NEW DELHI, the 4/8/48

July, 1948

From

Dr. Tara Chand, M.A., D.Phil.,
Secretary to the Government of India

To

All Provincial Governments and
Local Administrations.

Subject:- Educational Concessions to the Children and dependents
of Defence Services personnel grant by Provincial
Governments and Local Administrations- Continuance.

Sir,

I am directed to say that during the last war all Provincial Governments, Local Administrations and a number of Indian States have sanctioned at the instance of the Government of India certain educational concessions to the children and dependents of Defence Services personnel. These concessions vary from Province to Province in details but in the types of war service required for qualifying for these concessions have been more or less uniform. The entire burden of these concessions is being borne by Provincial Governments and Local Administrations.

2. The Government of India feel that the time has come when the question of further continuance of these concessions should be considered. As it is desirable that there should be some measure of uniformity in the policy followed by the various Provincial Governments in this matter. The Government of India would make the following suggestion for the verification of the Provincial Governments, viz:-

1. No New application for these concessions should be entertained after the 1st October, 1948.
2. Concessions once granted should in the case of children and dependents of Defence Services personnel who have been killed or incapacitated as a result of war service be continued until their education is completed to the extent that existing Schemes in the Province allow and
3. Concessions to children and dependents of other Defence Services personnel should be granted until the end of the particular course, Primary, Middle, High or College, which they are undergoing on October, 1st 1948, under the Scheme in operation in the Province.

3. The comment if any of the Provincial Government to the above suggestions may be communicated to the Government of India at P.T.O.

THE DIRECTOR OF PUBLIC INSTRUCTION

TO
THE SECRETARY TO GOVERNMENT
EDUCATION & PUB. HEALTH DEPARTMENT.
MADRAS.

ROC. No. 1769-W2/48 dated 1st September 1948.

Sir,

Sub: War - Educational concessions to the children and
dependants of Defence Services personnel -
Grant by Provincial Governments and Local Administrations
- Continuance.

With reference to Govt. Edt. No. 58733/48-1 c.1 dated
16-8-48, I submit the following remarks:

2. The suggestion of the Government of India to
curtail the expenditure on the concessions to the children and
dependants of Defence Service Personnel is presumably due to the
requests made by the Provincial Governments for a subvention from the
Central Government -- Vide letter No. 59781/47-5C1 Edn. dated 29-5-48 to
the Government of India for reimbursing 50% of the expenditure
incurred so far on these concessions.

3. It is too soon to examine or retrenchment of the expen-
diture in this regard. The war has ended in August 46. The expenditure
in 46-47 was approximately 10 lakhs. It is not possible to say with
certainty whether the expenditure will go on increasing or
whether this as the peak figure. The concessions granted for the war
of 1914-18 were restricted in 1934 i.e. 15 years after the termination
of the War. But now it is proposed to restrict the ~~an~~ concessions two
years after the termination of the War. This appears too soon.

4. However in vi-ew of the various activities of the
Nation Building Departments in various fields, a restriction in this
expenditure may be considered.

(i) The Government of Madras have already passed an
order restricting the expenditure in their Order No.
120 Edn. dated 17-1-46 vi.z that the concessions
shall be awarded only to children and dependants
born before 28th February 1947.

(ii) In connection with the recommendations of
the Retrenchment committee, I have suggested that if
necessary the concessions need not be granted for ~~stud-~~
students who remain in the same class for a second year.

(iii) With a view to economy and to check abuse, certain
recommendations were already made in my letter Rc.No.
11158-W/46 dated 2-1-47 to regulate and restrict
the concessions. ~~regarding~~ the concessions may be
restricted to the children and not extended to depen-
dants. This will bring about some economy. Government
have not passed orders on the recommendations yet.

5. There are certain considerations of sentiment associated
with the war of 1939-45 as distinguished from the war of 1914-18. The
latter may be considered as the Imperialistic war while the recent war has
been the harbinger of freedom for the country. In this war, Madras
Province has played a great and important part and the soldiers were promised
many things when they were recruited. The promises cannot be shirked
so soon. The soldiers themselves have not ~~at~~ settled in life yet.

Sir, Subject: War - Educational concessions to children and dependants of soldiers - Grant by the Provincial Government - Discontinuance - Clarification requested.

