46126 Sir,

Subject:- Sri Sarada vidyalaya Girls' High School,
Madurantakam - transfer of management
to the District Board, Chingleput.

Reference:- Director's Proceedings Rc.No.2788-G2-48
dated 30-5-49.

In continuation of Director's endorsement referred to above I wish to submit herewith copies of letters No. nil dated 13-5-49 and Rc.No.9933-49-A5 dated 15-5-49 of the Correspondent or the Sri Sarada vidyalaya Girls' High School, Madurantakam and the Special Officer, District Board, Chingleput, respectively in regard to the transfer of management of the said school to the District Board, Chingleput - copy of the Resolution of the District Board in the matter is also enclosed. The Zamindar of Chunampet, who is the President-Manager of the said school is agreeable to the conditions laid down in Government Memorandum No.89470-B1/48-3 Edn., dated 19-4-49 but he says that the school is run in a rented building and hence the Equipment, Science apparatus etc., alone will be conveyed to the District Board legally. But the District Board, Chingleput, laid down certain conditions for the transfer and the same are examined below:-

- (1) The District Board wants that a building should be offered free by the Zamindar to accommodate the school or a decent donation should be given to the board to enable construction of a pucca structure. But in a subsequent reply dated 5-6-49 (vide copy enclosed) the zamindar has stated that he is not in a position to offer any building free of rent now as his estate is involved in litigation and that, however, on the termination of his litigation he will make a donation. But it is not desirable to reply on this conditional offer of the zamindar and hence the District Board should be prepared to take over the school without thinking of building question or any compensation thereof if it wants to take over the school.
- (2) Regarding the 2nd condition, it may be seen from the statement of staff enclosed that there are no un-qualified teachers in the school.
- (3) This condition cannot be accepted. The District Board should agree to the condition laid down in the Government Memorandum No.89470-B1/48-3 Edn., dated 19-4-49 in regard to fixing of the pay of the staff of the school under question.
- (4) The condition laid down by the District Board is acceptable.
- (5) This question may be considered after the school is

H.O.No.2788-42-48

The Director of Public Instruction
Madras.

The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Subject:-- Sri Sarada vidyalaya girls' High School,
Madurantakam - transfer of management
to the District Board, Chingleput.

Reference:-- Director's Proceedings No.2788-42-48
dated 30-5-49.

In continuation of Director's 4 endorsement referred to
above I wish to submit herewith copies of letters No. 111 dated
13-5-49 and No. 2788-42-48 dated 15-5-49 of the Government
of the Sri Sarada vidyalaya girls' High School, Madurantakam and
the Special Officer, District Board, Chingleput, respectively
in regard to the transfer of management of the said school to
the District Board, Chingleput - copy of the resolution of the
District Board in the matter is also enclosed. The Zamindar
of Chumampet, who is the President-Manager of the said school
is agreeable to the conditions laid down in Government Memorandum
No. 89470-1/48-3 Edn., dated 19-4-49 but he says that the
school is run in a rented building and hence the equipment,
science apparatus etc., alone will be conveyed to the District
Board legally. But the District Board, Chingleput, laid down
certain conditions for the transfer and the same are examined
below:--

- (1) The District Board wants that a building should be
ordered free by the Zamindar to accommodate the
school or a decent donation should be given to the
Board to enable construction of a proper structure.
But in a subsequent reply dated 5-6-49 (vide copy
enclosed) the Zamindar has stated that he is not in
a position to offer any building free of rent now
as his estate is involved in litigation and that
however, on the termination of his litigation he will
make a donation. But it is not desirable to rely
on this conditional offer of the Zamindar and hence
the District Board should be prepared to take over
the school without thinking of building question or
any compensation thereof if it wants to take over
the school.
- (2) Regarding the 2nd condition, it may be seen from the
statement of staff enclosed that there are no un-
qualified teachers in the school.

- (3) This condition cannot be accepted. The District Board
should agree to the condition laid down in the move-
ment memorandum No. 89470-1/48-3 Edn., dated 19-4-49
in regard to fixing of the pay of the staff of the
school under question.

