Extract from the letter from the Director National Cadet Corps No 0235/49/N.C.C. dated 4-4-49

National Cadet Corps Allowances for officers and cadets

1. I am directed to refer to Rule 36 of the National Cadet Corps Rules wherein the allowances authorised for officers and cadets have been specified. I am to put forward the following proposals for the grant of certain additional allowances, either in cash or in kind, for these officers and cadets. It has been found by experience that it is necessary to grant these allowances.

5 Washing and cleaning allowances to officers and cadets

(a) In para 3 of my D.O. letter No 0010/48/N.C.C. dated 8-7-1948 I had put forward proposals to ensure that clothing issued to cadets is kept clean so that they may turn out smartly in parade. It has been reported that in most cases no action has been taken on these proposals

(b) Officers and cadets have represented that the cost of washing of uniforms and the articles required for cleaning boots and equipment is comparatively high and in majority of cases causes additional expenditure which they cannot meet. It is therefore recommended that a washing and cleaning allowance of Rs 2 per month per officer and cadet be paid to the officer commanding or headmaster. The officer Commanding or the headmaster shall make necessary arrangements either by employing a dhobi for washing the uniforms of all officers and cadets of the unit and buying centrally boot polish and equipment cleaning materials or by paying the allowance in cash to the personnel concerned. This allowance should only be paid during the periods that training is in progress which it is understood extends to 5 months for the senior Division units and 6-7 months for Junior Division Units.

Ref: Your No. 25169-B1/49-4 Ebn dated 25th Apr '49 and

With reference to letter No. 0235/49/NCC, para 5(b) from the Director, National Cadet Corps, it is noted that the Washing and Cleaning allowance of Rs. 2/- per cadet per month, is recommended, but in your G.O. No. 1606 Ebn dated 17th May '49 no provision is made for incurring the above mentioned expenditure.

As the training has already started, it would be very much appreciated if you send me an urgent reply.

Yours faithfully,
Capt. R.E.H.,

Edn. 8) 12/7/49

The Officers Commanding the units of the Senior Division of the Ncc are permitted to incur expenditure on the washing of uniforms and cleaning of boots and equipment of the Ncc officers and cadets on rolls in their unit at the rate of Rs. 2 per month per officer and cadet during the period ~~when~~ the training is in progress (for 5 months in a year.) They should make necessary arrangements either by employing a dhobi for washing the uniforms of all officers and cadets of the unit and buying centrally boot polish and other cleaning materials for equipment or by paying the allowance in cash to the personnel concerned. If the allowance is paid in cash, the expenditure should be met from the provision for the unit under 3-Allowances and Honoraria to officers and cadets, but if a dhobi is employed and the cleaning materials are purchased centrally, the expenditure should be met from the provision for "other charges". The maximum expenditure for each unit will be as shown in the annexure.

2. The Officers Commanding the units are informed that ~~the allotment~~ ^{the allotment} under Allowances and Honoraria to officers and cadets includes ^(allowance) towards the payment of washing and cleaning allowance, but if the provision is found to be insufficient on account of payment of the allowance at the rates specified in para 1 above, they may apply for the necessary additional allotment during the course of the year.

Sir,

I am to refer to GO Ms No.2256 Edn dated 12 July 49 and to represent that in particular case of Engineering College Guindy, it has not been possible for 3 Madras Engr Platoon NCC to finish the training in 5 months. Due to limited number of days available for training per week and other activities of the College, the training was completed in 7 months in year 1949/50. Consequently, expenditure on washing was incurred for 7 months as opposed to 5 months allowed normally.

2. It is therefore requested that authority may be given for 3 Madras Engr Pl NCC to cover extra expenditure, namely washing allowance for 2 months.