R e f: G.O.(P.S.) No.2230 Education dated 11-7-1949.

I have the honour to state that in sub-para (3) of para(1) of the G.O. cited above the Government have ordered that the concessions already granted to the children and dependants of other defence services personnel should be continued until the end of the particular course, Primary, Middle, High or College which they are undergoing at the beginning of the academic year 1949-50. The following points require clarification very urgently:-

1. Whether the completion of the Intermediate course is to be considered as a completion of definite stage and further concessions disallowed or whether a student who had passed the Intermediate Examination last year with concessions is eligible for the concessions this year (1949-50) for the Degree courses in Arts Colleges or in the Professional Colleges.

2. Whether a candidate who had already taken his degree last year with concession is eligible for concessions for a Post-graduate course.

3. Whether the concessions to the children and dependants of Killed and permanently incapacitated soldiers may be continued for professional courses.

4. I presume that a student who was in receipt of the concessions during the year 1948-49 in Form VI and who had finished that stage and who is already enrolled in the I U.C. during the academic year 1949-50 is not eligible for the concessions. Kindly let me know whether my presumption is correct.

5. Kindly also let me know whether concessions already sanctioned afresh in 1949-50 before the receipt of the Government orders to students at the commencement of a stage in class I or Form I or Form IV or Junior Inter, or Junior B.A. or B.Sc. or Hons. or first year in a Professional College should be cancelled or be continued as a special case.

I request the favour of very urgent orders.

WAR--Educational concessions to children and dependants of
soldiers--Discontinuance-clarification requested.
Reference:-Government Memo.No.49275-01/49-12 Education
dated 2.8.1949.

With reference to para (4) of Government Memo. quoted above, I
request you to state whether a student who was NOT in receipt of the
concessions in 1948-49 in Form VI but was in receipt of the concessions
in 1947-48 or in previous years is eligible for the concessions if he
joins this year in the I University Class in a college even though there
was break in his studies. The reasons given by the students for the
break and study are that they were not in a financial position or due to
sickness to continue the study during the year 1948-49. I also request
you to state whether a student who was in receipt of the concessions in
the Senior Intermediate Class in 1946-47 but was not in receipt of the
concessions either in 1947-48 or in 1948-49 on account of his failure in
the examination and who is enrolled in III University Class during the
academic year 1949-50 is eligible for the concessions.

I request the favour of early orders of Government in the matter.

Ref:- Government Memo. No.169275-C1/49-12 Edn.,

In para (1) of the Government Memo. quoted above, the
Government have ordered that a student in receipt of the
educational concession passes the Inter examination in 1948-49
and joins an Arts College or a Professional College in 1949-50
for the degree course, he may be granted the concessions until
he completes the degree course.

I think it is not the intention of Government to deprive
the concessions to students who took their degree Examination
with concessions last year and who apply for concessions for this
year (1949-50) for their B.L. course or B.T. in a Law or Training

I have the honour to forward herewith a copy of the Endt. Roc. No.663 A/49 dated 3-2-50 of the Principal, Government Brennen College, Tellicherry together with a copy of the petition dated 12-12-49 referred to therein and state that in their Memo. No.100269/49-2-C1 Edn. dated 18-1-50 the Government have ordered that the date of opening the III U.C. in the colleges should be taken as the date of enrolment instead of 11-7-49 for purposes of continuing the educational concessions. Since the Principal, Government Brennen College, Tellicherry states that the major admissions in the III U.C. were made only during the second week of July 1949, the concessions to those admitted upto and inclusive of 15-7-49 may be allowed.

I solicit the favour of early orders of Government in the matter.

Yours faithfully,

For Director of Public Instruction.

Copy to War Section.
vs.22.2.

Copy of Endt. Roc.No.663 A/49 dated 3-2-1950 from the Principal, Government Brennen College, Tellicherry to the Director of Public Instruction, Madras.

Sub: Petition dated 12-12-49 from Sri M:N.Kuttayi, father of M.Gourie, Student, III University Class for Military Concession.

Submitted to the Director of Public Instruction.

2. Under the orders contained in Government Memo. No.76619/49 2-C1 Edn. dated 1-11-1949 communicated in Director's Proceedings Rc.1769 W2/48 dated 14-11-1949 a student who was not in receipt of the concession in 1946-47, and who was admitted in the III University Class, during 1949-50 before 11-7-1949 is eligible for the concession.

