RC No. 1839 K2/48 dated 23--6--1949.

Sir.

Ref:-- Colleges - Presidency college, Madras - Opening of new courses.

Ref:-- G.O. No. 1887 Edn., dated 8-6-1949.

I have the honour to state that there is a slight variation between my original proposals for the opening of new courses in the Presidency college, Madras in 1949-50, submitted in my letter RC No. 1839 K2/48 dated 21-9-48 and the recommendations now made by the University Inspection Commission in regard to staff and accommodation etc. I have accepted the recommendations made by the University and informed them that steps are being taken to provide the necessary staff and equipment in time. All the courses can be opened in 1949-50 without difficulty.

2. As regards staff there is no variation between my proposals and the recommendations of the University in regard to courses in Tamil and Statistics. The position in regard to other courses is explained below:

3. Telugu:-- The University has stipulated an extra Tutor during 1949-50. In the G.O. referred to above, sanction was accorded for the employment of a Tutor and an Assistant Lecturer in 1951-52. As only one Assistant Lecturer would be necessary during 1951-52 according to the University's recommendations, I recommend that the post of Tutor sanctioned for 1951-52 may be permitted to be utilised during the academic year 1949-50.

4. Geography:-- The University has stipulated that there should be a Tutor in 1949-50 besides the Professor and that this post should be converted into that of an Assistant Professor in 1951-52 so that the Department could have 1 Professor and 2 Assistant Professors. I request that sanction may be accorded for the employment of a Tutor for the Department from 1949-50. Proposals for the conversion of the post into that of an Assistant Professor with effect from the academic year 1951-52 will be submitted early in 1951.

5. Psychology:-- The University has stated that the Honours course in Psychology should be on an Inter-collegiate-University Cooperation basis and that the starting of this course be deferred for the present as the college is not equipped for the Honours course. This view may be accepted. So the Pass course alone in the subject will be opened in 1949-50. Consequently the post of Assistant Professor sanctioned from 1949-50 will not be utilised.

Regarding equipment for Psychology course, the University has stipulated an initial grant of Rs. 10,000/- and a recurring grant of Rs. 3,000/- towards Experimental Psychology. Towards the purchase of books, the University has stipulated a non-recurring grant of Rs. 3000/- as against Rs. 1,500/- proposed by me and sanctioned by Government. I request sanction for the additional expenditure stipulated by the University as the equipment proposed is the basis for opening Honours course in the subject in the following year.

6. I request the favour of early orders sanctioning the

employment of additional staff and for the purchase of equipment as explained above.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.
