Re.No.1903 B1/48 dated 29-11-1948.

90766
Sir,

Sub: School Museums - Formation of-admission of
expenditure for purposes of grant-in-aid
on the deputation of teachers for training in
museum at the Government Museum Madras -
Sanction requested.

In the departmental instructions issued with syllabuses
it has been pointed out that the value of school museums
cannot be under estimated and that a well organised and
attractive school museum not only promotes the power of
observation of children but also helps the teacher in
making their lessons more practical and interesting.

At present there are no such museums in schools
because of the fact that teachers are not trained in the
formation of school museums. During the recent camp
conference of the officers of the Education Department held
at Saidapet the matter was discussed with the Superintendent
of the Government Museum, Madras. He has kindly agreed to
render the necessary help by giving training to batches of
teachers if this Department can give grants-in-aid for the pur-
pose to intending schools and if a reasonable number of
teachers come forward. In giving training to teachers on the
organisation of school museums he is of the opinion that the
minimum period required for the training will be 9 working
days and the training will be full time running continuously
during the period. The teachers have to be provided with the
following equipments.

Wire R.0-8-0.
Tow R.1-0-0
Scalpel (one) R.1-8-0
A pair of
scissors. R.1-8-0

4-8-0

Besides the above, a pigeon (R.0-12-0) and a rat (R.0-8-0)
will be required for the classes in taxidermy. The total
cost of all these is estimated to be about R.10/-.

To begin with it is proposed to train teachers of
schools in Madras City in the formation of school museums and
extend the scheme to mofussil schools later.

I request that Government may be pleased to approve
the scheme and also to approve the admission of expenditure
incurred by the secondary schools in deputing the teacher for
the museum training at the Government Museum Madras to the
extent of conveyance charges incurred by teachers for the
days of training, the provision of equipment mentioned above
and in the purchase of mastercards, photographs, lantern
slides etc. from the Government museum for purposes of Grant-
in-aid.

Yours faithfully,

J. P. Paulinaud

used over and over again for subsequent classes also,
and that the cost of the items of equipment such as
photographs and lantern slides ^{etc.} should also be included
in the estimated ~~cost~~ cost of the training. It has also
been suggested that the teachers in schools in the City
of Madras deputed for undergoing the training may be
asked to meet the conveyance charges ^{out of their pocket} for the days of
training, as ^(if it is) they would not be much higher than the
conveyance charges incurred by them in going to their
schools. The Director is requested to consider the
above suggestions and to submit a revised scheme ^{at minimum}
~~much~~ less cost.

90766/149-2 E.H.
31/3/49.

The proposal ^{of the DPI} Fin (Exp A) is to start a course of training for teachers in the Secondary Schools in the city in the formation of school museums, at the Government Museum, Madras, and to extend the scheme subsequently to mufassil schools. E.S.P.H. propose that the D.P.I.'s scheme may be approved and that a start may be made in the Madras schools. ² The expenditure that may have to be incurred on the equipment required for each teacher is estimated at Rs 10/-. Besides it is stated that there will be addl. exp. on the conveyance charges and on the purchase of plaster casts, photographs, lantern slides, etc.

1 CF

A above

1 CF

The entire expenditure in this regard in respect of the Govt. secondary schools will have to be met by the Govt. As regards the schools under the Corporation of Madras and under private managements, the expenditure will have to be admitted as approved expenditure for purposes of assessing grants - Half or 2/3rds of the expenditure as the case may be, will have to be given as grant by the Govt. ^{total} The estimated cost to Govt. involved in the proposal ^{as the Madras City Corp.} is Rs 19,305/- ^{apparently} ~~presumably~~ non-recurring) - Rs 2337/- for Govt. secondary schools, ~~and~~ Rs 414/- for the Corporation secondary schools and Rs 1655-4/- for aided secondary schools.

para 6 CF.
2337
414
1655-4
19305-

3. The ultimate liability on account of the proposals may be heavy, as when once the scheme is given effect to in the City, it will have to be extended to the mufassil in subsequent years. In the present unsatisfactory state of the finances of the Province, it does not seem desirable to undertake this fresh liability, especially now when every effort is being made to reduce expenditure all round. In view of this finance may advise against the proposal.

4. The scheme in question is one of "new expenditure" which is not contemplated in the Budget for 1949-50. It should ^{primarily} ~~therefore~~ be brought forward as a Part II scheme for 1950-51, as it does not involve any urgency. If it should be introduced in the current year itself, it will have to be treated as a "new service" and the appropriate "new service" procedure followed.

