OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.
Madras dated 24--5--49

From

The Director of Public Instruction,
M A D R A S.

To

The Secretary to Government,
Education and Public Health Department.

Sub :- Assistance to a Refugee student Miss. C.S.
Sakuntala Rao.

I have the honour to address Government on the question of granting special assistance and encouragements to a student named Miss C.S. Sakuntala Rao who is reported to be a mathematical prodigy and was admitted in the 1st year University class in 1948-49 in Queen Mary's College, Madras.

2. The student was a resident of Lahore from 1944 to September 1947. She matriculated from the Rao Bahadur Shohan Lall High School in Lahore in 1947. She was living with her father in Lahore. They left Lahore in September 1947 on account of riots. The parents are now settled in Bangalore.

3. The girl applied for a loan to continue her studies on the ground that she is a refugee from Pakistan. With reference to the conditions specified in G.O.No.272 Edn. dated 9-2-48 she is not eligible for a loan under the scheme outlined in the above G.O. However, she was admitted in Queen Mary's College in the first year class and given the interim relief of Rs.200/- allowed to refugees. She was a half fee student, and she paid fees in the college for two terms and has not paid fees for the third term. I have not sanctioned any loan to the student yet. She did not obtain sufficient marks in the annual examination and was not promoted to the Second year class.

4. It is reported that the student is exhibiting extraordinary abilities in Mathematics though her record in the examination is not brilliant. The report of the Principal, Queen Mary's College submitted herewith may kindly be perused. I submit also other papers relating to the student which speak of the Mathematical talents of the student.

Though the girl has failed in the annual examination, I am of the opinion that she has abilities out of the ordinary which require special encouragement and aid so that the genius in her may become fully developed. I recommend that the student may be treated as a special Government scholar and admitted into a different college in Class I again in the coming year and her progress may be watched. She may be exempted from payment of any fees and granted an allowance of Rs.60/- per mensem for her maintenance in a hostel. An allowance of Rs.50/- for

books and Rs.200/- for her clothing and other equipment may also be sanctioned. The above concession may be allowed for one year for the present. The parents are now in Bangalore. The address is as follows:-

Srimathi Sundarama,
173 Gaipuram Road,
Guthahalli,
Basavangudi P.O.,
BANGALORE.

The name of the father is Mr. C.V. Sundara Raja Rao. It is reported that the girl is now with her parents.

5. I request the favour of early orders so that arrangements may be made for her admission in time.

6. I recommend further that as a special case the fees due from the student for the third term in 1948-49 may be foregone and the recovery of the advance of Rs.200/- paid by the Principal may be waived.

Yours faithfully,

With reference to para (1) of the Proceedings 268 W/48
dated 26-3-1949, I have the honour to state that the student C.S.
Sakuntala Rao was admitted into the College by the Madras Refugee
Camp of which Col. Gill is the President stating that she is a refugee
student of Pakistan, West Punjab. In her letter dated 5-4-49 (Copy
enclosed) she declares that she is a domiciled native of Pakistan and she
is thus eligible for the loan.

She has not so far produced the certificates required by the Univer-
sity of Madras for the recognition of the examinations passed by her
prior to joining this college.

As regards her ability, herewith is enclosed a copy of the
Statement of the Lecturer and Assistant Lecturer in Mathematics dated
31-3-1949. Further, a sample of arithmetic test (copy of which is
enclosed was given to her in my presence by the Lecturer and Assistant
Lecturer in Mathematics to the student on 6-4-49 and the student gave
the cube root to a sum of 9 figures almost within a second.

A copy of the statement dated 6-4-1949 by the student and some
pamphlets (in original recording her extra-ordinary ability, which
the student produced are enclosed herewith for perusal and return. The
student was admitted to Group I at her own request. It is found,
however that her performance in class is not up to standard.

When advised that she should go in for specialisation in the
direction in which she exhibits talent, she asserts that she must finish
her Intermediate here in this College in order to get a grounding before
specialisation. She is very anxious about her Annual Examination.
I give below the marks obtained by her at the Annual Examination.
She fails to secure promotion.

Miss C.S.Sakunthala Rao - Mathematical prodigy - Special educational concessions.

From the D.P.I., No.268-W1/48, dated 24--5--1949.

Please see the letter from the D.P.I. at pages 1-2 c.f. Miss C.S.Sakuntala Rao joined the Queen Mary's College in 1948-49. She failed to secure promotion at the annual examination. Judged from the marks at the examinations, She seems to be a very poor student. Attention is also invited to the Principal's report on the work of this student at pp.19-21 c.f.

But she is reported to be a mathematical prodigy. The various certificates she has earned from eminent persons are put up at S. Unfortunately her intuitive powers were not of much avail in the routine class room study. The D.P.I. considers that the student has got abilities out of the ordinary which require special encouragement and aid. He proposes to put her in another college and watch her progress for one more year in the junior Intermediate class. For this purpose he recommends that she may be treated as a special Govt. scholar and granted the following educational concessions for one year:-

1. Exemption from payment of all fees.
2. An allowance of Rs.60 p.m. for her maintenance in a hostel.
3. An allowance of Rs.50/- for cost of books.
4. Rs.200/- for clothing and other equipment necessary for her.
5. Waiver of recovery of fees for the third term during 1948-49 (junior Intermediate course in the Q.M.O.).
6. Waiver of recovery of Rs.200/- advanced by the principal of the Q.M.C. during 1948-49 when she was a student in the Q.M.C.