- (6) In regard to the Hostel, the Zamindar has
since stated in his letter dated 5-6-49
(copy enclosed) that the Hostel would be
handed over to the District Board if it
so desires and provided it does not stipulate
conditions and that if the District Board
is not willing to take over the Hostel with-
out conditions the Zamindar is willing to
run the Hostel himself. Hence the District
Board should be prepared to run the Hostel
without seeking for any contribution from
the Zamindar if it desires to take over the
Hostel.

2. I am also enclosing herewith, in this connection,
a copy of the letter dated 2-5-49 of the zamindar of Chumam-
pet. The zamindar states that the school was maintained
from zamindari funds from its inception in 1944 till July 1947
when a Receiver was appointed to the Estate; that he (the
Receiver) has stopped payment; that from 1947 he is maintain-
ing the school out of the allowance sanctioned to him by the
court and that if the Receiver had not stopped payment, he
would not have been put to the necessity of handing over the
school. The letter dated 5-6-49 of the Zamindar (copy en-
closed) shows that there is a Committee constituted for the
school but not yet registered; that the zamindar is the
President-Manager of the school; that no village has been
set apart; no endowment has been made by the zamindar towards
the maintenance of the school and that before the appointment
of the Receiver the school was maintained by the Zamin Estate
and the expenses over and above the income from fees and
Government grant were met from out of the income to the
Zamin Estate. Since no village has been set apart and no
endowment has been made by the Zamindar for the maintenance
of the school it is not clear whether the school under ques-
tion can come within the purview of Government Memorandum No.
89470-1/48-3 Edn., dated 19-4-49 and it is also not known
whether the Chumampet Estate under reference will also be
affected by the Zamindari Abolition Bill. It is therefore
requested that if Government are satisfied that this school
comes within the purview of the Government Memorandum cited
above, the transfer of management of the school to the Dis-
trict Board may be approved in the light of the conditions
discussed above.

Yours faithfully

1. A building should be offered free by the Zamindar to accommodate the school or a decent donation should be given to the Board to enable construction of a pucca building structure.
2. Only qualified teachers employed by the Vidyalaya will be retained in service.
3. The teachers now working in the Sarada Vidyalaya can be started only on the initial pay in the time scale so that no hardship may be caused to the teachers already under the service of the District Board.
4. The service put in by the teachers in this school (Sarada Vidyalaya) alone will be taken into consideration in deciding the seniority and not service in any other private institutions prior to it.
5. In view of the meagre strength in the various forms, a directive should be issued by the Government restraining the Headmaster, Hindu High School, Madurantakam from admitting girls in his school.
6. The Board cannot run an orphanage. But the Board has no objection to run a hostel provided it is self-supporting which is possible with the annual contribution of Rs.3,600/- promised by the Zamindar. A copy of the letter received from the Zamindar is enclosed for reference.

The resolution of the Board will be obtained at its next meeting on 31-5-49 and communicated in the first week of June.

Early orders may be passed so that necessary preliminary arrangements may be made to take over the management and re-open the school sufficiently early in June 1949.

Madurantakam-transfer of Management to the District Board.

Ref:- Government Memorandum No. 46126-B, 49-1 Edn., dated 22-6-49.

49261

There is no objection to take over the management of Sri Sarada Vidyala Girls' High School, Madurantakam under the District Board without imposing any condition in regard to building. As regards the second condition raised in the above reference, the Board has already agreed to give the present staff of the school, the benefit of their service in this institution and not any other service prior to their entry in this institution- vide condition 4 of the Special Officer's Proceedings No. 94 dated 31-5-49 communicated in this office letter R.O.C.No. 9933-49-A5 dated 15-5-49. The revised scale of pay for teachers in Board Secondary Schools came into effect from 1-1-1947. Most of the teachers in the above Girls' School were entertained in service only after 1-1-1947. Their pay should have been fixed at the minimum in the revised scale then. Instead of that, the Management has evidently fixed the pay of the teachers at the time of their entertainment in the institution without reference to the general principles on which refixation of salary was ordered in the case of Board School teachers. Kind attention of Government is invited to the fact that in fixing the pay of the teachers of the Board Secondary Schools in the revised scales of pay excepting in the case of Pandits, their services in the Board alone were taken into account for granting advance increments. Similarly, in the case of the above Girls' School teachers, any other service prior to their entertainment in the Girls' school cannot be taken into consideration for fixing the pay of the teachers. Further if the teachers in the Girls' School with less number of years of service are allowed to draw the same pay as now in the revised scales and with personal pay wherever necessary, it will affect the seniority in service of the existing teachers in Board Secondary Schools who have put in more number of years of service. There will be reasonable discontent among them and claim for similar treatment and higher pay on a par with the teachers in the Girls' School. In the circumstances stated above, the service put in by the teachers in the Girls' School alone can be taken into account for fixing seniority and pay in the revised scale. It is not fair nor justifiable to insist on any further concessions. A copy of the Special Officer's Proceedings No. 4 dated 27-6-1949 agreeing to the condition as revised above is enclosed.

