Sir,

National Cadet Corps - Senior Division Units - Issue of ordnance stores - Steps to be taken to avoid double issue

I am directed to refer to the following correspondence on the above subject

p 47 of linked file

(1) Para 4 of the letter from the NCC Directorate No 00 48/48 d/ 5-8-48

(A)—2

(2) Letter from the Officer Commanding 1st Madras Bn NCC No B-1-NCC d/ 7.10.48 communicating the proceedings of the Survey Board in regard to the stores recommended for retention by the 1st Madras Bn & those which are surplus to the requirements - (Copy sent to Director)

(3) Letter from the Officer Commanding the 1st Madras Bn NCC No R.8/83 NCC d/ 30.11.48 (Copy sent to Director).

pages 48-49 of linked file

Appendices E & F at (A)

The double issue referred to by the Officer Commanding the 1st Madras Bn NCC in his last letter is ~~past~~ presumably due to the fact that ~~[illegible]~~ there is ~~a difference~~ variation in the quantity of arms & equipment held by UOTCs taken into account in Appendix A to your letter d/ 8.8.48 cited above and those recommended to be taken over to the NCC unit by the Survey Board - I am directed to request ~~that~~ you ~~will be so good as~~ to issue the necessary instructions to the ordnance depots from which stores are being consigned to avoid further duplication. If this is not possible at this stage, ~~I am directed to request that you will issue your to~~ ~~issue~~ necessary instructions may be issued to Headquarters Madras Sub-area to take over & ~~[illegible]~~ keep the surplus

stores for supply to the units of the Senior Division that are proposed to be raised by the Andhra & Annamalai Universities in the next year and about which you have promised to send a communication by the middle of this month. I am to add that as it has since been decided that the quantities of arms & equipment of the ex-UOTC units to be retained by the NCC units formed in their place should be treated as free issues, it is necessary that the arms & equipment to be newly issued by ordnance depots on payment should be limited to the ~~actual~~ minimum requirements to bring the units up to the scale of the NCC.

Note Please see the Director's letter on p 4 cf. the information required has been furnished to the Director N.C.C direct by the Officer Commanding the 1st Madras Bn. NCC in his letter on page 2 cf. In the memo on pages 5. 6 cf. Information was also called for from the Officers Commanding the Senior Division units in regard to the UOTC Stores taken over by the NCC. The Officers Commanding the 1st & 2nd Madras Bns have furnished the information. Vide letter on p 7 cf on p 3 cf. The Officer Commanding 3rd Madras Engr. centre has not yet replied. According to the recent decision of ~~Govt of India~~, the supply of equipment is their concern & it is with a view to complete the supply the return was called for by the Director NCC. and it may be presumed that the consolidated return furnished by the OC 1st Madras Bn takes into account the ex-UOTC Stores taken over by the Officer Commanding the 3rd Madras Engineer Centre. It seems unnecessary to keep open the file. The reminder on page 1 ante may be issued and after issue the papers may be recorded and the reply from the 3rd Madras Engr centre may be filed with G.O. when received. The draft order below is for approval.
