From:-
Mrs. N. J. Joseph,
Wife of the Late Mr. N. J. Joseph, I.S.E.
Additional Chief Engineer to the Govt. of Madras.

To:-
The Hon'ble Sri M. Bhaktavatsalam,
Minister for Public Works,
Govt. of Madras.

My husband served the Government of Madras in the I. S. E.
For 29 years. He was appointed Additional Chief Engineer to the
Government in January, 1949, but before he could take up this
appointment he died on 29th. April, 1949. He had earned his full
pension but he was not able to enjoy this benefit because he died
in harness. Throughout his official career he had discharged his
duties conscientiously, a fact which could be verified from his
personal file.

He has not left behind any properties worth the name except
his provident fund and a house at Coimbatore. I have three boys
aged 20, 18 and 13. The eldest, N. J. Joseph, is studying for B. Sc.
The second, N. J. Antony, has just completed his Intermediate
Examination. My husband, though born in Cochin State, had got
himself naturalised as an Indian Union Subject and consequently
all my children are eligible for all the priveleges of subjects of
the Indian Union.

Now that my husband is dead, the responsibility of settling
my children in life has devolved on me. In recognition of the services
rendered by my husband to the Government, I pray that his children
may be secured admission to the professional colleges of Madras as
indicated below.

N. J. Joseph to the Engineering College, Guindy, Madras.

N. J. Antony to the Madras Medical College, Madras.

It is not easy for me to approach the heads of the institutions
and seek admission in the regular way. It is therefore my request that

2

the Government may be pleased to issue a G. O. as a special case on compassionate grounds directing the heads of these two institutions to admit my children as indicated above, for which act of kindness I shall ever be grateful.

Mary Joseph

The minute of H.H. (P.W.) on page 1 ante may be perused. This may be sent to the D.P.G. & the S.G.U.O. for immediate remarks.
