April 4, 1949.

Dear Mr. Avanashilingam,

27075
P17-900/91

I am sorry I was not in my seat in the Council when you kindly replied to my points in the speech Supplementary estimates. I am afraid I did not make myself in regard to dearness allowance. An extract from the speech is enclosed. I referred to dearness allowance to college teachers. Herewith an appeal to the Director of Public Instruction from the staff of the Pachaiappa's College. I wanted to know how the Government would ensure the rates of dearness allowance prescribed are being paid.

May I also draw your kind attention to the complaint regarding non-payment of dearness allowance to teachers in the Pachaiappa's High School, Chidambaram.

Thanking you,

Yours Sincerely,
R. Suryanarayana Rao
(R. Suryanarayana Rao)

VP:

The Hon. Sri. T. S. Avanashilingam,
Minister for Education,
Government of Madras,
Fort St. George.

Discussion on the Supplementary Statements of Expenditure for the year 1948-49.

and Elementary schools, the Hon. Minister has asked the Director of Public Instruction to examine and see whether any school is in the Madras Legislative Council during Budget Session. not giving the necessary allowance that has been sanctioned.

Let us now come to the question of grants to colleges. In this case, let us take the Loyola College, for instance. In the Building grants to this College have been brought under Post-war Development Schemes but there are also certain other schemes, such as grants to the Andhra University, which have been put under ordinary revenue account. But, Sir, what is the criterion on which a scheme is to be brought under the Post-war Development scheme? I ask this particularly because, when an aided College applied for a building grant, the Hon. Minister said that he could not give more than Rs. 50,000; whereas in the case of Loyola College the grants have been included under the Post-war Development scheme of 10 years course, giving anything to the Loyola College, but my point is, why not all these schemes be brought under the Post-war Development schemes, including grants to build an auditorium and other things, Sir, I would like to know what is the criterion that is adopted in regard to this, because, I know the Government first refused the grant to the Loyola College for the same purpose and now they are going to give the grant by bringing it under the Post-war Development scheme. Now, take the case of Bellary College. Only Rs. 50,000 was sanctioned for the building. If the Hon. Minister for Education had brought it under Post-war Development, the Government of India would not have objected to the starting of the college at Bellary by the Government and it would have come under the Post-war Development scheme. Now Sir, what prevents him from doing that, because Bellary needs a college. Then Sir, I have to speak a little about the status and emoluments of teachers. The Hon. Minister is thinking of giving grants to meet the cost of dearness allowance to College teachers. But, how is he going to ensure the managements of aided colleges discharge their obligations and pay the staff concerned? In the case of High Schools

and Elementary schools, the Hon. Minister has asked the Director of Public Instruction to examine and see whether any school is not giving the dearness allowance that has been sanctioned,

even though its funds permitted. I have an instance in this

connexion. Only the day before yesterday, I got a letter from

a very respectable citizen of Chidambaram saying that the Pachaiyappa's High School, Chidambaram, refused to ^{give} the dearness allowance

laid down by the Government. Sir, Pachaiyappa's Charities are

not peer like many other charities and I do not know why that kind of thing is permitted even now. Here, I must say, the

educational authorities are doing their best to impress upon the

Trustees that they should pay.

Then Sir, I have brought to the notice of the Government the miserable plight. I mean, the salaries that are given to Assistant

Lecturers in the Salem Municipal College. They are lower than

the salaries paid to B.A., L.Ts. in the ordinary schools. I brought

this to the notice of the Secretary because as I did not want

to trouble the Hon. Minister with many letters. I have already

annoyed him enough and so I thought I could annoy more his

permanent Secretary. The Salem College asked for permission to

increase the emoluments of their lecturers, but they have not yet

been given the permission.

Coming to building grants again, in regard to Elementary

schools, the maximum for a Higher Elementary School is Rs. 7,000/

and that for a Lower Elementary School is Rs. 4,000/-. The amount

which was given to private managements during 1948-49 for building

grants was Rs. 58,088. of which the St. Joseph's Higher Elementary

School, Arni alone gets Rs. 24,000/-. Do you mean to say, Sir,

that the Hon. Minister will be satisfied with the other Rs. 25,000/-

to meet the requirements of the whole Presidency? Why was this

exception made in the case of the St. Joseph's Higher Elementary

School alone? If you make a rule, you should observe it. Is

that school located in a backward area or is it serving the

backward communities? Then, why do you lay down these rules?

That is why I suggest that you treat such proposals as Post-war

Development schemes, so that we will be given by the Government

of India half the actual expenditure incurred in maintaining these grants.

Only one word more, Sir. I would like the Hon. Minister to consider again the question of setting up a Universities Grants Committee. Even now it is not too late to retrace his steps because certain Universities get more grants even though they have funds at their disposal and certain Universities are denied grants. I do not know the basis on which these grants are made to the Universities. The Annamalai University has got Rs. 95 lakhs of rupees as investment funds and still the Hon. Minister has provided grants for that University this year and also next year. But what about the other Universities who cannot invest funds like that. Therefore, I would like him to examine again this aspect of it and perhaps the appointment of a Universities Grants Committee will prevent these anomalies. With these words, I close my speech".

VP:

Pachaiyappa's College,
Madras, 9th March 1949.

To
The Director of Public Instruction,
Nungambaukkam, Madras.

Sir,

We the members of the Pachaiyappa's College Staff bring to your notice that D.A. at revised Government rates has not yet been paid to us, though this has been done in all the other city colleges. We feel it is unfair that the most pressing grievances of teachers should remain unredressed for years.