The student appears to be a native of Mysore State. It is not clear why she has not chosen to enter one of the educational institutions run by the Mysore Govt. and claim the edn. concessions from that Govt.

If, however, the recommendation of the D.P.I. is accepted, the allowance of Rs.60/- may be for nine months in the year. The allowance of Rs.50/- proposed

The E. & P.H. note at pp 1-2 above may be pursued. In

As it is reported by the Special Dy. Collector for refugees and refugees relief Committee that the student has not got sufficient resources to meet the expenditure on the course of study, this dept as a special case may agree to the waiver of recovery of Rs 200 advanced by the Principal of the Queen Mary's College during 1948-9 and also waiver of the fees for the third term of the for the Junior Intermediate course the student was

studying in 1948-9.

As regards the proposal for treating the girl as a Govt. scholar and financing her studies even after her failure in the Junior Intermediate course, the following remarks are offered:--

From the report of the Principal of the Q.M.C. at pp 19-21 and the reports of the mathematics lecturer of the College, it is quite clear that the student is very poor in all the subjects and has not displayed any extraordinary ability in any branch of mathematics in Intermediate, such as Algebra, Geometry, trigonometry, etc. The only extraordinary ability or genius she has got is only in one particular branch of Arithmetic, viz., giving roots of numbers. Further, it is stated that her general condition of health appears to be such that any strain or excitement may affect her health badly, and the Principal of the College is of the opinion that she is not quite suitable to the routine class-room study.

In view of the above, it is doubtful whether it would be worthwhile to incur further expenditure in allowing her to study the Junior Intermediate course again, though in a different college. The expenditure involved excluding the college fees is Rs. 790.

In the above circumstances, this deptt. may advise against the proposal for financing her studies any further. If, however, E.P.H. do not agree, they may be requested to take orders in circulation including H.M. (Fin.).

With reference to Para 6 on page 1 of (L), E. & P.H. will, it is presumed, take action to recover from the Govt. of India, the sum of Rs. 248/- (Para 1 on page 2 above.)

I don't think the Govt. will accept liability for the fees not paid. A claim for Rs 200 - the sum paid seems to be

reasonable - as such schip is apparently contemplated under the scheme approved by India

As regards further help, the Principal's report shows definitely that the girl is not suitable for the ordinary Intermediate Course and no useful purpose will be served by giving her the concessions proposed by the S.P.I.

It is a pity there is no course suitable for prodigies in Arithmetic only. [11% in Intermediate for prodigies in Arithmetic only. (hour video)]

Financial aid to Miss C.S.
Sakunthalan Rao for her
studies in the junior intermediate
class

Please see para 3 of the orders
in G.O. No. 2320 Edn. dated 18.7.49.
The Fin. Dept. have suggested
that the interim relief of Rs
200 paid to Miss Sakunthalan
Rao when she was studying
in the Queen Mary's College in the
junior intermediate class during
1948-49 should be recovered
from the Govt. of India as
such relief was contemplated
under the Govt. of India
Scheme ^{for refugee students} embodied in G.O. No.
272 Edn D. Q. 2.48.

Action in this matter has to
be taken in Ex section and this
may therefore be transferred to
that section

R.O.C.No.268-W1/48 dated 7th April, 1950.

Sir,
EDUCATIONAL CONCESSIONS AND FINANCIAL ASSISTANCE--Miss C.S.
Sakuntala Rao--Report submitted.
Reference:-G.O.Ms.No.2320-Edn., dated 18..7..1949.

With reference to para 5 of G.O.Ms.No.2320-Education dated 18.7.1949, I have the honour to report that Miss Sakuntala Rao's progress in the I U.C. during the year 1949-50 has been reported to be unsatisfactory. She has not been promoted to the II U.C. The concessions need not therefore be renewed during 1950-51.

Yours faithfully,

K. S. Hanumanth
For Director of Public Instruction.

Educational concessions. Miss C.S.

Sakuntala Rao - Discontinuance

In g.o. No 2320 dated 18/4

Gent sanctioned the grant of certain educational concessions and financial assistance to Miss C.S. Sakuntala Rao for her studies in the Junior Intermediate class during 1949-50. As she was reported to be a mathematical prodigy, she was considered as a special Gent Scholar & was allowed the concessions referred to. Attention is invited to the minutes of H.M. (E & L) of 130 of the g.o. The D.P.I was also asked to submit a report on the progress made by her at the end of the year.

The D.P.I. now reports that the progress of the student in the I.U.C. class has been unsatisfactory and that she has not been promoted to the II.U.C. He therefore suggests that the concessions need not be renewed during 1950-51. The suggestion of the Director may be accepted.

I agree. I think.

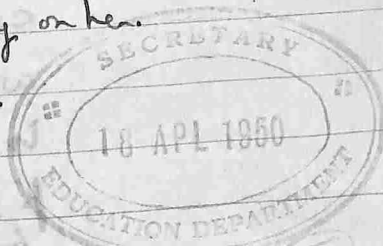

It is quite clear that

H.M. (C & L) may see. She is not the prodigy she was made out to be. She has no aptitude

for any branch of mathematics - except a paltry arithmetic: finding out the roots of big numbers. It does not seem necessary

to waste any more money on her.
