OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION
Madras 8--6--1949

From

The Director of Public Instruction,
M A D R A S

To

The Secretary to Government,
Education and Public Health Department,
Fort. St. George, Madras.

Sir,

Sub :- Schools--Government--Muslim High School G. T. Madras
additional sections in each of Forms I to IV --
Continuance Employment of additional staff --sanction
requested.

Owing to rush of admission in the Government Muslim
High School G. T. Madras, I permitted the opening of an additional
section in each of Forms I to III in the Government Muslim High School
G. T. Madras during the year 1947--48 and sanctioned the employment
of three secondary Grade teachers therefor on fixed pay. In the
school year 1948--49 the additional sections in each of the Forms I
to III were continued and sanction was given for the opening of an
additional section in Form IV and for the employment of two secondary
grade teachers and one L.T. Assistant on fixed pay for the additional
sections. Class IV was closed and the post of the permanent secondary
grade released thereby was utilised for one of the additional sections
in forms I to III. The strength of the school at the end of the
school year 1948--49 was as follows :

Class or form.	No of sections.	Strength
Class V.	1	46
Form I	2	76
" II	2	72
" III	2	66
" IV	2	60
" V	1	35

During the current school year Class V will be closed
and one permanent post of secondary grade teacher will be available
for utilisation for one of the additional section in Forms I to

P.T. O.

---2---

The strength in Forms I to III justify the continuance of the additional sections in each of form II to IV. The continuance of the additional section in Form I is also necessary to provide for the pupils who will be promoted from Class V and for new admissions. With a view to avoid dislocation of work in the school I have permitted in anticipation of sanction of Government the continuance of the additional sections in each of forms I to IV in the school year 1949--50 and also sanctioned the employment of a secondary grade teacher and L.T. Assistant on fixed pay therefor during the school year 1949--50. I request that Government may kindly approve my action in having permitted the continuance of the additional sections in each of forms I to IV and place the posts of one secondary grade teacher and one L.T. Assistant on fixed pay sanctioned by me on time scale of pay.

Yours faithfully

for DIRECTOR OF PUBLIC INSTRUCTION.

2. The additional ~~extra~~ sections, to each of the forms I to III, which were permitted to be opened by the D. P. I in 1947-48, XIV were continued in 1948-49. The D. P. I

has now come ~~for~~ up to the Govt for the further continuance of these classes and for the employment of a Secondary grade teacher and an L.T. Assistant, on regular time scales of pay, instead of on fixed pay, as sanctioned by him. It is not clear whether the D.P. has approached Govt for the continuance of the additional sections to the Forms I to III and the employment of the Secondary grade teacher and L.T. Asst. for the school year 1948-49.

S.P.H may be requested to kindly clarify this point, in the first instance, and also to put up the report order, if any, concerning the continuance of the staff in 1948-49.

Please see the note by the Finance Department on pages 2-3 ante. It does not appear that the DPO approached for the continuance of the additional sections in terms I to III of the school and for the employment of nine Secondary Grade Teachers required therefor and also for the L.T. Assist for the additional sections in term IV. From the D.P.'s letter it appears that the sections & drafts were continued by him under the powers vested in him. The DPO may be consulted.