The student in question was in receipt of the concession in 1947-48 and in previous years, but was not in receipt of the concession in 1948-49. She was admitted in the III University class on 11-7-1949. Admissions into the Junior B.A.Class of this College, even though commenced in the 1st week of July 1949, major number of students were admitted in the second week and that too after 10-7-1949. The grant of concession to the student under the orders contained in the Government Memo. is not permissible, as she was not admitted before 11-7-1949 but only on 11-7-1949, but in view of the fact that the major admission in the class could be made only during the second week of July 1949, the grant of concession to the student may kindly be permitted.

Neither in 1948-49 or 1947-48, but was in receipt of the concession

85

There are a few such cases in the I and III Classes and I request that a general order may be issued permitting the grant of concession to these admitted up to and inclusive of 15-7-1949 by which date the admissions into these classes were almost over.

Copy of application dated 12-12-49 from M.N.Kuttayi, Physical Training Instructor, Malabar Christian College School, Calicut to the Director of Public Instruction, Madras through the Principal, Government Brennen College, Tellicherry.

Sub: Educational Concessions to children and dependants of soldiers.

I am an ex-military man and my children have been enjoying educational concessions. My daughter, H.Gouri who joined the III University Class in July 1949 in the Government Brennen College, Tellicherry has been denied the concession. She appeared for the Intermediate examination in March 1948, but having failed to secure a pass in Part III, appeared for it again in March 1949 and passed. The Principal's orders asking her to appear for an interview with a view to her admission in the Junior B.A. Class stated that the class would reopen on 11-7-1949. The orders were received here in Calicut on 9-7-1949 which was a Saturday. The next day being Sunday, Monday the 11th was the earliest date on which she could appear for the interview. She was interviewed on which she could appear for the interview. She was interviewed and admitted on the same day, viz. 11-7-1949.

The orders issued in your Proceedings Re.No.1769 W2/48 dated 14-11-1949 say that students who joined the I or III University Class in 1949-50 after a break of a year or two should have been enrolled before 11-7-1949 in order to be eligible for the concession. I have explained above how it was impossible for my daughter to join the College even a day earlier than 11-7-1949.

I am a Physical Training Instructor whose pay is small and whose family is large consisting of younger children who are attending school. It was only in the hope of getting military concessions that I admitted my daughter in the College as it is impossible for any person of my means to pay the high College fees in addition to Boarding and lodging.

Under the above circumstances, I request that my daughter's case may be kindly considered sympathetically and early favourable orders passed.

(A)

In the G.O. cited above, Government, while passing orders regarding the discontinuance of educational concessions to the children and dependants of Defence Service Personnel, directed that such children and dependants of deceased or permanently incapacitated Military Personnel as had already been sanctioned, the concessions under G.O.No.620 Education, dated 20-4-1945 in the year 1949-50, should continue to enjoy the concessions under that Government Order till their education is completed. The concessions admissible under this Government Order are not only exemption from tuition fees but also exemption from special fees and from payment of examination fees conducted under the authority of the Government. I presume the benefit of these additional concessions may continue to be given to this category of pupils, even though under G.O.No.6143 Edn., dated 11-6-56 educational concessions are to be continued only in renewal cases and that too ~~confining~~ them to remission of tuition fees alone. I request Government to let me know whether my presumption is correct.

In my letter Rec.No. 1090 MC1/55 dated 30.7.56 I sought the clarification of Government regarding admissibility of certain additional concessions to children and dependents of deceased or permanently incapacitated personnel. Government in their order cited, informed me that the presumption in my letter is correct. Besides the concessions referred to above the children of deceased and incapacitated personnel are also eligible for Book allowance under G.O. 610 Education dated 20.4.45. I failed to make mention of this, while seeking clarification in my letter referred to above. The children of the personnel are also eligible for this concession. I request Government may be pleased to issue the necessary orders in this regard.

Re.No.796 L1/57 Dated 15.10.1957.

Sub: War - Educational concessions - refund of
University examination fees paid by children
and dependants of soldiers who are granted
educational concessions under G.O.610 Edn.
dated 20.4.45 clarification - sought.

