G.O. No. 845, Law and Education, dated 8th May 1930.

[Educational Rules—Children of Government servants transferred on public grounds—Regulation of fees—Secondary schools—Orders passed.]

Read—the following paper :—

From the Director of Public Instruction, dated 2nd June 1929, ROC. No. 1990-D/27.

Order—No. 845, Law and Education, dated 8th May 1930.

Under the Madras Educational Rules (Nos. 38, 84, 87 and 91), a pupil who changes his school in the course of a term is liable to pay the full term fee twice over, once to the school which he leaves and later to the one which he joins. Representations having been received that the rules cause hardship to Government servants who happen to be transferred from one station to another in the course of a school term and who are obliged to transfer their children from one school to another, the Government direct :—

(1) That the remission or refund as the case may be of fees provided for in rule 91 be granted in the case of such children as a matter of course instead of at the discretion of the controlling authority; and

(2) that fees be levied in the schools which such children join during the course of a term only for the period they attend the school instead of for the whole term. The pupils in question will

pay to the school which they leave fees due to the end of the month in which they leave it and to the school which they join, fees from the beginning of the month in which they join, subject to the minimum of one month's fee in either case.

(3) The concession will hold good only in the case of secondary schools and should not be allowed to children of Government servants transferred on other than public grounds.

(4) The Director of Public Instruction is informed that no compensation will be payable either to aided secondary schools or to secondary schools managed by local bodies on account of the loss in fee income resulting from the grant of the concession.

A provision of Rs. 540 has been made in the current year's budget for any additional teaching grant that may have to be paid to aided secondary schools.

Sub: Hindu Religious Endowments Board - Officers and

Privilege Extension - Requested.

In G.O. No. 845 Edn. dated 8-5-1930, Government have ordered

that in the case of the children of Government servants who happen to be transferred from one station to another in the course of a school term and who are therefore obliged to transfer their children from one school to another, remission or refund of school fee should be granted and that fees shall be levied in the school which such children join during the course of a term, only for the period they attend the school instead of for the whole term. Officers and servants of the Board are being transferred from one station to another from time to time on public grounds. There are cases where such officers are obliged to transfer their children in the course of a school term from the school in which they study to a school in the station to which the officer is transferred. In such cases the officer has to pay the full term fee in both the schools. This causes hardship to the officer.

Rule 57(1) of the Rules framed in G.O. No. 2934 L & M. dated 10-7-1926, as amended, lays down that save as otherwise provided in the Madras Hindu Religious Endowments Act, 1926 (Madras Act II of 1927), in the rules issued in the said Government order, or any other rules in force for the time being, the conditions of service of all officers and servants

of the Board shall be the same as those prescribed for the Government servants of similar standing and status, in the Fundamental Rules and subsidiary Rules thereunder as for the time being in force. On the principle of this rule as also on grounds of justice and equity, it is just that the concession granted to children of Government servants under the abovesaid G.O., should be extended to the Officers and servants of the Board. I therefore request that the Government may be pleased to extend the provisions of the said order to the officers and servants of the Board as well.

The Exr. of L.F.A. and the D.P.I., who have been consulted on the request of the Pt. H.R.E. Bd., have no objection to its being granted.

It may be mentioned in this

connection that after the enactment of the Hindu Religious and Charitable Endowments Bill, 1949, now before the Legislature the entire Board and its staff will become Govt. servants and the concession referred to in G.O. at (Q), will automatically apply to the children of the officers and servants of the proposed H.R.E. Dept. The Bill has now been referred to a Joint Select Committee, and there is every likelihood of its becoming an Act very soon. In the circumstances, it does not appear necessary now to extend the concessions referred to in G.O. at (Q) to the children, and of the officers &

The proposal of the President, H.R.E. Board, to extend the ^{fee} concession granted to the children of Govt. servants transferred on public grounds ~~admissible~~ under G.O. No.845, Law & Education, dated 8-5-1930, to the children of the officers and servants of the H.R.E. Board has been supported by the D.P.I. and agreed to by the previous H.Pr. - vide p.2 ante. In this connection it may be pointed out that the proposal of the President of the H.R.E. Board that the employees of the Board should be treated as Government servants for the levy of Hospital stoppages, was not approved by Government; the connected papers are in the Firka Development Department. It would seem desirable to have uniformity in these matters. ^{& Finance} Firka Development may again see the case for further remarks.

for purposes of hospital stoppages. In 1948 the Surgeon-General raised in connection with the recovery of hospital stoppages in respect of one of the Commissioner's wife the question whether the Officers and staff of the H.R.E. Board office should be treated as Government servants for the purposes of recovery of hospital stoppages. The Surgeon General was informed that the H.R.E. Board officers are not treated as Government servants. The Commissioner concerned, however, represented to Government that he should be allowed the concession admissible ^{to} for a Government servant in respect of the medical treatment undergone by his wife. ~~Though this request was first negatived but~~ ^{and} this concession was allowed as a special case - vide the papers in Government Memo No.2191/48-2 FD(V) dated 29-6-1948.

With these remarks the file may be passed on to Finance u.o. This Department may also ask for circulation of this case to H.M.(Food) before a final decision is taken in this matter.

Submitted. In connection with the proposal to exempt the Bd. H.R.E. Bd. from the stamp duty in the case of the mortgage bond ^{he has taken,} for the car advance, H.R. (Fin) has ordered that the staff of the H.R.E. Bd. should generally be treated on a par with that of Local Boards.

H.M. (Fin) has further ordered in respect of the fact whether the Local Bd. servants are granted the exemption from the Stamp duty or not, the Bd.

H.R.E.Bd. should as a special case be exempted from the Stamp duty. The concerned file is linked ^{discussed} below.

The Local Board servants are eligible for the refund of school fees on behalf of their children in respect of the secondary schools under the control of Local Bd. and the Govt. servants are allowed this concession in respect of all secondary schools. In view of the

orders of H.M. (Fin) referred to above, it has been quite proper that the servants of Local Bd. H.R.E.Bd. should be allowed the fee concession from the enjoyed by the servants of Local Bd. and Govt.

In view of these remarks the file may be passed on to Fin. no.
