Attention is invited to the Sri A. Vedarathnam Pillai's (Assembly) Question on p.1 c.f. ~~As regards the grants given to the Universities,~~ A statement of grants so far given to the three Universities ^{during the last five years} is put up at (N). It will be seen from the last column of the statement that some of the grants were full grants, in some cases the grants were ⁱⁿ two-thirds of the expenditure on the schemes and/certain other cases they were half-grants. Hence it will be correct to say that applications for grants by the Universities are considered on merits according to the circumstances connected with the respective schemes. It is therefore for orders whether the answer to this question may be ^{the} "Grants are given".

given to the Universities for their schemes ~~not~~ ^{not} less than one-half of the expenditure on the scheme concerned."

Sanction of half of the expenditure as grant to Universities.

* 895 Q.—SRI A. VEDARATNAM PILLAI: Will the Hon. the Minister for Education be pleased to state whether it is a fact that the Government are giving half of the expenditure as grant to Universities in the Province?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"Apart from the normal block grants that are being given, the other grants to the Universities are determined on the merits of each case and are not less than one-half of the expenditure on the scheme concerned."

SRI A. VEDARATNAM PILLAI:—"May I inquire what is the amount of grant that is being given to the Universities, and whether the Government have got any right to interfere in the administration if any irregularity is reported?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"The grants that are given to the Universities are given in the budget estimate. I think I had occasion to read some figures during my reply to the general discussion of the budget. As regards any fault in the administration, normally the Universities are independent bodies in which the Government do not interfere. In very abnormal cases under section 28 (2) the Government may set up committees of inquiry."

BEGUM SULTAN MIR AMIRUDDIN:—"May I ask the Hon. Minister whether he will come forward with a supplementary demand for the Madras University, in view of the fact that it has been given very insufficient grants this year?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"I do not know for what purpose the supplementary grant is to be moved."

SRI A. VEDARATNAM PILLAI:—"May I know whether the Government have appointed a committee to inquire into some irregularity in the Annamalai University?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"The Government originally intended to appoint a committee, but the Syndicate itself promised to go into the matter and appointed a committee and the Government Committee was not appointed."

A/

SRI D. V. RAMASWAMI:—" May I know whether the Andhra University has applied for a two-third grant for the Department of Geo-Physics and what action the Government propose to take on it as the Government have abolished the University Grants Committee which would otherwise have enquired and made proper recommendation? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" The hon. Member is asking two questions. I have dealt with the reasons for the abolition of the University Grants Committee yesterday in the House. Therefore it is not necessary for me to recount them. As regards the grant for the Geo-Physics Department, the Government sanctioned some grant this year, and a sum of Rs. 75,000 has been provided in the Budget for 1949-50."

SRI D. V. RAMASWAMI:—" Will the Government see their way to increase the grant that is set apart for the Geo-Physics Department? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" If I remember aright, we are paying in full."

SRI T. S. PATTABHIRAMAN:—" In view of the fact that the Annamalai University is not functioning properly and does not spend the money given by the students on the welfare of the students, will the Government consider the question of stopping further grants until they appoint an enquiry committee and get its report? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" This question has got to be dealt with on specific and proper grounds, and without these, the Government are unable to do anything."

N. MUHAMMAD ANWAR SAHIB BAHADUR:—" Will the Government extend the principle that they have adopted for secondary schools to the Universities and raise the grant from one-half to two-thirds? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" The Government cannot accept the suggestion. Each proposal will have to be considered on its own merits."

BEGUM SULTAN MIR AMIRUDDIN:—" The Hon. Minister said that he did not know for what purposes grants had to be given to the Madras University. Is not the Hon. Minister aware that the Madras University has applied for a grant for the Extra-Mural Department, for the diplomas that it has instituted in the Department of Constitutional History, and the School of Languages which is very necessary now that India has attained independence? Will the Hon. Minister give a special grant for these purposes? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" I think the hon. Member can come to the Government through the proper channel, namely, the University."

SRI L. N. GOPALASWAMI:—" May I know whether the demand by an University of some money for admission to their college is not a sufficient ground for the Government to interfere and constitute an enquiry committee? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" If that is so and if the hon. Member is prepared to give proof, certainly the Government will take up the matter."

MOHAMED ABDUL SALAM SAHIB BAHADUR:—" May I know whether the Government have laid down any conditions which the Universities have to satisfy to become eligible for grants? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" Sir, I should like to give this general warning. Universities are autonomous bodies constituted under an Act of the Legislature. They have got their own governing bodies in the Senate and the Syndicate. I would request the Members not to lightly pass remarks on Universities which would detract from their dignity and affect the morale of the students."

SRI S. NAGAPPA:—" May I know whether any University has committed any irregularity during the regime of this Government and, if so, which University it is, whether the Government have appointed any enquiry committee and whether the committee has recommended any action? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" This is too wide a question to be answered in a supplementary. The hon. Member may put a separate question."

MOHAMED ABDUL SALAM SAHIB BAHADUR:—" My question has not been answered. My question was whether the Government have laid down any conditions which the Universities have to satisfy to become eligible for grants? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" When grants are given for specified purposes, they must be spent only on those purposes."

SRI V. I. MUNISWAMI PILLAY:—" Since the representatives of this Assembly are on the Senate of the different Universities, may I know whether the Hon. Minister has received any complaints from them about the working of the Universities? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" As far as I know, no Member of this Assembly, who is on the Senate of any of the Universities, has given any complaints to me."

SRI A. VEDARATNAM PILLAI:—" Are the Government aware that the Vice-Chancellor of the Annamalai University has drawn travelling allowance from two places for a single journey which he performed? "

MR. SPEAKER:—" This is a matter of detail."

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—" I am very sorry that such a question has been put. This Government have no material to answer the question. The proper body to take up the matter is the Annamalai University itself. If my hon. Friend has any specific complaint, let him give it to me in writing. I shall certainly have the matter enquired into."
