Sub: ESTABLISHMENT - Municipal College, Salem -
Lecturers - private tuition undertaking and
Text Books - publication - permission -
request for.

Sri P. Thangarajan, B.Sc., (Hons) ., Head of the Department of
Physics, Salem College, Salem, informs me that he intends to pub-
lish a Text Book of Practical Physics for intermediate students
and has requests permission to publish the same through Messrs
Rajah Litho Works, Sivakasi. He further states that the copy-
right of the book will be retained by the publishers.

In Rule 6(3) of rules relating to Personal conduct of Offi-
cers and servants of Municipal Councils (G.O.No.1175, L.A., dated
30-4-41) the executive authorities are advised to consult District
Educational Officers or Deputy Inspectors of schools in the case
of teachers employed in secondary and elementary schools for boys
respectively before according permission. This rule does not
provide for consultation with higher authority for according such
permission in the case of Lecturers of Colleges maintained by
Municipal Councils.

I therefore request orders of Government whether the execu-
tive authority of the Municipality is competent to accord per-
mission to the Lecturers of colleges for writing text books and
accepting a lumpsum as remuneration and for undertaking private
tuition for pupils, without consulting any higher authority.

RESUBMITTED to Government with reference to their
Endt. No. 87168-G3/48-1 Education dated 29th November 1948.

2. While the Executive Authority has to consult the
District Educational Officers and Inspectress even for accord-
ing permission to teachers in secondary, the case is still -
stronger for consulting an authority higher in status than the
District Educational Officers while according permission to -
Lecturers in College. In the case of teaching staff in Govern-
ment Colleges, the Director is the authority competent to --
accord sanction for the writing of text books and for acceptin-
the remuneration therefor, provided the remuneration offered
does not exceed Rs.1500/-.

I, therefore, suggest that Government may be pleased to
direct that the Executive authority of the Municipal Council,
may accord sanction in consultation with the Director of Public
Instruction in respect of the lecturers in colleges under --
Municipal Councils.
