Office of the
Director of Public Instruction,
Madras, Dated 9---7--1949.

From
The Director of Public Instruction,
Madras.

The Secretary to Government,
Education and Public Health Department.

Subject: Education of the Refugee Children in the camp at
Avadi.

With reference to para 3(v) of G.O.No.Ms.1932 Education dated 14-6-49 I have the honour to submit for the urgent approval of Government the following proposal to improve and extend the existing facilities for the education of the Refugee children in the camp at Avadi.

2. The Secretary of the Refugee Relief Committee brought to my ~~xxx~~ notice that the facilities provided ~~xxx~~ in the Elementary School opened by the District Board, Chingleput in the camp are not adequate.

3. The school was inspected by the Deputy Director. It is reported that all the children in the camp are not attending the school and that three or four classes now working with the teachers from among the Refugees are not properly organised. The boys and girls in the school have not been graded and all the subjects of the school curriculum are not taught. There is a lack of books and other equipment.

4. In the absence of a regular graded school in the camp the boys are seeking admission in the schools in the City for the lower forms and classes. The schools in the City are not able to take in the boys for want of accommodation and facilities for teaching through the medium of 'Hindi'.

5. In order to improve the position I propose to depute immediately one of the Officers of this Department in the cadre of School Assistants and Deputy Inspectors for the purpose of organising the school on satisfactory lines. The Officer will be on his Special Duty for a period of two months in the first instance. It may be necessary to depute one or two more later.

6. The pay and allowances of the Officer to be deputed now will be met from the Prime Minister Nehru's National Relief Fund. I propose to pay him in addition from the above fund an over all allowance of Rs.35/- p.m. for expenditure on conveyance and other facilities needed by him.

7. I request that ~~this~~ this proposal may be approved. In anticipation of the approval of Government I am taking action on the above lines.

Yours faithfully,

Subharamaiah

Sir,

R.O.C.No. 431-W1/49 dated 10th September, 1949.

EDUCATION--Refugee children at Avadi Camp--Deputation of a
Special Officer--continuance for a period of two months more
requested--Conveyance allowance also requested.
Reference:-G.O.Ms.No.2318-Education dated 16.7.1949.

With reference to the G.O.referred to above and in
continuation of my letter Roc.No.431-W1/49 dated 2.9.1949, I have the
honour to report that the Special Officer deputed for the work took
charge of the Refugee school at Avadi on 11.7.1949. The period of
deputation sanctioned in the G.O. therefore expires on 10.9.1949.
I now request that his deputation may be extended for another period
of two months from 11.9.1949. The school has made good progress
since the Special Officer took charge of the school - vide my
letter of even No. dated 2.9.1949, submitting a copy of the report
of the Special Officer. I inspected the school a few days ago. The
enrolment has been increased considerably and the staff has been
strengthened. The school requires special supervision and attention and
further improvements have yet to be made. I therefore request that
sanction may be accorded for the continuance of the officer on the
special duty for a period of two months more from 11.9.1949 to
10.11.1949. In anticipation of sanction I am asking the Special Officer
to continue in his post. I request that my action may also be approved.

2. I also request your sanction to pay a sum of Rs.25/- per
mensem from the Prime Minister Nehru's National Relief Fund to the
Special Officer as conveyance charges from 11.7.1949. The Special
pay of Rs.25/- per mensem sanctioned by Government in G.O.No.Ms.2318-
Education dated 16.7.1949 against the sum of Rs.35/-p.n. recommended by me is
to be treated as special pay for the arduous duties connected with the
post. The Special Officer has to travel every day to Avadi and back by
bus and train and will have to incur an expenditure of not less than
Rs.25/- per mensem. It is reasonable therefore to sanction the allowance
of Rs.25/- per mensem towards charges of conveyance.

I solicit the favour of early orders of Government.

Yours faithfully,

Sub:- Education of the Refugee children in the camp at Avadi.

Ref:- From the D.P.I., R.O.C.No.431-W.1/49 dated 9-7-49.