Subject:- WASHING ALLOWANCE

Sir,

I am to refer to your GCMs No. 2256 Edn dated 12 Jul 49 and to request sanction from the Govt of Madras for drawing an additional washing allowance of Rs. 38/- for one month in respect of 19 cadets of 2nd Madras EME Sec NCC who attended parades in 1949-50 for six months instead of 5 months. This was necessitated due to the fact that this unit is a technical one and parades were spread ^{over} a longer period.

2. I am to forward, in this connection, a copy of letter No. T-56/18/EME/50 of 1 May 50 from HQ 2nd Madras EME Sec NCC.

Subject:- WASHING ALLOWANCE - NCC CADETS.

This Section conducted 6 months training during the year 1949-50 (Sept 49 to Feb 50). It is therefore requested that sanction from the Madras Govt may please be obtained to draw the washing allowance for 6 months instead of 5 months in the year 1949-50. The number of cadets attended the parades in February 1950 is 19 and as such sanction for an amount of Rs.38/- is requested (Rupees thirty eight only).

The delay in representing the matter is regretted. This is because that this office was expecting a general ruling from the Madras Govt on the matter when 3rd Madras Engr Platoon, NCC represented the case but only sanction for that Platoon was accorded as per (G.O.Ms) Memorandum No.2122-B/50-2 Education dated 22 March 1950.

ALLOWANCE TO OFFICERS AND CADETS.

h/anku
With reference to your letter No.9948-B/52-1 Edn dated 29th March 52, I am to state that in the majority of the Units the allowance is paid in cash by the Officers Commanding the Units to the company commanders in the colleges who arrange to pay the cadets either in cash or engage washermen locally. The present arrangement to pay the allowance in cash is satisfactory and I do not consider that it will be economical to arrange for the washing of clothing centrally. A cadet has two sets of Uniforms and he has to wash them at least once in a week as he does 3 parades in a week. To wash the 4 pieces and to get them starched properly he has to pay as.8/- per week. In a month 4 washes are to be done for which the cost comes to Rs.2/- Whether a washerman is engaged or whether the cadets are allowed to get the clothes washed in a laundry, this amount will have to be expended as the charges are the same i.e. a minimum of annas 2 per piece. Moreover in Units such as 1st Madras Bn, Madras, 2nd Madras Bn, Trichinopoly and 3rd Madras Bn, Waltair, it will not be possible to arrange for the washing of the clothing centrally as the units are not only spread in several colleges but also in different towns.

2. I am, therefore, to recommend that the present arrangement of paying the washing allowance to officers and cadets in cash may be allowed to continue.

Yours faithfully,

Subject:- NCC : SENIOR DIVISION UNITS : WASHING & CLOTHING ALLOWANCE TO OFFICERS AND CADETS.

With reference to your letter No 9948/B/52/2 Edn dated 26 Apr 52 and 9948/B/52/3/dated 23 May 52, I am to state that the question whether in colleges where facilities already exist for washing of clothes belonging to students residing in the Hostels attached to colleges, they cannot be availed for washing the clothes of the Officers and Cadets has been examined in consultations with the OsC Units. All OsC Units are unanimously of the view that the present system of cash payments is definitely ~~cheaper~~ more advantageous than the system of central washing which involves the following difficulties:-

- a) All cadets do not reside in hostels. Some are in hostels and some come from home.
- b) In most of the hostels there is no central arrangements. Dobbies have direct dealing with the students. There is no compulsion that students should put their clothes to a particular dobie.
- c) It will involve additional work on the meagre staff of the NCC units if washing should be arranged centrally against odds.
- d) Cadets come from distant places in place like Trichinopoly. They cannot be asked to bring with them the dirty clothes from home to central place of washing.
- e) Additional storage space will be required to arrange central washing. There is every likelihood of clothes getting mixed up.
- f) The entire responsibility will devolve on the unit and it will become difficult if some dobie's loss occurs.
- g) If cadets are given cash payments the entire responsibility to get them regularly and properly washed rests with them.
- h) Lastly, central washing is no way cheaper than cash allowance.
