Employment of an Assistant Lecturer in Psychology

The Government Muslim College Madras provides instruction in Psychology and Logic under Part III of the Intermediate. There is only one Assistant Lecturer in Psychology to handle both the subjects. The Principal reports that in 1949-50 there will be full 16 hours of lecture work besides the correction of about 200 note-books per week in the two subjects and states that it is not possible for the existing single member to cope with the work. He therefore requests sanction for the employment of an additional Assistant Lecturer in Psychology from the beginning of the academic year 1949--50. While granting <sup>application</sup> application to the college in Psychology in 1947--48 the University stipulated the employment of a Tutor or an Assistant to the Lecturer from the second year i.e. 1948-49. The Principal states that a Tutor will not serve the purpose and that an additional Assistant Lecturer is necessary. I am convinced that there is a need for an additional Assistant Lecturer in Psychology in the college from 1949--50. In this connection I may point out that consequent on the closure of the Intermediate classes in the Presidency college there is no need for the post of Assistant Professor in Logic there from 1949--50. I recommend that this post may be transferred to the Government Muslim College and converted into that of an Assistant Lecturer in Psychology with effect from 1949--50.

Yours faithfully

Sir,

Sub: Colleges--Government Muslim College--Madras  
Employment of an Assistant Lecturer in Psychology

The Government Muslim College Madras provides instruction in psychology and logic under part III of the Inter-University Commission. There is only one Assistant Lecturer in psychology to handle both the subjects. The Principal reports that in 1947-50 there were full 16 hours of lecture work each the correction of about 2000 note-books per week in the two subjects and states that it is not possible for the existing single member to cope with the work. He therefore requests sanction for the employment of an additional Assistant Lecturer in psychology from the beginning of the academic year 1949-50. While granting sanction to the college in psychology in 1947-48 the University stipulated the employment of a Tutor as an Assistant to the Lecturer from the second year i.e. 1948-49. The Principal states that a Tutor will not serve the purpose and that an additional Assistant Lecturer is needed. I am convinced that there is a need for an additional Assistant Lecturer in psychology in the college from 1949-50. In this connection I may point out that no comment on the closure of the Inter-University Commission in the Presidency College there is no need for the post of Assistant Lecturer in psychology from 1949-50. I recommend that the post of Assistant Lecturer in psychology be converted to that of Assistant Lecturer in psychology and logic and be transferred to the Government Muslim College, Madras.

2. The P.A. is requested to report whether the post of Asst. Prof. proposed to be transferred from the Presidency College is a permanent or temporary one. In the latter case the conversion sanction will also be temporary & limited to the period for which sanction is given.