Ref: G.O.1143 Edn. dated 11.6.1956.

In the G.O. referred to above, Government ordered
that the educational concessions to children and dependants
of soldiers and Ex-servicemen under various Government orders,
which were being sanctioned from the Post War Service
Reconstruction Fund, may be continued in renewal cases
only, and that two confirming them to remission of Tuition
fees alone.

2. In their Memo. No.83816 E5/56-2 Edn. dated 31.8.56
Government issued clarification regarding admissibility of
certain other concessions, viz., exemption from payment of
special fees and payment of Examination fees to children
and dependants of deceased or permanently in-capacitated
personnel, who are granted educational concessions under
G.O. 610 dated 20.4.45, as modified by G.O.No.2230 Edn.
dated 11.7.49, till their Education is completed.

3. One K.Pattammal, who belongs to the category of
the students referred to above and who was granted educational
concessions for her B.T. course for 1956-57, under G.O.
610 dated 20.4.45, has applied for refund of University
Examination fees paid by her.

4. The University of Madras was refunding in the
first instance the examination fees paid by the children
or dependants of Ex-service personnel eligible for educational
concessions and claiming re-imbursement of the expenditure
from the Post War Service Re-construction Fund till 1955-56.

5. Since the Post War Service Re-construction fund
has stopped all award of educational concessions from 1956-57
it is presumed that the intention of Government is that the
expenditure relating to Examination fees paid by the categorie
of the children referred to in para 2 and who are granted
educational concessions under G.O.610 dated 20.4.45, has
to be met from State funds.

In G.O. Ms. 2230 Education dt. 11-7-49 the Government had
ordered that no new application claiming the concessions should be
admitted from the academic year 1949-50. In paragraph 2 of G.O. Ms.
No. 1143 Edn. dt. 11-6-50, it has however, been stated that the educational

Subject: War - Educational concessions to children and dependants of Defence Service Personnel - Clarification of certain points.

Ref: Government Memorandum No.146449 E5/57-1 Edn. dated 6-1-1958.

The State Government were sanctioning Educational concessions to children and dependants of ex-servicement and serving soldiers up to 1949-50 under G.O. No.610 Education dated 20-4-45. In G.O. No.2230 Education dated 11-7-49, the Government ordered that no new applications for the concessions under that G.O. should be admitted from the academic year 1949-50, and that the concessions already granted in the case of children and dependants of defence services personnel who had been killed or incapacitated might be allowed till their education was completed. The concessions for ~~others~~ who were in receipt of them, were to be stopped at the end of a particular stage of education.

2. In the year 1950, the Post War Services Re-construction Fund agreed to meet the expenditure on grant of educational concessions to children and dependants of Ex-servicement for new cases and also to those who become ineligible for further courses of study, after finishing a particular stage in their education. This scheme was approved by Government in G.O.No.1879 Education dated 27-6-50.

3. The Post War Services Reconstruction Fund agreed to meet the expenditure on account of the grant of concessions referred to in G.O.1879 Education dated 27-6-50 till 31-12-1960. However, in the year 1955, the Honorary Secretary of the fund expressed his inability to meet the expenditure on the grant of Educational concessions beyond 1955-56, on account of depletion of funds. The question was examined by Government, and, in G.O. No.1143 Education dated 11-6-56, Government ordered the continuance of the scheme of these concessions which were being administered by the Post War Services Reconstruction Fund Committee, in renewal case only, up to certain stages in the students' education ~~for~~, and the continuance of this modified form for the year 1957-58 was sanctioned in G.O. No.1446 Education dated 23-8-57.

From the D.P.I., No. 1769 W2/49 dated 15-12-49.

Sub:- War - Educational concessions to children
and dependants of soldiers - Discontinuance.

The D.P.I. reports that in view of the orders
in Memo. 76618/49-2C1 Edn., dated 1-11-49 certain students
will be deprived of the concessions in view of the fact that
the III University classes in some of the colleges have been
opened after 11-7-49 (i.e.,) a few days after this date.
He suggests that the date of opening of the III University
classes in the colleges may be taken as the date of enrolment
for purposes of granting the educational concessions, instead
of 11-7-49 and that orders may be issued in the matter.

