College of Engineering, Guindy to the Director of Public
Instruction, Madras.

Mr.O.Renganathan, a passed Licentiate in Civil Engineering
student of this college has been in service as a Draughtsman
in the Office of the Chief Engineer, S.I.Rly., Trichinopoly from
19-11-47 to 1-4-49. The Govt. in their Order No.773 Edn dated
22-5-42 have passed orders that the services of the passed stu-
dents in the P.W.D. and some other Govt. Departments will be
recognised as practical training. His work in the railway cons-
isted in the preparation of ~~xxx~~ plans connected with the perma-
nent way and buildings and also in preliminary survey work
for new railway sidings. I am satisfied with the reports on
his behalf received from the Chief Engineer, South India Rail-
way. I consider that his services in the South Indian Railway
as a Draughtsman in the Chief Engineer's Office may be recog-
nised as practical training for the purpose of award of the
college diploma.

I request that the Government may be addressed on this
matter to accept his service in the South Indian Railway in
lieu of practical training for the award of the college
Diploma.

A copy of the report received from the Executive
Engineer, Chief Engineer's Office, South Indian Railway,
Trichinopoly is herewith enclosed for perusal.
