M. Rajan Esq., I.C.S.,
Special Officer,
District Board office,
Tiruchirapalli.

Sir,

Sub: Establishment-Librarians and Library attenders in
Board Secondary Schools and Public Library-Revised
scales of pay.

Ref: 1.G.O. 659 Education dated 9-3-49.
2.G.O. No. 1667 Education dated 7-12-1943: -

The scales of pay admissible to Librarians and Library attenders, prior to their revision from 1-1-47 were 19-2/2-25-1/2-30 and 17-1/2-20 respectively. The qualifications prescribed for two posts were S.S.L.C. completed and completion of III Form respectively as per G.O. No. 1667 Education dated 7-12-43.

Prior to 1935, there were three junior clerks attending to Library work in the High Schools and one Lower Division Clerk in the public library under this board. In 1935 the junior clerks posts in the scale of pay of 25-1-35 were converted into that of clerical attenders in the scale of 19-2/2-25-1/2-30 and that of the Lower Division Clerk's post for the public library also into that of clerical attender in the above scale.

As they were designated as attenders they were allowed to draw the attender's scale of pay of Rs. 24-1-32-1/2-35 in the revised scale of pay corresponding to the old scale of 19-2/2-25-1/2-30 to which they were entitled then.

Two posts of Librarians were sanctioned in 1947, for Musiri and Perambalur High Schools and two attenders were appointed in the scale of 24-1-32-1/2-35 in order that all the Librarians in the Secondary schools under this management may be on a similar standing and status.

As per revised scales of pay issued in G.O. No. 659 Education dated 9-3-49, the attenders in the Libraries will be eligible only to get Rs. 22/- against Rs. 24/- and it will be a hardship to the existing incumbents if the revised scales of pay introduced in the above Government order is applied to them. The work of the Library attenders is in no way less responsible than that of clerical attenders working in the very schools. As it will be difficult to get qualified librarians, and completed S.S.L.Cs for library work it was found sufficient and convenient by the District Board to have attenders in the Library, in the scale of clerical attenders so that they can be exchanged with the others whenever necessary for administrative reasons.

In the above circumstances, it is requested that the scales of pay for library attenders may also be revised as that of clerical attenders and they may be placed on a par with the clerical attenders as the qualification required for both are the same. (III Form)
