Subject:- NATIONAL CADET CORPS - CLOTHING AND STORES.

22/6/49
Sir,

I am directed to state that you had asked us to consign all the stores and clothing required for the N.C.C. units to be raised in your Province in 1948 to... *Commissioner of Police, Madras...* This officer was also made responsible by you for the distribution of these stores and clothing to the N.C.C. units in your Province. In a number of cases, this task of distribution was undertaken by a Commanding Officer, while in other cases, by the Special Officer, N.C.C. who has been appointed by your Province.

2. It has now been agreed that, as the equipment is the property of the Central Government, the Officers Commanding and Liaison Officers may submit indents direct to Ordnance Depots, who will comply with these indents and despatch stores direct to the Officers Commanding or Liaison Officers concerned. We know the quantities which are held by each unit but we are uncertain of the quantities held in store by the Officer designated by you for receiving the stores and clothing. Commanding Officers and Liaison Officers are being issued orders separately regarding the submission of indents to Ordnance Depots to make up their entitlements, including the requirements for the new sub-units which are to be raised in 1949-50.

3. In order to ensure that, Commanding Officers only indent for their authorised entitlements, I am to request that all stores and clothing at present held by the consignee, mentioned in para.1 above, should be handed over to the Officer Commanding... *1st Madras Battalion, N.C.C.* both for the receipt and distribution of articles. Orders are being issued to Ordnance Depots not to despatch any more items, so that this Commanding Officer can immediately make a full inventory of all stores and clothing which are available for distribution. Other Commanding Officers and Liaison Officers are being ordered to place demands for clothing and stores to this Commanding Officer, so that issues of whatever is available can be made, after which correct demands can be placed on Ordnance Depots.

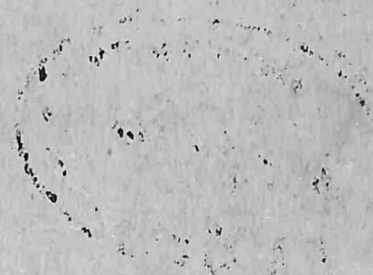

4. The responsibility for getting stores and clothing for units which are to be raised in 1949-50 will no longer devolve on your Province, as Commanding Officers and Liaison Officers will get these direct from Ordnance Depots. It will, however, be necessary to provide Commanding Officers and Liaison Officers with Police escorts to take arms and ammunition from the Sub-Area Headquarters to the location of the units. The demands for such escorts will be made to you after these items are received at the Sub-Area Headquarters. Orders may be issued authorising Commanding and Liaison Officers to submit requests for escorts direct to the Supdt of Police.

Yours faithfully,

G.G. Bewoor
Colonel,

Director, National Cadet Corps.

Rc. No. 879-SA-49, dated 5th Oct. 1949. 8

Sir,

Sub: National Cadet Corps Senior and Junior Divisions -
Provision of Police Escorts to take Arms and
Ammunition - Expenditure.
Ref: i) Memorandum No. 51265-B1/48-34 Edn. dated 16-10-1948
ii) My letter Rc. No. 670/SA/49, dated 9-8-1949
iii) Memorandum No. 60807-B1/49-2, Edn. dated 24-8-1949.

In the Government memorandum last cited, it has been
ordered that the expenditure on the provision of Police Escorts,
for the transport of the arms and ammunition intended for the
National Cadet Corps may be debited to the relevant sub heads
under "29. Police". In this connection I wish to point out that
the charges for escorts provided for other departments, are
usually recovered from the department concerned, e.g., escorts
provided for the Postal Department. The National Cadet Corps
organisation is only in its infant stage now, and is bound to
expand in due course. Consequently, even though the number of
requisitions for escorts may be few in the initial stage, it
is bound to increase as the organisation grows. As a conse-
quence, the expenditure under this item will be considerable
enough to swell the Police budget.

2. I, therefore, consider that Education and Public Health
Department, should legitimately bear this kind of expenditure,
and that it should be debited straightaway to the relevant sub
heads under "37 - Education - Miscellaneous - A. General (1)
excluding Postwar Reconstruction - National Cadet Corps" as
and when it is incurred as ordered in the memorandum first
cited. In the alternative, I may be permitted to incur the
expenditure under "29. Police" initially and recover it from the
Educational Department by book adjustment periodically. I
request early instructions in the matter.

MEMO NO. 76717-BI/49-2 Edn 9 27/10/49.

The I.G. of Police is informed that the expenditure on the provision of police escorts for the transport of the arms and ammunition intended for the units of the NCC should be debited to the relevant sub-heads under "29. NOTE:- Please see the letter from the I.G. of Police on page 1 c.f. Attention is invited to the notes of the Finance Department on pages 8-9 of G.O.Ms.No.2159 Edn. dated the 6th July 1949. The draft memo above is for

HOME DEPARTMENT.

In G.O.Ms.No.2159, Edn., dated 6-7-49 the officers Commanding the Units of the Senior Division and the Liaison Officer for the Junior Division of the National Cadet Corps have been authorised to apply to the Commr. of Police and to the D.S.Ps. concerned for the Police escorts whenever arms and ammunition have to be removed from the Sub area headquarters to the headquarters of the Unit either by rail or by road. The Fin. stated that under Art. 32 of the Madras Account Code Vol. I, the T.A. of a Govt. servant ^{on} whatever duty he might be employed should be debited to the same head as his pay, that the t.a. of the Police escorts for the transport of the arms intended for the N.C.C. should therefore be debited to the relevant heads under "29. The I.G. of Police has pointed out that the charges for escorts provided for other depts. are usually recovered from the dept. concerned, e.g. escorts provided for Postal Dept., (Govt. of India Dept.) that the National Cadet Corps organisation is only in its infant stage now, that it is bound to increase as the organisation grows and that the expenditure under this item will be considerable enough to swell the Police budget. The I.G. considers that the expenditure should be met either from "37. Education .. etc" straightaway, or that he may be permitted to incur the expenditure under "29. Police" initially and recover it from the Education Dept. by book adjustment periodically. The E. & P.H. Dept. do not ^{propose to} accept any of the suggestions of the I.G. It may be mentioned that when Police escorts are provided for prisoners their ^{of the Police escorts} cost is debited to "29. Police". This Dept. may agree with E. & P.H. and the file may be passed on to Finance.

17.10.49

The Postal Dept. is under the Central Govt and hence the cost of escorts supplied to that Dept. is recovered from India. I don't think the same applies to funds provided for other depts under the Govt. Govt.

Please see the letter from the Director, National Cadet Corps on page 1 of in regard to the placing of indents on the Ordnance Depots for the supply of stores + clothing to the NCC units. Two Infantry Battalions of four Companies ^{each} and one Engineering unit were formed in this Province in 1948. The stores + clothing were taken over from the railway station as + when received and were handed over to the Officer Commanding the 1st Madras Battalion for distribution to the various NCC units after verification. In the circumstances, it does not seem necessary to ascertain from the Commissioner of Police whether he is holding any stores at present ^{as suggested in para 3.} A copy of the letter may be ~~Commis. of Police, the Officer Commanding the units of the Senior Division to the DPO for information necessary action.~~

The stores + clothing ~~will be~~ recd from the Ordnance Depots will be kept in the Sub Area Headquarters + it will be necessary to provide police escorts for the despatch of the arms, etc from the Sub Area Hqs to the ^{Headquarters} various units.
