Office of the
Director of Public Instruction,
Madras, Dated 22---6---1949.

From The Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir, Subject: Colleges - Government Muslim College, Madras -
Madrassa-i-Azam - Closure of classes IV and V

48620
Till 1946-47 there was provision for classes IV (1 section) and V (in 2 sections) in the High School Department attached to the Government Muslim College, Madras. Forms I to III in the school were then working in 3 sections each. In view of the availability of facilities for lower classes in the neighbourhood and due to the increasing demand on the forms Class IV was held in abeyance and an additional section (4th section) was opened, instead, in Form I in 1947-48. Consequently a 4th section had to be opened in Form II in 1948-49 by keeping ~~the~~ abeyance one section of class V. In 1949-50 there is a need for opening an additional section in Form III. The Principal has proposed the closure of V class to release the necessary provision for an additional section in Form III. As there is a real need for a 4th section in form III, I am permitted the Principal to hold in abeyance class V (now in 1 section) and open, instead, an additional section of Form III with effect from the school year 1949-50.

: 2 :

There is no need to have lower classes in the school but increased facilities are necessary in forms I to III. I request Government may kindly sanction the abolition of classes 4 and 5 (in 1 and 2 sections respectively) in the High School Department of the College and permit the retention of the staff of 3 secondary grade teachers for the additional sections in each of forms I to III in the same school with effect from the school year 1949-50.

Yours faithfully,

for Director of Public Instruction.
