Stationery. Typewriters supply
 to certain Govt. Establishments

4
 9. August 1948. The D.P.G.
 requested Govt. that the six machines
 specified in his letter of 3.8.48 may
 be supplied with a
 typewriter on each to the machine
 in question. Though this Dept.
 after examination recommended
 that the typewriters might be supplied
 to four machines, Finance was
 against the supply to any of
 the machines. The case was cir-
 culated to the then H.M. (Eon).
 The H.M. advised that the question
 of supply of typewriters to the
 machines might be taken up next
 year. The D.P.G. has accordingly
 renewed the proposal now.

2 For order whether this Dept.
 may renew the supply of type-
 writers to the machines in items
 (1), (2), (3), (5) as in the last year.
 The renewal of Finance may be
 invited now.

The proposal relates to the supply of a typewriter for each of the following schools.

- Govt. Sec. and Trg School for women, Coimbatore
- " " Cannanore
- " " Mangalore
- " " Rajahmundry.

para 2 on p. 1 above and p. 5 of (S)

In this connection the remarks of Fin. Dept. off. 4-5 of (S) may be perused. This Dept. advised against the proposal to supply typewriters to the Secondary and Training School on the following grounds.

- (1) The scripitory work involved in the Govt. Secondary and Training School at Coimbatore, which had to deal with the largest number of references, runs to about 160 lines which is about 2 1/2 pages of the 1/3rd margin paper used in the Dept. and that it is not a difficult task for a clerk to write 2 1/2 pages of scripitory matter per day, especially when an additional clerk has been sanctioned to each of the schools.

(ii) In view of the pressing financial stringency an allowance cut under contingent expenditure has been recommended.

(iii) The supply of typewriters is not absolutely necessary.

H.M. Fin. Minuted on 29.1.1949 that the proposal may be deferred.

The situation has in no way improved now. In the B.E. for 1949-50 Govt. have made lump sum deduction on account of retrenchment under office contingencies. It may be stated in this connection that when the D.P.D. renewed the proposal in April 1949 for the supply of portable typewriters to inspecting officers of the Education Dept, this Dept. advised against the proposal in view of the present financial stringency and suggested that it may be considered when our finances show some improvement and that it may be deferred for the present. E & P.H. Dept and H.M. Edu. agreed to the suggestion of this Dept. and order have accordingly been issued in Memo. no. 29497/49-2 dt 24.5.49 deferring the proposal.

The need for economy in expenditure is all the more pressing now. In the above circumstances, this Dept. may advise that the present proposal for the supply of typewriters for the schools referred to on p. 2 above may be ~~negated~~ deferred till our finances ^{show} improvement of E & P.H. For the proposal, they may be requested to obtain orders of H.M. Finance.

27.7.49

This may be deferred as was done in A. - can return to A. above

27.7.49 I agree S. K. AS. H. 4749 E & P.H.