The D.P.I. has reported that the facilities for the education of refugee children are not at present on an organized basis and that the refugee boys and girls are seeking admission in the schools in the City which are unable to provide accommodation and facilities to them. In order to improve the position he has proposed that one of the officers of the Education Department in the cadre of School Assistants and Deputy Inspectors be deputed immediately for the purpose of organizing the school in the Refugee Camp at Avadi on satisfactory lines. The period of special duty is to be for two months in the first instance. The Director thinks that it may be necessary to depute one or two officers more later.

The Director has suggested that the cost on account of the pay and allowances of the officer to be deputed may be met from the Prime Minister Nehru's National Relief Fund which has been placed at his disposal under the orders in G.O.No. 1932, Education, dated 14-6-49. The proposal will require approval under paragraph 3 (v) of the G.O. quoted above. Subject to orders a draft order is submitted for approval. Finance may see it, before circulation -

Finance (C.S.R)

The draft order may be accepted subject to the remark that the ~~proportionate~~ leave salary and pension contributions (leave salary contribution: 12 1/2% at 11% of the average; pension contribution: 1 1/2% of the maximum of the post substantively held) may also be met from the Relief Fund.

2. Compensatory allow. (Rs 35). A special allowance of Rs 35 p.m. is proposed to be sanctioned towards expenditure on conveyance and other facilities needed by the officer. The school is to be organized in the Refugee camp at Avadi and it does not seem that much has to be spent by way of conveyance charges. No details are however available. The staff employed in the Court House for work connected with the Gandhi Memorial Fund do not draw any such allowance. On that analogy, Finance may advise against any special allowance.

It is not analogous to staff working in the city. Since the staff are in the camp where the officer is to be working at Avadi. Perhaps to be inquired from the Finance Dept.

Note:-

In the G.O. at 'T', the deputation of the Spl. Officer was for two months in the first instance. As evidently this period is not sufficient for

organizing the ~~Refugee~~ Refugee children's School at Avadi, the D.P.I. has submitted proposals for ~~sanctioning~~ an extension of the period by another two months from 11th Sept. '49. The proposal may be sanctioned. The Director has proposed that a ~~special~~ conveyance allowance may be paid to the Spl. Officer apart from the Special Pay of Rs.25/- which was granted under the G.O. at 'T' and which is treated as special pay for the arduous duties connected with the deputation. This may also be approved.

As regards the debit, this extension has already been taken into account in connection with the detailed sanction for items of expenditure on the School at Avadi accorded in G.O.No. 2917, Education, dated 19-9-49. The debit is to the Prime Minister Nehru's National Relief Fund. Please see the order ~~on~~ the notes in the linked file.

The E.P.H. note above, ~~and the notes in the LF and the draft order below may be perused.~~ and the file passed on to Finance. The Avadi Camp is to be closed by 31.10.49 as all the families living there will be dispersed to their places of rehabilitation by that date. As the families are despatched as and when arrangements for their reception at the rehabilitation centres are complete, there will be progressive decline in the strength of the school at the Avadi Camp. So the proposed extension of the ^{period of} deputation of the Spl Officer by two months from 11.9.49 does not seem

necessary. E & P H may consult the Spl Dy Coll. for Refugees as to when the period of deputation of the Special Officer may be terminated. The file may be passed on to Fin.

Families of the displaced persons are being moved to selected homes in the municipal. Some families selected for Madras city have found their own lodgings and have left the camp. Some families (I think about seventy) have left the camp for unknown destinations. There is confusion in the camp and I do not think that with the final date 31.10.49 looming up near, the Special Officer will have anything useful to do in the matter of supervision of education after 30.9.49.

25/9/49

India have ordered the liquidation of the camps before 1.11.49. The Avadi camp school may therefore be closed on 15.10.49. A sanction order modified accordingly. As I have pointed out in another file, the Prime Minister's Fund will come in handy for assisting the education of the refugee children whose families are rehabilitated in his Province.

Pages 1-3 above may be perused.

