Roc. No. C2.5562-49, dated 15/6/1949.

Sir,

Sub: GRANTS - College under local bodies request - reconsideration.

In G.O. Ms. No. 319 Edn., dated 8-2-49, the Government while explaining the policy of the Government in regard to collegiate education under local bodies have been pleased to permit the Municipal Council, Salem, to continue to maintain the Municipal College, Salem, and to receive a recurring subsidy of Rs. 5,000/- from Provincial Funds - Salem is one of the backward areas in the matter of education and it certainly comes under the exception mentioned in the Government Order.

The Municipal College has produced good results in the University examinations, and a statement showing the results of the College during the past five years is sent herewith.

In view of the above, and the present policy of the Government in not permitting local bodies to incur expenditure on collegiate education, this Council urges that the Government might be pleased to fix a limitation in the expenditure from municipal funds and order the payment of a liberal grant of Rs. 20,000/- every year from provincial funds. Similar grants are given to other private managed college every year.

A copy of the resolution No. 2553 dated 31-3-49 is herewith enclosed.

I request the favour of orders of Government on the resolution of the Council.

EXTRACT FROM THE PROCEEDINGS OF THE MUNICIPAL COUNCIL, SALEM, PASSED AT ITS MEETING HELD ON 31/3/1949.

M.C.R.No.2553.

Read G.O.Ms.No.319 Education dated 8-2-49 explaining the policy of the Government in regard to collegiate education under local bodies. The Government consider that local bodies should concentrate in the main or elementary education and also may run high schools as hitherto but should not normally undertake collegiate education; as the expenditure on the latter type of education will result in a drain on their resources to the serious detriment of their normal activities. They however permit the maintenance of the Municipal College, Salem, and that a recurring subsidy of Rs.5,000/- only will be paid as at present.

GOVERNMENT MAY BE REQUESTED TO PAY A SUM OF RS.20,000/- AS GRANT EVERY YEAR.

Sir,

Rec. No. C2.5562/49, dated 24/9/1949.  
20 OCT 1949  
EDUCATION AND PUBLIC HEALTH DEPT.  
Salem Municipal College under local bodies - request - reconsideration.

The Government Order issued in G.O.2232 Edn., dated 12-7-49 was placed before the Governing Body of the Salem College and it was resolved to request the Government to reconsider their orders passed.

As already stated in my letter No.C2.5562/49 dated 15-6-49, Salem is one of the backward areas in the matter of education. This is the only college in the whole of Salem District.

This College has been producing good results every year and it is popular in the Salem District. The activities of the College cannot be expanded for want of adequate financial aid either from the Government or from the general public.

The Government have been helping the private managed colleges even though there are more than one college in a district viz., Trichy, Madura etc., As the financial position of the Council does not permit the payment of more money need to maintain the college, I therefore request that the Government may be pleased to reconsider the orders passed and pay a liberal grant of Rs.20,000/- every year to the Salem Municipal College.

Colleges- Salem Municipal College - Recurring grant-Increase - Request for.

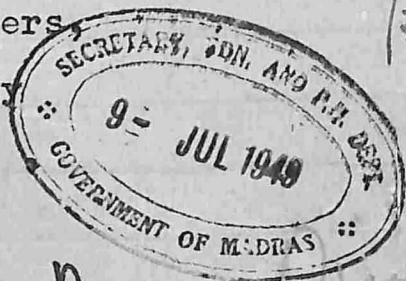

From the Commissioner, Salem Municipality, Roc.No. 5562-49 dated 15.6.1949.

In G.O.No.319 Edn., dated ~~22~~ 8.2.1949, the Govt. while reviewing the policy of Govt. in regard to collegiate education under local bodies, ordered that ~~hitherto~~ these bodies should concentrate in the main on ~~the~~ elementary education and also may run high schools, as hitherto, but ~~showed~~ that they should not normally undertake collegiate education, as expenditure on this latter type of education would result in a drain on ~~the~~ ~~resources~~ their resources to the serious detriment of their normal activities. At the same time, however, the Govt. have permitted the Salem Municipality to continue to run the Salem College and receive the usual recurring subsidy of Rs.5000/- per ~~annum~~ annum from the Provincial funds.

2. Now, the Commissioner Municipality, has forwarded a copy of the resolution of the Municipal Council Salem to request Govt. to ~~increase the~~ pay a grant of Rs.20,000/-, for the College. He states that Salem is one of the backward areas in the matter of education and should therefore be considered as falling under the exceptions mentioned in the Govt. order quoted above. He points out that the College has produced good results at the University Examinations and is doing good work. He therefore requests that as a special case the lump sum subsidy of Rs.5000/- which the Municipality is in receipt of <sup>in respect of</sup> the college may be increased to Rs.20,000/- per annum.

3. In connection with the revision of salaries of the teachers of the Salem College, the Municipal Commissioner

previously requested the increase of the ~~above~~ subsidy  
the question was considered and he was  
of Rs.5000/- ~~but the Govt. has not agreed to it~~ ~~he was~~ informed  
~~after due consideration~~ that the Govt. would not pay any  
increased subsidy on account of the revision of pay of the  
teachers.- Please see in this connection the notes on p.p.  
13 and 19 n.f. of (A). ~~In the circumstances~~ There seems to  
no special reasons for reconsidering the orders already issued *in the matter*.  
The Commissioner may be informed accordingly. Subject to orders  
the draft memo. ~~is~~ submitted for approval. L.A. & Finance may  
see prior to circulation.
