Subject: School shed fallen in Cyclone- Repairs to.

Secretary to Government
Department of Education
Government of Madras.

Dear sir,

In the big Cyclone that damaged Signals of Railways and telegraph posts at Kattupakam in June last, the roof of our school shed was badly damaged. We immediately applied to the Collector and both the Revenue Inspector and the District Harijan Welfare Officer surveyed the damage made out an estimate and recommended that a moiety be contributed. By his letter A-3-10858-48 dated 21-12-48 the Commissioner for Labor wants me to apply to the Educational Department as this is a school shed. Between the Departments we are being kicked without any relief being got from anybody for a damaged roof. As it is too late now to go through all the routine of the Deputy Inspector, D.E.O and all that, and in view of the Survey of damage, estimate &c that has already been made, may I request that you will be so good as to call for those papers and see that some grant is made at least by the Educational Department.

Our letter to Collector of
Chingleput dated
26-5-48
16-8-48
6-11-48.

Yours, In Service of the Lord,

With reference to the Government endorsement cited above,
I have the honour to state that it is reported by the inspec-
ting officers that the Collector of Chingleput has estimated
the damages to the extent of Rs.380/- and also recommends
a compensation of Rs.190/-, may be paid to the institution.
vide copy of the Collector's letter R.C.No.184-PR/48 dated
9--12--1948 (enclosed).

The Manager appears to have carried out the necessary
repairs at his cost to make the building fit for running the
school. The school is mainly run for the benefit of Harijan
children. I recommend that the Manager may be paid one half
of the Collector's estimated value of the repairs done to the
school (viz. Rs.190/-) and the expenditure met from the allot-
ment under Building Grants for aided elementary schools in the
Budget Estimate for 1949-50. and that the usual formalities
regarding building grants may be dispensed with and the grant
paid on a certificate furnished by the Deputy Inspector of
Schools.

Ref:- Petitions dated 29-11-48 and 1-12-48 from the Secretary
of Sivananda Saraswathi Sevashram.

The petitions cited above for sanction of a grant
from the discretionary funds of the Commissioner of Labour.
to meet the expenditure connected with the repairs of the
school shed at Kattupakkam are enclosed. The thatched roof
of the school shed is very much damaged by a fierce wind.
It was inspected by the District Harijan Welfare Officer and
the Special Overseer and the estimated cost of putting it in
order is about Rs.380/- including the charges for whitewashing
the walls etc.

The school is mainly run for the benefit of the
Harijan children belonging to the several villages around
Kattupakkam. Hence, a sum of Rs.100/- being half, the cost
of the repairs may be granted from Commissioner of Labour's
Discretionary funds, for putting the shed in order.

The school run by the Sivananda Saraswathi Sevashram, Kattupakkam is an Institution aided by the Education Department. Besides the grant applied for by the Ashram was for the purpose of improving the shed of the school. This is not one of the objects for which discretionary grants can be given by this Department. In the circumstances, the Correspondent of the Ashram was informed by the Commissioner of Labour that it was not possible to award a discretionary grant to the Ashram and that he should seek the aid of the Education Department in the matter.

Subject: Grant for cyclone relief
G.O. No. 2261 Education dated 13th July 1949

To The Secretary to Govt.
Department of Education, Madras.

Sir, In May 1948 a fierce cyclone blew off a portion and badly
damaged the rest of the shed of the school building of our Ashram.
As our school is mainly run for the benefit of the Harijans of the
surrounding 18 villages, we applied to the Commissioner for Labour, to
grant us a moiety of the expenditure, after spending our moiety immediately in
putting the shed in a fit condition to run the school. After inspection
by the District H.W.O. and the Special overseer the estimated cost was
put at Rs. 380 and half grant of Rs. 190 was recommended by the Collector
to the Commissioner for Labour by his letter RC.184-PR/48 J.5 dated
9-12-48.

But the Commissioner for Labour by his letter to us No. AS.
10858/48 dated 21-22-48 said that our school is an aided one we should
apply to the Education dept for this grant.

E/pick

(E) On the strength of the recommendation of the Collector already made we applied to the educational department by our letter dated 25-1-49 and by the above G.O. Government were pleased to sanction the amount but added that it will be paid on a certificate from the Dy. Inspector of Schools that the cost of the repairs is reasonable.

Since its being put in order in May 1948 the shed has again deteriorated now on account of the fact that the ravages of whiteant is very severe at Kattupakkam and thatched sheds get very easily eaten up. To avoid this heavy recurring expenditure we have now decided to cover up the roof with Mangalore tiles and have actually brought on the site 1500 Mangalore tiles of the value of about Rs.300.

(E) When we asked the Dy. Inspector to give us the required certificate he has written to us that unless the existing shed is repaired to the extent of Rs.380 he cannot issue the certificate. The existing repairs belong to 1949 while the grant made by the Govt. relates to the cyclone damage of 1948, in respect of which the special overseer has made a survey, the Dist.H.W.O. has made an inspection, the Collector has certified to its reasonableness and only the funds out of which the expenditure has to be met was in question. That is why the Govt. have specifically stated in this G.O. that they sanction this expenditure "as a special case", without the formality of a formal building grant, viz, completion report etc.

We have already spent our moiety for this 1948 damage in putting the shed in proper condition to run the school immediately after the cyclone. At the present moment the Dy. Inspector cannot be in a position to get an idea of the extent of the cyclone damage of 1948. We have actually brought on the site 1500 Mangalore tiles worth about Rs.300 in furtherance of our programme to tile up the roof.

-3- 3/11/90/13

Not Government have given this grant for the damage of 1948 and to effect the repairs of 1949. The Dy Inspector of Schools is apparently under misapprehension that this grant is to effect the repairs of 1949 and that is why he asks us to do the repairs now before he can issue the certificate.

In view of the fact that we have already expended our moiety in May 1948 upon this shed and in view of the survey and certificate issued by the Collector of Chingleput we request you to direct the payment of the grant without a certificate over again from the Dy. Inspector of Schools.

Yours in service of the Lord,

We must have some evidence that the amount has been spent by us. If we can he not obtain a certificate of expenditure from some other authority who has seen the money then we
