ADYAR, MADRAS 20.

30 March 1949

Government of Madras  
Education and Public Health. Dept.

Dear Sir:

In reference to Letter No. 7346-Cl/48-5.Edn. concerning the committee for preparation of a syllabus for the physical education for girls:

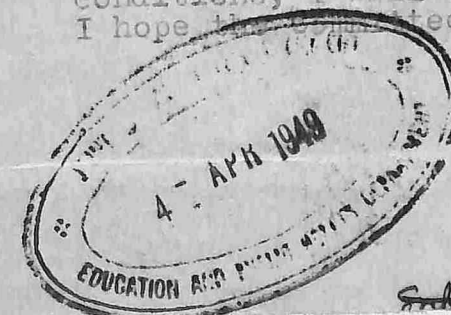

Let me answer first that I have no objection to serving on the Committee, and would, in fact, be happy to do so, supplying whatever assistance I can to accomplish the objective of the Committee.

But on the other hand I must explain that I am much involved in other work, and the traveling connected with it will perhaps interfere with the plans of the Committee.

For your information, therefore, I will mention my immediate plans. I will not be in Madras for more than a day or two until the middle of April. At the end of April I will be departing for a European tour which will last until the first week in Sept.

Whatever assistance I can render under these conditions, I will be glad to give, and in any case, I hope the Committee's work is successfully completed.

Yours sincerely  
Rukmini Devi
