Sir, (Ref. Go.MSNO.2073 Edn. of the 21st August 48). (N)/19-20

I have the honour to state that, in connection with the preparation of my thesis, the Education Officer of the London County Council, at the instance of the University of London Institute of Education, has kindly arranged a series of visits to representative special schools, a copy of which is herewith enclosed. I could visit so far half the number of Schools and, in accordance with the convenience of the School authorities, I hope to cover the rest before they close for the summer vacation, sometime in the third week of July '49. Further, I would like to inform you that the Institute has been good enough to arrange for me an objective study of the work of the London County Council School Medical Services as regards the ascertainment of the handicapped children, the remedial measures and the evaluation of the special educational treatment for them, so necessary for the research of the subject on hand. Only after the data thus collected that I could proceed finally in the matter of writing down my thesis.

Under these circumstances I have the honour to request you to extend my leave for a period of three months.

Yours faithfully,

S.M. Fazlullah.