later on towards the cost of construction of a building for the school, it may be accepted. The S.O. is also informed that the pay of the members of the staff taken over in the service of the Dt Bd should be fixed in the revised scale of pay if it had not already been fixed that if the present pay of the member is less than the minimum of the revised scales of pay, his pay should be fixed at such minimum, if it corresponds to a stage in the revised scale, it should be fixed at that stage and if not, at the next lower stage, the difference being treated as personal pay to be absorbed as future increments so that there may be no loss in the emoluments of the existing incumbents on account of the transfer of management. If they are already drawing pay in the revised scale, they should be allowed to draw the same pay but the minimum to scale. The Special Officer is requested to report whether the Dt Bd accepts the above two conditions reconsidering its previous decision.

Transfer of management to District Board, Chingleput.

I have the honour to bring the following to your notice for
immediate orders.

The Director of Public Instruction asked me whether I would
be willing to hand over the school to the Chingleput District Board
and I agreed to do it in my letters dated 1-5-1949 and 5-6-1949. The

Ref:- G.O.Ms.No.2247 Edn., dated 12-7-49

The management of Sri Sarada Vidyalaya Girls High School, Madurantakam maintained by the Zamindar of Chunampet was transferred to the District Board by the Government in their order No.Ms.No.2247 Edn., dated 12-7-49. The District Board took up the management of the school on 15-7-49. The strength of the school is 131 as shown below:

VI Form.	..	7
V Form	..	2
IV Form	..	4
III Form	..	1
II Form	..	1
I Form	..	3
		<u>11</u>

Out of the 131 student 83 are attending the school from outside districts. They are residing in a hostel, maintained privately by the boarders. Most of the pupils are reported to be poor and paying mess charge of about Rs.15 p.m. It is reported that even this small amount could not be collected from these pupils and the hostel could not be run without outside help. The school depends on the hostel for its strength. As the District Board cannot maintain the hostel, there is no chance of having strength of over 50 students in the High School next year. In that case, the Board cannot undertake to maintain such uneconomic school from 1950-51. Besides the question of accommodation has not been solved. The school is located in a rented old cinema shed, without ventilation and privacy. It is most unpleasant to run the girls High School in such a place. No other suitable buildings also available for the school. The construction of a building by the Board is out of question in view of the present financial position of the Board. The Government have also passed orders in their order Ms.No.435 L.A., dated 28-2-50 on the budget estimate for 1950-51 to retrench expenditure in all directions especially on Public Health and Secondary Education. No contribution for building funds can be expected from the people of the locality. Considering the above aspects I do not know how to manage the institution. I therefore solicit clear instructions on the matter.

Resubmitted.

This school was opened 5 years back by the Zamindar
of Chunampet and was transferred by him last year to the
District Board, Chingleput. The transfer of management was
approved by Government in their order No.2247 Education
dated 12-7-1949.

The strength in the school as on 7-7-1950 is as
follows:

Form I 15; Form II 13; Form III 15 = 43
Form IV 8; Form V 18; Form VI 17 = 43

The President, District Board has reported that 6 more
admissions are expected in Forms I to III and 3 more in Form IV.
Taking into account these expected admissions, there will be the
required minimum strength in Forms IV to VI while the strength
in the lower forms will be uneconomic (being less than the
prescribed minimum of 60).

