Sir,

Sub: Schools Special - Training of teachers for
the Blind and the Deaf-dumb.

REF: G.O. MS. No.1560 Education dated 15--6--1948.

I have the honour to address Government in connection with the training of teachers for the blind and deaf-dumb and to request for orders as to the rate of salary to be allowed in future to trainees who are not deputed from any aided - Schools and in particular to a candidate who was a temporary teacher in the Government Training School, Koilpatti before he was permitted to take up the training for the blind in Palamcottah. Such cases as this are likely to arise in the coming years also and orders of Government are therefore requested on the general question.

2. It is considered that, if will be hard for a candidate to be left only with the stipends, if he has not been deputed by any school or has no lien in any recognised institution. I have the honour to suggest, therefore, that secondary and Higher elementary trained teachers who have no lien in any school may be given the salary in the scale admissible to teachers of their qualification and service in aided recognised schools.

3. I request the favour of early orders, as the trainee in - Palamcottah, referred to in paragraph (1) above, has to be paid in the current year.

Yours faithfully,

Ram.1/12.

for Director of Public Instruction.
