Joint Secretary, Dharmapuri, Salem Dist.,

McDONALD.

I have the honour to submit that it is with great regret and saddest disappointment that the citizens of this taluk and the neighbouring taluks heard the fact that the Middle School for Girls started at Marupuri last year is to continue only as a Middle School even this year. What was agitated for years was for a High School for our Girls here and subsequently to be raised to a college. Infact a High School was granted for the Northern half of this District and Salem Girls High School catering for the Southern half. Now the reasons for making it a Middle School alone passes our comprehension and the reasons for this action need public enquiry here. The Inspector of Girls Schools IV Circle has strongly recommended the opening of the IV Form ^{this} year. More than 40 of our girls have been thrown out like fish out of the water for want of ^{of the} opening IV forms. When our boys find it very difficult to get accommodation in the Colleges now a days. Is it possible to get admission for our girls in the High School classes either here or else where. The question of mixed schools remains ^{involved} even to-day. Is it possible for any parent in these parts or for anybody for that matter, to send their young girls their ^{their} outel homes for three reasons. 0 (1) their tender age (2) cost of living out of the towns (3) want of proper hostel accommodations.

It is needless for me to say that the Government coffers are filled
by us merchants and agriculturists with ^{any} very number of taxes from day today
we are indeed having the greatest ^{and} patience for all the direct and indirect
taxes imposed upon us and meekly re

6
finger even. While it is so it is the interest out of all that you are giving us all by not raising the status school by evening IV Form. I way has our own popular Government promoting female education in the interior backward parts.

Under these circumstances cited above I humbly beg to request you to immediately issue very urgent orders to open Form IV immediately and help our girls to continue their studies instead of idling her time at home till next school year and forgetting what they have learnt with difficulty and with sanitary difficulties especially English which they had to pick up from the alphabet.

Yours faithfully,

G. Subramanian
Joint Secretary.

To

The Honourable the Education Minister,
Government of Madras,
Fort Saint George,
MADRAS.

Sir,

In continuation of my letter of the 11th instant requesting to send very emergent Orders by wire to open Fourth Form in the Girls' Middle School here, I humbly beg to submit that I regret very much that no orders have so far been received even though many days are gone by in this term.

It is needless for me to submit that the Extra expenditure that has now to be incurred in opening the IV Form is only the appointment of an additional Assistant B.A., L.T., on Rs.85/- p.m. This will be doubly paid back by fee collections from the 50 girls that would read in the Class even allowing Half Fee concessions to 25 of them, the excess amount that will be collected after paying the additional B.A., L.T., Assistant for one year at Rs.85/- p.m. inclusive of Dearness Allowance is Rs.1000/-. This will be useful for opening V Form the year after next.

As regards accommodation and furniture there is ample space and furniture in the present building. One Private Lady is ready to place her garden in the outskirts of this town free for play ground in the outskirts of this town free for play ground for girls.

Even if there is no provision made in this year's Budget for this inspite of the strong recommendations of the Inspectress of Schools IV Circle, Salem, still the expenditure if any, which is highly doubtful in view of the fee collections, can be met by appropriation from the unspent balances under other heads or a supplemental Budget may kindly be provided.

In these circumstances I humbly pray that you will be pleased to issue very emergent orders by wire to open the IV Form at once in keeping with your splendid speech at the opening ceremony of the National High School for Girls, Triplicane last week.

Yours faithfully,

G. Subramania Chetty
Joint Secretary.

In continuation of my letter of the 11th inst. regarding the opening of the Fourth Form in the Girls Middle School here, I humbly beg to submit that I have very much to say in this regard.

It is requested that the Government may be pleased to grant permission to open the Fourth Form in the 1st week of July 49 in the Girls Middle School here and that opening ceremony to be done by your Hon'ble Self either on your way to Bavanji or back.

As regards the furniture and other appliances lying idle in the abolished Mohamadan Girls Training School Shevaret, Salem from 1-4-49. The Inspectress of Girls School IV circle has already recommended this.

Pray grant us permission for both by wire and oblige. Do a little wrong to confer a greater Boon on our young Children.

Sir,
 I humbly beg to remind you of my letters of the 11th inst and 20th inst and submit all that we now request you is only to grant us permission to open the Fourth Form in the 1st week of July 49 in the Girls Middle School here and that opening ceremony to be done by your Hon'ble Self either on your way to Bavanji or back. Pardon me when I submit that one need not worry oneself whether there is any Budget Provision for this year or not. In fact we know there is none. But we beg to assure you that we will run the Fourth Form this year with one more B.A.L.T. this year and the Fifth Form next year with another B.A.L.T. assistant from out of the School fee collections without any harassment to the parents and others and into the Government and out of the Rs 950/- ~~promised~~ for this School for furniture and other appliances lying idle in the abolished Mohamadan Girls Training School Shevaret, Salem from 1-4-49. The Inspectress of Girls School IV circle has already recommended this.

R.C.No. 1380-K3/47 dated 26th June 1949.

Sir,

Schools—Government Middle School for girls, ^{Dharmapuri -} ~~Dharmapuri~~—Opening of Form IV in the current school year—Recommended.
Reference:—Government Memorandum No.45203-B1/49-1-Edn., dated 16th June 1949.

49515

In resubmitting herewith the enclosures received with the Government Memorandum cited above, I have the honour to state as follows:

✓ The Government Middle School for girls, Dharmapuri was opened on 26.7.1948 with reference to G.O.No.1265-Education dated 18.5.1948. The Inspectress did not submit proposals for the opening of Form IV in the school in connection with Part II Schemes for 1949-50 apparently for the reason that the school was opened only recently. She however requested in March 1949 permission for the opening of Form IV in the school, and as it was too late then to consider the question she was requested to renew her proposal in connection with the Part II Schemes for 1950-51.

The strength of the school during the school year 1948-49 was as follows:-

Form I (2 sections)	..	63
" II (1 section)	..	31
" III "	..	34
		128

Definite information as to whether the opening of Form IV in the current year and the opening of higher forms in subsequent years will entail the construction of additional blocks, is not available. When proposals for the opening of middle school for girls was submitted by the Inspectress she reported that the existing building will accommodate 300 pupils. Further as 8 standards of the Elementary school were accommodated in the school building prior to its transfer to Government it is presumed that there will be enough space to accommodate the new forms. Since the leading public of Dharmapuri are very enthusiastic about the development of the school into a High school and as I consider that Form IV if opened will have economic strength, I recommend that Government may be pleased to sanction the opening during the current school year of Form IV in the Government Middle School for girls, Dharmapuri and also sanction the employment of a L.T.Assistant and a Tamil Pandit, Grade II therefor during the current school year. As there is no Physical Training Instructresses in the school at present, I request that a Physical Training Instructress in Grade I may also be sanctioned.

Yours faithfully,

C. Sankaran 28/6.

As the D.P.I. has not given any special reasons for the appointment of a Physical Training Instructress ⁱⁿ Grade I, this Dept. may suggest that a P.T.Instructress Grade II on Rs 45-75 may be appointed.

As the cost in the proposal is less than Rs 5,000 p.a. recurring, the proposal need not be placed before the S.F.C. and the Cabinet.