The D.P.I. has suggested that the special pay of Rs 25/- p.m. sanctioned in G.O.No.2318, Edn., dated 16-7-1949 may be treated as special pay for the arduous duties connected with the post and that sanction may be accorded for an allowance of Rs 25/- p.m. towards conveyance charges. It may be ~~stated~~ stated that the special pay of Rs 25/- referred to in G.O.No.2318 Edn., dated 16-7-1949 was specifically sanctioned towards expenditure on conveyance and the facilities needed by the officer.

Public department have suggested that the Avadi Camp school may be closed on 15-10-1949. They have also stated that as the ~~fair~~ families are despatched ~~and~~ and ~~when~~ arrangements for their reception at the rehabilitation centres are complete there will be progressive decline in the strength of the school. In view of the depletion of the strength of the school, and also of the fact that the school is to be closed on 15-10-1949, there is no case for any special pay on the ground that the duties of the special officer are arduous. This department may therefore advise against the proposal of the

D.P.I. in para 2 on page 1 C.F. ^{allayana} ~~no additional~~ ~~pay~~ ^{need be given}.
3. Subject to the above remarks, and to the remarks of Public at 'A' on p.3 above, the draft ^{memo} ~~order~~ on p.1 above may be ~~and~~ accepted.

The period of deputation of the Special Officer may be extended up to 15-10-1949 as suggested by Public. The officer may be given a consolidated special pay of Rs 25/- p.m. as before. There does not seem to be a case for the grant of a separate conveyance allowance of Rs 25/- p.m. as proposed, as the special pay of Rs 25/-

p.m. already sanctioned, provides also for the expenditure to be incurred on conveyance.

As regards X on p.1 C.F., the officer does not presumably reside at Avadi but at Madras and travels every day to Avadi and back. If so, it may be stated that in such cases the Govt. do not generally grant any conveyance allowance to an officer for his journeys between his place of duty and his residence.

In the circumstances stated in the Public Dept notes on page 3 ante, the period of the Special Officer's deputation may be extended up to 15-10-1949. ^{Adv.} The Fin Dept's view that there is no case for an additional allowance may be accepted.

The revised draft Memo below is for approval. After issue the papers may be filed with G.O. 2318 Edn. of 16-7-49.

Copy of the report referred to above.

I beg to submit a further report on the working of the
school for Refugee children at Avadi.

The strength and efficiency of the school continued to
grow steadily. The visit of the Director of Public Instruction
to the school on 6-9-1949 and the Director's sympathetic
approach to the children, teachers and the refugee parents
created such an impression that a peak enrolment of 462 was
reached immediately.

Despite the partitions provided it was still found in-
convenient to work eleven sections side by side in one building.
Four small separate sheds were therefore put up on the adjacent
cement plinth and four classes shifted into them.

Play-ground attractions have been added to by providing
for Volleyball for boys and Ring-tennis for girls.

A scheme of citizenship activities suited to the school
was got outlined by the Special Officer for Citizenship training
who was pleased to visit the school for the purpose. The
several items therein are being introduced one by one with
growing interest.

Sewing and knitting receive continued attention and many
girls have completed one or two utility items for themselves.

Rapid progress has been made in class room instruction
as well. By constant supervision and guidance teachers have
been enabled to give of their best and achieve quick and lasting
results. Both the group and the individual methods are suitably
employed to level up lapses and differences in attainments even
within a class. Progressive children are helped to higher groups
and standards quickly. Thus it has become possible to cover
effectively within three months, what would ordinarily require
six months to a school year.

p.t.o.

Towards the end of September resettlement plans were begun to be given effect to causing the usual stir. Families are moving out tending to deplete the camp and the school. With the initial excitement fading out, parents have been asked to see that the children are at school till they actually entrain, so that they may continue the habit in their new places without another serious break. Aimless and effortless living concentrated in a camp must end early if the future of the children and their psychological outlook are to be safeguarded. This school has however helped to reclaim hundreds of children who were running to waste for over a year, and has thus worked and continues to work an essential item in any plan for resettlement.