Besides the low strength in the School, the accommoda-
tion is not suitable and adequate and the President, District
Board has stated in his letter that the financial position of
the District Board does not permit it to construct a building
for the school. It is not desirable to continue the school in
its present condition but if it is closed now the pupils will
suffer. The President, District Board, may therefore be informed
that the school may be continued during 1950-51 and in the
event of the District Board finding it unable to continue
beyond 1950-51 they may apply for previous approval of the
Department for closure provided such closure does not
contravene the provisions of the G.O. No. 2247 Education
dated 12-7-1949. The President, District Board may also be
advised to inform the Zamindar of the Board's intentions
to close the School.

In G.O. no 2247 Edu D 12-7-49. the Govt sanctioned the transfer of the management of the Sri Sarada Vidyalaya Girls High School, Madurantakam, from the Zamindar of Chumampet to the D+Bd Chingleput subject to the following conditions among others:-

1. The D+Bd should provide the school with adequate staff, accommodation and equipment after the transfer of the management of the school if it is found wanting in any of these respects by the inspecting officers.
2. The hostel attached to the school should continue to be maintained by the Zamindar even after the transfer of management of the school to the D+Bd.
3. The D+Bd will be paid a recurring teaching grant based on two thirds of the approved net cost of maintenance of the school in the previous financial year.

2. The PDB Chingleput has reported that the building in which the school is now located is unsuitable no other suitable rented building is available and that the hostel on which the school depends for its strength is not properly run. As the finances of the D+Bd will not permit the construction of a building for the school or to maintain a hostel and the D+Bd cannot afford to run an uneconomic school, he requests recommendations as to what should be done. The DPJ says that it is not desirable to continue the school in its present condition.

but if it is closed down now the pupils will suffer. He therefore suggests that the D.B. should be asked to maintain the school during 1950-51 and in the event of the D.B. finding it unable to continue the school beyond 1950-51 it should obtain the previous approval of the Dept for closure provided such closure does not contravene the provisions of G.O. 2247 Edn of 12-7-49. The Director also suggests that the D.B. Chingleput may be advised to inform the Zamindar of the Board's intention to close the school.

3. The strength of the school is likely to improve if suitable accommodation is provided and satisfactory hostel arrangements are made. The D.B. may be asked to tackle this problem in consultation with the Zamindar.

In the G. O. cited above the transfer of the management of Sri Sarada Vidyalaya Girls High School, Madurantakam to the District Board, Chingleput was ordered. Accordingly, the school was taken over by the District Board from 15--7--49. With reference to the condition No. 2 in para 1 of the G. O. cited above the previous management should bear all the outstanding liabilities on the date transfer and the District Board should undertake liability only from the date of taking over of the management.

p 14 of R

2 In para 2 of the above G. O. the Government have ordered that the grant due for the year 1949-50 would be paid to the District Board, Chingleput. It is not clear from the above orders whether the District Board is entitled for the grant for the period prior to the date of transfer i.e. 15-7-49. In similar cases (Vide G. O. Ms. No. 1705 Education dated 6--6--50) Government have ordered the payment of grant to the previous management for the period till the date of transfer. * and G.O. Ms. No. 1849 Edn dated 23-6-50)

p 31 of G

p 24 of S

3 Orders may therefore be issued at an early date clarifying the position so as to enable me to sanction the grant due for the period upto 14-7-49 when the school was under the management of the Zamindar of Chunnampet.

that in this case also the grant due to the school till the date of transfer

Sir,

Sub: Grant - Teaching - Board Girls' High School, Madurantakam -
Payment for the year 1949--50 - Orders.

Ref: Government Memorandum No. 12420-B-51-2 Edn., dated 20-2-1951.

In their Memorandum cited above Government have instructed the Director of Public Instruction, Madras to pay the teaching grant in respect of the Board Girls' High School, Madurantakam to the previous management from 1-4-49 to 14-7-49 i.e., for the period prior to the transfer of the management to the District Board with effect from 15-7-49.