It is submitted that the intention in the issue of
Memo referred to above was ~~that~~ that certain students joined the
colleges before the issue of orders in G.O. No. 2230 Edn., dated
11-7-49 with the hope of getting educational concessions.
As the G.O. was issued after their joining the colleges or
schools it was thought that it will be a hardship to those
students. Hence the date 11-7-49, ~~was mentioned~~ the date of
the Government order was mentioned in the Memo. If students
continue their studies ~~after~~ and join the colleges after the
the date of the G.O. viz., 11-7-49 there seems to be no need
to relax the rules in their favour in view of the fact ~~that~~
they knew that they ~~would~~ not get the educational concessions.
Hence there seems to be no need to alter the date viz., 11-7-49
in the memo.

The remarks of Finance may be invited u.o.

11/1/19

Notes from pp.1-3 ante may be perused. The file deals with the question of restricting the educational concessions to children and dependents of the Defence

Services Personnel.

2. The Govt. of India have suggested for the consideration of the Provincial Govts. the discontinuance of the concessions to new applicants from 1--10--1948 and also the placing of certain restrictions on those already enjoying the concession vide 'A' on p.3 c.f. For the reasons stated in para 5 of the letter on page 5 c.f. the D.P.I. considers that it is too early to discontinue the concessions. This Dept. while agreeing with the Director has pointed out that going by the spirit of the announcements made during the war the discontinuance of the concessions so early would savour of a breach of faith and that at a time when recruitment to the Army is again assuming special importance action of this kind would have adverse effect too. This Dept. has also pointed out that the concessions have already been restricted to children and dependents born before 28th February 1947 and that this itself was a considerable whittling down when compared with the duration of the concessions pertaining to the previous war. It is for orders whether the suggestion of the Govt. of India will be accepted or the views of this Dept., which have been supported by other Departments, will be agreed to.

3. This Dept. has proposed, on the recommendation of the D.P.I., that the concessions may in future be restricted to wives and children of the Defence Services Personnel and that concessions now being granted to dependent brothers and sisters may be stopped. The dependent brothers and sisters who are already enjoying the concessions will be allowed to retain them till they finish ^{all their} ~~their respective~~ course of studies. It is for orders whether the proposal will be approved.

4. It is also proposed to restrict the concessions to one year in each class instead of to two years as present. This proposal is being considered in a separate file in connection with the recommendations of the Retrenchment and Reorganisation Committee and orders will be taken on it in that file.

5. The file may be circulated to H.M.(Edn.), H.M.(Fin.) and H.Pr. for orders on paragraphs 2 and 3 above.

Please see the reply from the Govt. of India at pp.29-30 c.f. This Govt. are granting certain educational concessions to the children and dependents of soldiers. The concessions granted are embodied in G.O.No.610 Edn. dated 20-4-45. The Govt. of India in their letter No.F.12-7/46-R dated 4-8-1948 made the following suggestions for restricting the concessions.

pp3-4 of

1. No new application for these concessions should be entertained after the 1st October, 1948.

3. Concessions to children and dependents of other Defence services personnel should be granted until the end of the particular course, Primary, Middle, High or College, which they are undergoing on October, 1st 1948, under the Scheme in operation in the Province.

This Govt. are spending enormously on the grant of educational concessions to the children and dependents of soldiers. The expenditure on this account during 1947-48 was more than Rs. 11 lakhs. The entire cost is borne by this Govt. and the Govt. of India has declined to meet any share of the cost.

In order to check the mounting cost this Govt. have already brought about the following restrictions in the grant of the concessions.

(B)

(1) In G.O.No.120 Education, dated 17-1-46, the concessions have been restricted to children and dependents of soldiers born on or before 28-2-47.

