Ref: FILED CHARTER
Your No. 25169-B1/49-4 Edn. of 25.4.49

It is impossible to give the estimate of cost of fitting of the clothing because we don't know what sizes and what heights the students of the various colleges might be. I am herewith stating the relevant charges as per Madras Station Order No. 141 of 1947.

- | | | | | | |
|-----|-----|-------------------------------------|--------------------|------------------|---------|
| I. | (a) | Blouse drill or bush shirt or shirt | - fitting of. | Per article... | as.5 |
| | (b) | " " " " " " | - Major repairs." | " " | ...as.4 |
| | (c) | " " " " " " | - Minor " " | " " | ...as.2 |
| II. | (a) | Trousers drill | - fitting charges. | Per article..... | as.4. |
| | (b) | " " | - Major repairs. | " " | as.4. |
| | (c) | " " | - Minor repairs. | " " | as.2. |

It has to be noted in this connection that these articles of clothing from Ordnance sources come in various sizes - many exactly fit a soldier, and also many need fitting, major or minor alterations.

Yours faithfully,

A. Joshi

No. 488/61
H.Q. 2ND MADRAS BATTALION N.C.C.
CLIVE LINES, TIRUCHIRAPALLI.
Dated 13 MAY '49.

Secretary to the Govt of Madras,
Education & Public Health Dept.,
Fort St. George, Madras.

Sir,

Sub: FITTING CHARGES CLOTHING.

Ref: Your No. 25169-B1/49-4 Edn of 25-4-49.

The rates for fitting clothing prescribed by
Madras Area are understood to be as follows:-

- I. (a) Blouse drill or bush shirt or shirt..fitting of per article.. as.5
(b) " " " " " " " ..Major repairs " .. as.4
(c) " " " " " " " ..Minor " " .. as.2
- II. (a) Trousers drill - fitting charges - Per article .. as.4
(b) " " - Major repairs - " " .. as.4
(c) " " - Minor repairs - " " .. as.2

The rates that were being given in the Ex-U.O.T.C.
establishment were the actual cost of repairs upto a limit of
8 annas per man per annum under I.T.F.Reg.s para 201 (iii).
These rates were ~~xxxx~~ pre-war rates and consequently the excess had
to be met from the Regimental funds of the Units concerned.
From a scrutiny of the previous records of this Unit, I find
that the flat rate of annas 8/- was far too short of the actual
requirement for the work.

In this connection, I like to point out that
the rates quoted by Madras Area should not be made applicable to
the N.C.C.Units, since the units under Defence services have a
Regimental tailor either attached to the unit or on Station level -
on contract basis. In the case of N.C.C.Units, they do not have
this advantage and have to resort to the local tailors whose
charges are as is well known to the Government, considerably higher.

P.T.O.

6
- 2 -
I do not think that more than 60% of the clothing will have to be got fitted. Owing to the high tailoring charges prevailing under present conditions, I recommend that a flat rate of annas 8/- per cadet per year for the full strength of the Battalion should meet the requirement. This ~~will~~ will work out Rs.312/8/- per year.

Yours faithfully,

K. V. Sankunny Nayar

note file
Extract from the note file relating to the payment of travelling allowance for cadets for attending parades, light refreshments and uniform fitting charges.

X X X
2. The colleges will be opened during the course of this month and the training of the cadets will have to be started as early as possible. The Officer Commanding the 1st Madras Infantry Battalion therefore requests the orders of Government on the payment of charges for the fitting of the uniforms of cadets. The following table shows the units raised in 1948 and those to be raised in 1949 and the number of cadets allotted to each of them:-

<u>UNITS RAISED IN 1948.</u>	<u>No. of Cadets.</u>
1. 1st Madras Inf. Battalion.	625
2. 2nd Madras Inf. Battalion.	625
3. 3rd Madras Engr. Centre.	60
<u>UNITS TO BE RAISED IN 1949.</u>	
4. 2nd Madras E.M.E. Section.	60
5. 6th Madras Medical Company.	60
6. 5th Madras Signal Section.	60
7. Annamalai Independent Inf. Coy.	154
	1644

According to the proposed rate of allowance of annas eight per cadet per annum, the cost works out to Rs.822/-. In view of the urgency of the matter, orders on this point may now be issued independently of the other proposals to grant travelling and light refreshment allowances to officers and cadets. The expenditure involved in the proposal is small. It may be met from the savings in the provision made in the B.E. for 1949-50 for expenditure for Senior Division units consequent on the decision of the Government of India to bear the cost of the equipment except clothing supplied to the NCC units. The grant of the allowance for cadets of Junior Division may be sanctioned on receipt of the reply from the D.P.I. to the memo on pages 37-38 c.f.

3. The file may be sent to Finance U.O. for remarks.

FINANCE (EXP.B)

(Please see the notes of E & P.H. on pages 6-7 above).

This Department may agree to the proposal of E.P.H. to issue orders now on the payment of charges for the fitting of the uniforms of cadets in the Senior Division. The extra cost Rs. 122 and can be met from the savings in the provision in the EE. for 1949-50 for expenditure for Senior Division units.

UNIFORM FITTING CHARGES.

The uniforms being supplied by Army authorities is mass produced at the Ordnance Factories. It will be appreciated that these uniforms will NOT in every case fit the individual to whom it is issued and alterations will be necessary if the cadet concerned is to look smart in the dress. The cost of these fitting charges has to be met. These charges will vary in different localities, depending on the charges levied by the tailors employed on such work. It is, therefore, suggested that tailoring firms be given contracts to undertake fitting of uniforms, charges being levied at a flat rate per uniform. Local Army Formation Headquarters will be able to give you the charges paid by Army units for fitting of uniforms, as in many cases, units do not have an Army recruited tailor on their strength. These fitting charges will be non-recurring expenditure.