In this connection I have to invite the attention of Government to their Orders in G.O. Ms. No. 2247 Edn., dated 12-7-1949 sanctioning the transfer of the management to the District Board from the Zamindar of Chunampet subject to certain conditions. One of several conditions is that the Zamindar would be eligible to receive the grant for 48--49 and that the District Board would be paid the grant for the year 1949--50. From the instructions contained in the Memorandum of Government cited it appears that the condition imposed favourably to the District Board is being withdrawn. When the transfer of the management was effected on the orders of Government satisfying the conditions imposed by them, it will be a hardship and a loss of revenue to the District Board, if a favourable condition is withdrawn. The amount of grant lost by the Board is Rs. 3188 and the District Board cannot afford to forego this amount especially when its financial condition is not sound.

I enclose for the information of Government a statement of receipts and charges in respect of the Board Girls' High School, Madurantakam for the years 1949--50 and 1950--51. It will be seen from the statement that the District Board has incurred a net expenditure of Rs. 13,311 in these two years towards the maintenance of the school. The maintenance of the school is a drain on the resources of the District Board. However, Government in their Memorandum No. 8276-B-50-3 Edn., dated 2-8-50 passed orders to maintain the school.

Under these circumstances I request that the Government may be pleased to revise their Orders in their Memorandum read above and pass orders for payment of the teaching grant of Rs. 3188 to this District Board.

12430-1-51-2 Mad., dated 20-2-1951.

In their Memorandum dated above Government have instructed the Director of Public Instruction, Madras to pay the teaching grant in respect of the Board Girls' High School, Madurantakam to the previous management from 1-1-49 to 1-7-49 i.e., for the period prior to the transfer of the management to the District Board with effect from 1-7-49.

In this connection I have to invite the attention of Government to their Orders in G.O. No. 2247 Mad., dated 12-7-1949 sanctioning the transfer of the management to the District Board from the Sanitar of Chingleput subject to certain conditions. One of several conditions is that the District Board would be eligible to receive the grant for 48-49 and 49-50. The District Board would be paid the grant for the year 1949-50. From the conditions contained in the Memorandum of Government dated it appears that the condition imposed favourably to the District Board is being withdrawn. When the transfer of the management was effected on the orders of Government stating the conditions imposed by them, it will be a hardship and a loss of revenue to the District Board, if Board is Rs. 3188 and the District Board cannot afford to forego this amount especially when the financial condition is not sound.

I enclose for the information of Government a statement of receipts and charges in respect of the Board Girls' High School, Madurantakam for the years 1949-50 and 1950-51. 2. Kind attention is invited to this office
Telephone Message No. 30 D2/51 dated 29-3-51 to the
Government and to the orders of Government thereon
in Memo. No. 12420-B/51-2 Education dated 20-4-51.

3. The President, while arriving at the net cost
to the Board for 1949-50 has omitted to take into
account the Government grant of Rs. 4,366/- paid for
that year. Thus the net cost met by the Board for
1949-50 is only Rs. 1792/- and not Rs. 6158/-. Then
excluding the grant of Rs. 4366/- paid for 1949-50
and accounted for in 1950-51, the net cost to the
Board as at present will be Rs. 11519/-. This will
be considerably reduced when the Teaching grant for
the year 1950-51 is paid. But for the original
orders of Government, the Board has no legal claim
over the grant for the period prior to the date on
which the school was transferred to the Control of the
Board as the private management has met the
expenditure relating to this period.

4. Schools under local bodies are paid teaching
grant on the basis of half the approved net cost.
The payment of grant at 2/3 net approved cost to
this school is in itself a concession.

P.T.O

Schools - Secondary - Aided - Sri Sarada Vidyalaya
Girls' high school Madurantakam - Transfer of manage-
ment to the Dt. Bd Chingleput

From the D.P.I., R.C.No 2788 G2/48 dated 14-6-49

In connection with the future management of the
secondary schools in Zamindaries consequent upon the
abolition of the Zamindaries, the D.P.I. has examined
the question of transfer of the management of the
girl's high school at Madurantakam from the Zamindar
of Chunampet to the Dt Bd Chingleput. The school is
now located in a rented building and the Zamindar
has agreed to the conditions usually imposed in regard
to the transfer of management of such schools to local
bodies except in regard to the transfer of building.
The Dt Bd insists on the Zamindar providing a building
or making a liberal donation for the purpose
of constructing a pucca building for the school. The
D.P.I. points out that the Dt Bd should be prepared
to take over the school without a building or any
compensation in lieu thereof. The Director
also points out that the condition stipulated by the
Dt Bd in regard to the fixation of the pay of the
staff in the minimum of the time scales cannot also
be accepted. The S.O. Dt Bd may be consulted whether
the Dt Bd is willing to reconsider its decision in regard
to these conditions.