USA
5449 smg

No estimate of the ultimate cost involved

4
29

in the scheme taking into account the schools in the mufassal is furnished. This should be ~~considered~~ large. In view of the present pressing financial stringency it is impossible to undertake any more new commitments now unless they are of absolute immediate necessity. Finance may accordingly advise that the scheme may be deferred for the present.

If S.O. 12 considers that the scheme is very necessary they may bring it forward as a Part II Scheme in connection with the Budget for 1950-51 after obtaining an estimate of the total ultimate cost taking also the schools in the mufassal into account.

15 APR 1949

27754

Fin. no. 12/47/Exp. 1/2/1
8-4-49

The scheme may be deferred.
If it is to be pressed forth the current year it is essential that the cost should be appreciably reduced. On Feb. gross figures have been given. It is not clear how many teachers are to be trained & the cost per teacher.

So far as the school & seminars are concerned it seems to me that if a no. sufficient for one class are purchased they could be used over & over again for subsequent classes. Also one prism & one set are required for one class i.e. for a no. of teachers put together. It is not clear how the cost can come to Rs 10 (presumably for each teacher to be trained).

The estimated cost of the items such as photographs to be purchased from the museum may also be furnished.

The teachers may well meet the conveyance charges for the days of training - as presumably they would not be very much higher than the conveyance charges incurred in going to school. Would it not be sufficient to train a few teachers for each school? These points may be considered & a revised scheme of less cost may be put forward.

Vide A's implante

The notes on pages 1-4 ante may be perused. The proposal in this file is to give a short Course of training ^{on the organisation of school museums} in the first instance to the teachers in the secondary schools in the City of Madras and then to extend the scheme to the schools in the mufassal. The expenditure involved in the scheme in so far as the schools in the City of Madras ^{are} concerned, has been estimated by the D.P. at Rs. 19,300/-. In view of the pressing financial stringency and in view of the fact that the expenditure will be increased when the scheme is extended to the schools in the mufassal, the Finance Department ~~have advised~~ ^{suggest} that the proposal may be deferred. If the scheme is considered essential, they ~~have suggested~~ ^{suggest} that a revised scheme at much less cost may be prepared and that the details mentioned at 'A' on page 4 ante may also be furnished.

2. The file may be circulated to HM (Edn) for orders whether in the circumstances the proposal may be deferred. ~~for the~~

[Memo. no. 90766.181/48-25th. dated 22.4.1949]

From the 209, R.C. no. 1903 - 1914 dated 11.6.49. p. 99

The Director of Public Instruction now reports
that it is ~~not sufficient~~^{for the present} if one teacher from
each of the Secondary Schools in the City of Madras is
deputed for training ~~on~~^{the} formation of School Museums
at Government Museum, Madras. The ~~present~~^{cost} of the present
~~the proposal for training one teacher in each school~~^{work done}
with reference to the instruction is contained in para-
graph 2 of the memo on page 8 of ~~which~~^{comes} to Rs. 473/- (Rs.
70 for Govt. Schools, ^{Rs.} 18 for Schools under the Corporation
of Madras & Rs. 385/- for aided schools). The cost is small but it is
~~small~~^{small} the scheme is negligible and a non-recurring.
~~one and~~^{It} may be met from the appro-
priation in the current year's budget. In the
circumstances, the Scheme may be approved.

2. The file may now be sent to Finance
U.S. for remarks prior to circulation.

Department on pp 6-7 ante.

24/6/49
24.6.49

We may agree with Finance that there is no urgency in training teachers for organisation of school museums which form part of the syllabus for the organised course of secondary education. The proposal may be considered as a Part II Scheme.

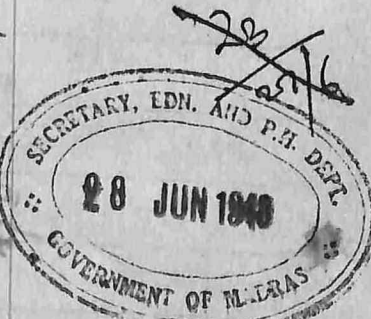

At the same time, we may ask the Director of Public Instruction to consider if teachers cannot be trained in this subject by correspondence. A little book of instructions could furnish much of the training without bringing in large number of teachers to Madras. After all, teachers can learn things from books better than others and may not require, at least in all instances to be brought to the central institution. *for visual training*

H.M.(E.&L.)

The D.P.S may be asked to bring the General Scheme as Part II for next year. The scheme for the City which costs only Rs 473/- may be sanctioned now.