pp13-14 of

The Govt. of India's letter dated 4-8-48 was referred to the D.P.I. The Director did not agree with the proposal for such drastic restrictions as suggested by the Govt. of India. The Director was agreeable to restrict the concessions to children and wives of soldiers and exclude the dependents of soldiers from the scope of the scheme. The concessions granted to children and dependents of soldiers who took part in 1914-18 war were restricted only in 1934 i.e. after 15 years. The D.P.I., therefore, considered it too early to stop the concessions granted to the children and dependents of the soldiers who took part in the recent war. This Dept. agreed with the views of the D.P.I. This Dept. also considered it unjustifiable to make a distinction between those (soldiers) killed and incapacitated and the rest in the manner proposed by the Govt. of India under items 2 & 3 of para 2 of their letter at p.3 c.f. The Public, Dev. and Finance Depts. agreed with the views of this Dept. But it was decided in circulation to agree to the suggestions of the Govt. of India. Accordingly this Govt. informed the Govt. of India that they accept the proposals made by them (India) and that the proposal will be implemented on receipt of final instructions from the Govt. of India. The Govt. of India was also informed that the date of implementation

will be after the final instructions ^{are} received from the Govt. of India. Govt. of India ^{has} now replied that since this Govt. ^{has} agreed to the suggestions made by them in their letter dated F.12-7/46-R dated 4-8-48, this Govt. may give educational concessions to the children and dependents of soldiers at their discretion.

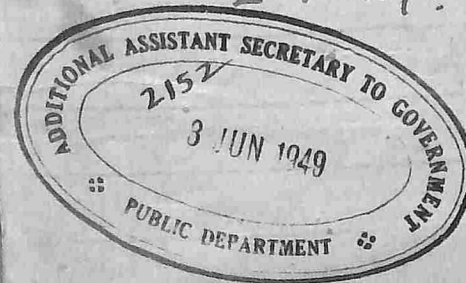

This Govt. may perhaps implement the proposals at 'A' ^{on P6 ante} from the beginning of 1949-50. The Govt. of India have not given any indication of the reaction of other provinces towards the proposal to restrict the educational concessions. This Govt. have entered into reciprocal arrangements with all the other provinces except Bombay and most of the states in the matter of the grant of educational concessions to the children and dependents of soldiers. According to this arrangement a dependent of a soldier from this province will be eligible for the educational concessions granted by another province to its own students should the former be having his education in that province and vice-versa. If all the provinces and States do not implement the proposals of the Govt. of India, there is bound to be some difficulty in the working of the reciprocal arrangement. Perhaps this need be pursued only if any province or state raises the question.

This Govt. need not entertain new applications from ^{for studies in this Province} students domiciled in other provinces from 1949-50. All those who are already getting the concessions will continue to get them subject to the conditions laid down under items 2 and 3 at 'A' ^{on p6.} above.

This Govt. have extended the educational concessions allowed to the children and dependents of Defence service personnel to the children and dependents of the I.N.A. personnel also. The total expenditure in a year on the concession has been restricted to Rs.50,000. The restrictions proposed to be imposed on the children and dependents of soldiers will apply to the children and dependents of the I.N.A. personnel also.

In G.O. No.61 Education, dated 7-1-49, this Govt. have extended the educational concessions applicable to the children and dependents of soldiers of this province to the children and dependents of non-Muslim ex-service-men who after migration from Pakistan desire to settle permanently in this Province. The restrictions proposed to be imposed on the concessions to the children and dependents of soldiers in this province may also be made applicable to the children and dependents of the non-Muslim refugees referred to above. In this connection attention is drawn to para 2 of this Government's letter No.69513/48-3 C1 Edn. dated 6-1-1949 to the Government of India. A draft order is submitted for approval. There is a slight difficulty with regard to item 3 of the restriction suggested by India in the draft order. The Govt. of India had proposed that the concessions granted to the children and dependents of the Defence Services personnel who were not killed or incapacitated should be continued until the end of the particular course, Primary, Middle, High or College which they were undergoing on 1-10-1948. This would have been alright if this Govt. had adopted the date suggested by the Govt. of India for bringing into force the restrictions, viz. 1-10-1948, as the students would have definitely known that they will not get the concession for their further courses, viz., Middle, High or College as the case may be after the schools or colleges re-open. But this we have proposed to give effect to the orders from 1949-50 only.

India's note at those already in receipt of the concessions

Am p 3 of

and orders have not yet been issued. Since the schools and colleges have all been re-opened students would have on promotion entered upon their new courses, viz., middle school, high school or college in the hope of getting the concessions. This would more especially be the case of students who enter the colleges after completing the S.S.L.C. course. It would be unfair to deny these students the concessions as perhaps some of them would not have undertaken further studies but for the ^{hope of} the edl. concessions. This Govt. could not adhere to the date 1-10-1948 suggested by the Govt. of India as the final reply from that Govt. was received only on 23-5-49. Under the circumstances it is for consideration whether item (3) may be recast as follows:

"Concessions to children and dependents of other defence service personnel should be granted until the end of the particular course Primary, Middle, High or College which they are undergoing at the beginning of the academic year 1949-50."