The severe hardships to which we have been subjected in these days of high cost of living on very low salaries and without D.A. at Government rates shows the unwillingness of private managements to concede even the modest claims put forward by teachers in aided colleges. In these circumstances we look up to the Government to enforce payment of D.A. at Government rates from January 1948 in aided institutions. We are also made to suffer without House Rent Allowance being paid to us.

We entreat the Government to give due consideration to the representations made by the Association of University Teachers and ensure satisfactory conditions of service to teachers working in aided colleges in our province.

We once more appeal to you to direct the management of Pachaiyappa's College to pay without any further delay D.A. at revised Government rates with effect from January 1948.

Thanking you,

Yours faithfully,

R.C.625 D2/48 Dated 14-5-49.

Sir,

Sub:Colleges - Pachayappas College Madras - Payment of
Dearness Allowance at Government rates to staff - Non-
Adoption of.

39213

Ref:Govt.Memo No.27075 G2/49-1 Edn., dated 18-4-49.

With reference to the Government Memo referred to above, I
have the honour to state that

(1) the aided Colleges were required to adopt revised
scales of Dearness Allowance to their staff with effect from 1-1-48 as
per G.O.No.1338 Education dated 29-5-48 and most of the Colleges have
adopted the same.

(2) Of the Colleges in respect of which, complaints have
been received, the Pachaiyappas College is the only Institution, which is
repeatedly pleading financial strain in respect of carrying out the above
orders.

(3) As the Association of University teachers has stated that
the Pachaiyappas College is a surplus institution, the only course left
open is to investigate into ^{the} financial condition of the institution,
and take such action as may be necessary, under the provisions of G.O.

No.Ms.2560 Education dated 29-11-47.

In the circumstances, if the Government consider that
such investigation is necessary, orders will be issued by me for
carrying out such ^{an} investigation.

In the case of the Pachaiyappas High School, Chidambaram,
also the management has pleaded financial strain on the resources of the
Trust Board as the reason for not paying Dearness Allowance at the
enhanced rates from 1-1-48. While communicating the order in G.O.No
1025 Education dated 7-4-49 the Inspecting officers have been requested
to make it clear to managements of aided schools that payment at the
enhanced rates is obligatory ^{on} ^{as} their past and for failure to pay at suc
rates from 1-1-48 grant due is likely to be cut or withheld. This

representations have been made to the Trust Board, but no heed has been paid to our requests. Even though the director of Public Instruction had ordered them to implement the proposal, the management has been indifferent on some pretext or other. The financial position of the Trust Board is sound enough to pay salaries at government rates. Even smaller institutions have complied with government orders in this respect. With regard to weightage granted one year back, but withheld since on flimsy pretexts: dearness allowance and house rent allowance according to government rates, the government should take more active interest in raising the standard of the teaching profession. We hope and trust that the minister for Education will redress our grievance without further delay.

PP17-19 cf

From Sri R. Suryanarayana Rao, B.A., M.L.C., dated 4.4.49.

From the D.P.I.R.C. No. 625-D2/48 dated 14.5.1949.

From the Secretary, Pachaiyappas College Teachers'
Association, dated 26-5-1949.

Please see the letter from Sri R. Suryanarayana Rao on p.1 c.f., its enclosures on p.p. 3-9 c.f., and the letter from the Secretary, Pachaiyappas College Teachers' Association, on p.p. 17-19 c.f. The case relates to the complaint regarding non-payment of dearness allowance at Government rates to the teachers of the College and high school departments in the Pachaiyappa's College, Madras. The D.P.I. who was consulted in the matter states that the Pachaiyappas College is the only institution which is repeatedly pleading financial strain in respect of carrying out the orders of Govt. requiring aided colleges to adopt revised scales of dearness to their staff with effect from 1.1.1948. He asks for the orders of Govt. whether in view of the statement of the Association of University Teachers that the Pachaiyappa's College is a surplus institution, he may investigate into the financial position of the college.

According to G.O. No. 2560 Edn., dated 29.11.1947 in cases where the managements of aided educational institutions do not pay dearness allowance to their staff at Government rates, the Director is empowered to carry out the investigations and if after such investigation he is satisfied that the managements are affluent enough to pay allowance at Govt. ~~such~~ rates, he should direct them to pay allowance at such rates. In regard to the payment of dearness allowance to the staff of the Pachaiyappas College high school, Chidambaram also, the same reason

is

2

High school, Chidambaram has since adopted the enhanced rates of dearness allowance.

14/6/49

15/6/49

P3 of (E)

is urged by the management.

Prima facie, it would appear necessary to carry out an investigation as suggested. The Pachaiyappa's Trust is functioning under a Court's scheme and it is not known whether there is anything in the provisions of the scheme which will preclude an investigation such as the one now proposed. The D.P.I. may be asked to state whether he has examined this point and to submit a report. Subject to orders, a draft memo. is submd. for approval.

RS
13/6/49

The Director has reported that while communicating the orders in G.O. No. 1025 Edn. d/7-4-49 to the managements of aided Secondary schools, he has warned the managements that non-payment of dearness allowance at ^{the enhanced} Govt rates from 1-1-48 may entail a cut or withholding of the grant due to the school. The D.P.I. anticipates the warning to produce very satisfactory results. He may be requested to state whether this warning has resulted in the payment of D.A. Govt rates to the staff in the Pachaiyappa's High School, Chidambaram. A sentence has been added to the draft memo below.

He will no doubt have into his point
