept the Director's recommendation and ask him to submit necessary amendments to the rules relating to M.E.S and M.E.S.S. PWD and, L.A & Pub (Sec) have no objection to the proposal. The rules relating to the services under the control of L.A & PWD will require consequential amendments. They have agreed to carry out the amendments in consultation with M.P.S.C. The proposal at 'A' above is for orders. The file may be circulated to H.M (Edu)

A draft T.M. is subd.
11/2/47
(Issued as T.M. d/- 20.2.47)

From the D.P.I., No.10140-K/46-C1, d/- 19-11-47.

The DPI now considers that it is desirable to revise the qualfn. of Profs. in the Engg. Colleges, as a whole, in consultation with the Andhra and the Madras Universities. This view may, for the reasons indicated in Principal Dr.Rudra's letter dated 19-10-47, be accepted. The Dir. may be requested to make the consultation with the Universities and report further.

copy at C.F.23

*cf. P at p.3 ante

2. But, the D.P.I.'s other statement, that the amendment to the academic qualfn. for the Profs.' posts, suggested in this dept.'s T.M. of 20-2-47*, consequent on the abolition of the Engg. College diploma, is a minor aspect, is not correct. It has to be inferred from that statement that he considers that, pending the radical revision contemplated, the qualfn. need not be altered to any extent at all. As the rule stands, it is the diploma with Hons., with the B.E. degree, which is the necy. qualfn. From the time of discontinuance of the award of the diploma, only mere B.E.'s (i.e., they will not be holders of the diploma, in addn.) would be available; and to enable the appt. of such candidates also, until such time as the wholesale revision is ordered, there should be made some provision in the rules. Hence, the Dir. may be requested to forward at an early date his reply to the point raised in the T.M., in advance of the report refd. to in para 1 above.

3. May be sent to the D.P.I. u.o.

T.M. d/- 16-12-48, issued to the Dir.
From the Dir., letter dated 19-3-49.

The D.P.I.'s suggestions at pp.10-11 C.F. meet the point raised at "M" above. The "B.E. degree of Madras obtained under the new regulations" may be added as an alternative qualfn. to the existing qualfn., viz., the Guindy College diploma with honours, with the B.E. degree of Madras". A draft order is subd. L.A., P.W.D. and Legal may see.