EDN & P.H. DEPT. (C*)

Please see the letter from the D.P.I. at p.35 c.f.
Attention is in this connection is invited to the notes at pages 10-11 ante. As orders in G.O.No.2230 Edn. dated 11-7-49 were issued after the schools and colleges were reopened it was thought justifiable that holders of the educational concessions who completed a stage of education at the end of 1948-49 and joined the next higher stage in 1949-50 in the hope of getting the concession should be granted the concession till they finish the stage of education they are in at the beginning of 1949-50. Orders in sub-para 3 of para 1 of G.O.No.2230 Edn. dated 11-7-49 were issued accordingly. The D.P.I. in his letter at p.35 c.f. has raised certain points for clarification. They are examined below seriatim:

(1) The student who passes the Intermediate examination in 1948-49 with the educational concessions and joins the Arts colleges or the professional colleges during 1949-50 for the degree course ~~seem to be~~ ^{is} eligible for the concessions till ~~they~~ ^{he} complete ~~their~~ degree course for the reasons ~~stated~~ ^{stated} at pp.10-11 ante.

Mem 2 at A on p 3 of

p 314

(2) Post graduate students are eligible for the concessions under G.O.No.610 Edn. dated 20-4-45. A student who has taken his degree in 1948-49 with ^{the} ~~concessions~~ ^{is} ~~seems to be~~ eligible for the concession if he joins the college during 1949-50 for post-graduate course for the reasons stated in pp.10-11 ante.

(3) It has been clearly stated in the letter from the Govt. of India at p.3 c.f. that the concessions once granted should in the case of children and dependents of Defence Services personnel who have been killed or incapacitated as a result of war service be continued until their education is completed to the extent that existing schemes in the province allow. Sub-para 2 of para 1 of G.O.No.2230 Edn. dated 11-7-49, is based on the suggestion of the Govt. of India referred to above. Therefore concessions to the children and dependents of killed and permanently incapacitated soldiers can be continued for their professional courses also.

(4) The D.P.I.'s presumption is not correct. Attention is invited to the notes on pages 10-11 ante.

(5) As the intention is to stop all fresh concessions from 1949-50 the concessions already sanctioned to fresh cases before the receipt of G.O.No.2230 Edn. dated 11-7-49, may be ~~ordered to be~~ cancelled. Finance may see for remark

Fri (12/10)

In memo. no. 76648/49-2 C, Smt., dated 1.11.49, the D.P.I. was informed that a student who was in receipt of the educational concessions admissible under G.O. no. 6105m. dated 20.4.45 in the Senior Intermediat class in 1946-47 but was not in receipt of the concessions either in 1947-48 or 1948-49 on account of his failure in the examination and who was enrolled in the III university class during the academic year 1949-50 before 11.7.49 was eligible for the concessions. In his letter dated 15.12.49, the D.P.I. reported that the III university classes in some colleges opened after 11.7.49 and that the first admission to the class was made on a still later date. He requested that the date of opening of the III university classes in the colleges may be taken as the date of enrolment for the purpose of granting the educational concessions instead of 11.7.49. That the D.P.I.

meant was, apparently, that the students of the type referred to at A in p.2 above who were actually enrolled on a date later than 11.7.49 might also be allowed the educational concessions. The orders in memo. no. 100269/49-2 C, Edu., dated 18.1.50 do not bring out the above idea clearly. The correction proposed in the draft memo. on page 1 above ~~may not meet all cases of admissions after 11.7.49~~ ^{may} ~~only add to the confusion~~ as it is likely that the III university classes in some colleges might have opened after 15.7.49. It would therefore appear sufficient if the D.P.I.'s proposal at X in p.1 C.F. is approved. If necessary, the memo. referred to at B above may be modified suitably so as to bring out the idea at H above, as this will put an end to further references from the D.P.I. in the matter and ensure that the intention of Govt. is correctly understood by all authorities.