2. In regard to the hostel, the Zamindar may be left
to run the hostel himself.

3. In the circumstances ^{stated} in para 2 of his
letter on page 2 C.F, the D.P.I. doubts whether the
institution should be treated as an institution main-
tained by the Zamindari estate and the concessions
allowed in respect of such schools transferred to

paid for that year. The net cost to the Dt. Bd as at
present will be only Rs 11549/- excluding the grant of
Rs 4366/- paid for 1949-50 and accounted for in 1950-51.
This will be considerably reduced when the teaching grant
for the year 1950-51 is paid. As already ordered in Govt
Memo no. 12420 B/51-2 Ed d. 20.4.51, the Dt. Bd will be
paid teaching grant only from the date of taking over of
the school. The payment of grant to the Dt. Bd at two
third net approved cost of the school is in itself a
concession. In the circumstances explained, the Govt see
no reason to revise the orders issued in Govt Memo
no. 12420 B/51-2 Ed d. 20.4.51.

the management of local bodies should be allowed in this case, viz teaching grants on the basis of two-thirds of the net cost instead of on the basis of half the net cost. The remarks of Revenue may be invited u.o. (It may however be mentioned in this connection that even if the school is not to be regarded as an institution maintained from the income from the ^{chunampet} Zamindari, if the private management is not in a position to maintain the school, the question of transferring it to the Dt Bd will still have to be considered and if the finances of the Dt Bd does not permit the incurring of the additional liability on account of taking over the management of the school, the Govt will have to make as a special case the teaching grant now paid to the school to the Dt Bd as a special case as thereby the Govt ~~will not~~ not put to any extra cost.)

To A.S. The notes also may be perused. The question whether the school is to be regarded as an institution maintained from the income from the estate is one to be decided with reference to the actual facts of the case. This Dept. have no information on this point. ~~It is suggested to advise on the action to be taken in this case.~~ A reference to the Collector concerned may help. The file may be returned to E.P.H.

on 11.10.49. The Dt Bd has in its resolution of its previous resolution agreed to take over the management of Sri Sarada Vidyalaya Girls High School, Madurantakam, without imposing any condition in regard to the offer of a building or donation by the Zamindar of Chunampet. In regard to the fixation of pay of the members of the staff of the high school in the revised scales of pay applicable to the members of the staff in S.B.S. Secondary schools, the Bd has proposed to fix the pay allowing them increments taking into account their service in the institution only. Instead of at the minimum as previously resolved this may be accepted.

It is stated that Chunampet Estate is a Zamindari area & will be affected by the Madras Estates (Abolition and Conversion into Ryotwari) Act 1948. The concession in regard to payment of teaching grants on the basis of two-thirds of the approved net cost ^{admissible to aided schools} instead of half the net cost admissible to institutions under local bodies may be allowed in this case. 2. The general question that secondary schools in Laminarice should be transferred to the

management of the local body concerned if on account of the abolition of Zamindaris, the Zamindar concerned is unable to maintain the schools & is willing to transfer the management to the DWS or Mel el concerned and that in the case of such transfers, the teaching grant on the basis of two thirds of the approved net cost which is being paid to the management of the aided secondary school should be paid to the local body which takes over the management in order to reduce the extra expenditure involved from the funds of the local body in taking over the management of such schools was decided after consulting the Finance Dept and circulating to the file to HM (Fin). The go. is put up in another file. There is no objection to the suggestion of Fin that this case may be circulated to HM (Fin). The proposal is set out in the Fin Dept's note on page 5 ante.

The file may be circulated to HM (En & L) & HM (Fin).
