From

V. Venugopal,
Chintalapudi, Madras.

To The Hon'ble Education Minister,
Fort St. George, Madras.

Sir,
I beg to bring the following few lines for your kind consideration and immediate orders. In order to appear for Engine Driver Examination which is going to be held in April 1949, I applied to the Commissioner for Government Examinations after paying the examination fees, along with Chelan and Educational Qualification certificate passed 8th Standard which is equal to passed III Form (qualification required for that examination) with copies of other testimonials. I got a reply from the Commissioner for Government Examinations that I am not having the requisite Educational Qualification. I do not know whether the passed 8th Standard Certificate which I am having now is equal to passed III form certificate, in case if it is not equal, I request that I may be exempted to appear for the Engine Driver Examination which is going to be held on April 1949.

There is no prospects for me, without passing this examination I am not eligible for any permanent job as a driver. I am a poor man have to support a large family. In this connection I beg to inform that men without any Educational qualifications have been exempted to appear for the examination for instance (1) Mr. M. Ramakrishnan has been exempted in G.O.No.62 (L.A.D.) dated 16-4-48. But I am a passed 8th Standard in G.O.No.Ms.743 L.A. dated 16-4-48. Hence I request that I may be exempted to appear for the examination.

As for my experience, I beg to state that I was a cleaner in Corporation pumping Station for 8 years, then became a driver in Road Roller Steam Engine in C.R.E. Avadi and I have passed the Steam Engine Examination and got a I Class Certificate of proficiency in steam Engine in M.E.O.M. Training Centre, Bangalore (Copy enclosed already enclosed in my application to the Secretary 2nd & P. H. Department)

I shall be grateful if you can exempt me to appear for the Driver Examination which is going to be held in April 1949.

For this act of kindness and Charity, I shall ever be grateful.

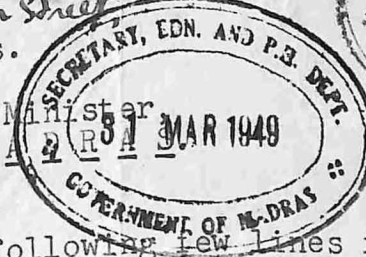

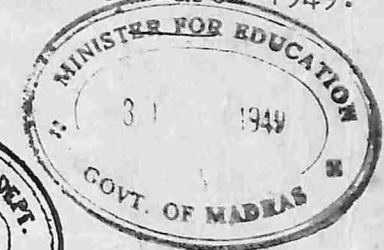

Thanking you in anticipation,

I beg to remain,
Sir,
Your most obedient servant,

V. Venugopal.

Sir,

Ref:- Government Memorandum No.25461/G2/49-1 Education, dated 22-4-1949 on the petition dated 28-3-1949 of Sri V. Venugopal.

In submitting the petition received with the Government Memorandum quoted above, I have the honour to state that the VIII Standard Qualification is not equivalent to a pass in the III Form as laid down in rule 13 (a) of the rules governing the conditions of admission to the examination. However, Government may relax the rule in this case, as has been done in the case of certain other candidates*, in view of his having passed the Steam Engine Examination in the First Class and his experience as a Driver in the Road Roller Steam Engine in C.R.E., Avadi.

dated 28-3-49.

Sub:- govt. Examinations - Certificate of
competency for Engine Drivers - Exemption
from possession of the prescribed quali-
fications.

Under the notification regulating the govt.
Technical Examinations, a candidate for a
certificate of competency for Engine Drivers
should have obtained a certificate of
pass from Form III to IV in any recognized
school before he could be admitted to the
Examination. The petitioner in this case,
one V. Venugopal, has requested exemption
from this qualification to enable him to
appear for the examination. The request
is made because he is only the holder of
a 8th Standard certificate (E.S.X.E). He
has stated that he has nearly 10 years
experience in Engine driving and that
he has passed the Steam Engine Examination
with a First class certificate of efficiency
in it.

'A' at p. 1 of.

The petitioner ^{previously} asked for exemption in July
last year. The C. G. E. who was ^{then} consulted
in the matter ~~then~~ stated that he was not
eligible for admission as the Eighth Standard
qualification possessed by him was not
equivalent to a pass in III Form. Govern-
ment, in view of the C. G. E.'s remarks,
declined to comply with the petitioner's
request. The candidate has again applied
for exemption to ^{appear} ~~apply~~ for the Examination

in April last. The C.G.E. ^{who} was asked whether exemption might not be granted to the petitioner taking his 8th Standard certificate as being equivalent to a pass of the III Form ~~the Commission~~ has ~~now replied~~ suggested that the rule may be relaxed in this case as had been done in certain other cases, in view of his experience as a driver and of his having passed the Steam Engine Examination in First class. It may be stated that the govt ^{have} granted such exemptions in several cases.

Please see for instance G.O. ~~1039~~ ~~dated 5-1-49~~, 971, L.A. dated 11-5-49 and 650, L.A., dated 28-3-49 at ~~para~~ (C),

(C) and (D) respectively.

It is for orders whether, in the circumstances, the C.G.E.'s recommendation may be accepted. Subject to orders a draft order is for approval. H.M.(G.L.) may see.
