From Sri P.R.Yegnam Aiyar, B.A.,
Assistant, Board High School,
L A L G U D I.

To The Special Officer,
District Board,
TIRUCHIRAPALLI.

Thro' The Headmaster,
Board High School,
L A L G U D I.

Sir,

Sub:- Application of Sri P.R.Yegnam Aiyar, B.A.,
for fixation of officiating pay as temporary
Mathematics Assistant in the Board High
School, Lalgudi.
Ref:- Your R.C.No.A2/12989/47, dated 2-8-47,
District Board Office, Tiruchirapalli.

I am a permanent Secondary Grade Assistant with Graduate
qualification doing duty as per above order as temporary Mathe-
matics Assistant in an L.T. vacancy in the Board High School,
Lalgudi from 4-8-1947.

I have been allowed to draw only the substantive pay
I had reached then as Secondary Grade Assistant, namely, Rs.85/-
which is the maximum in the scale of pay for secondary cadre
in Local Board Secondary Schools.

As I have been asked to do the duties of a post which
involves an assumption of higher responsibilities than my sub-
stantive post, my officiating pay on my appointment as temporary
Mathematics Assistant in an L.T. vacancy should, under Fundamental
Rule 22(a)(i) and 30(i) have been fixed at Rs.90/- per mensem--
the stage in the L.T. time-scale (75-5-145) next above my sub-
stantive pay Rs.85/- in the secondary grade time-scale (45-2-85).

My case stands in quite a different category from that
of an untrained graduate teacher or that of a merely trained
failed L.T.graduate teacher, who can hold no substantive teacher's
post in any grade whatever in schools and for whom pay has been
fixed by Government. Hence as a secondary grade certificated
graduate teacher holding a substantive post in the Secondary Cadre
I should be allowed to draw at the higher post as temporary
Mathematics Assistant the pay of the L.T.Cadre starting from
Rs.90/- from 4-8-1947 the date of my appointment, under Funda-
mental Rules 22(a)(i) and 30(i) with annual increments under
Fundamental Rule 26(a).

I therefore request that favourable orders may kindly be
passed, fixing my officiating pay at Rs.90/- per mensem in the
L.T.Scale from 4-8-1947 and allowing me to draw annual increments
according to the scale, or granting an adequate additional allowance
in lieu thereof, in case my claim for the L.T.Scale is not to
be allowed.

I have herewith attached relevant portions of Fundamental
Rule 22, Fundamental Rule 26 and Fundamental Rule 30 for your
kind reference.

I remain,
Sir,
Yours faithfully,
(Sd) P.R.Yegnam (Mathematics Assistant)

FUNDAMENTAL RULE "22".

The initial substantive pay of a Government Servant who is appointed substantively to a post on a time-scale of pay is regulated as follows:-

(a) If he holds a lien on a permanent post, other than a tenure post, or would hold a lien on such a post had his lien not been suspended--

(i) When appointment to the new post involves the assumption of duties or responsibilities of greater importance (as interpreted for the purpose of the rule 30) than those attaching to such permanent post, he will draw as initial pay the stage of the time-scale next above his substantive pay in respect of the old post;

FUNDAMENTAL RULE 30.

Pay of officiating Government Servants--(i) subject to the provisions of chapter VI a Government Servant who is appointed to officiate in a post shall not draw pay higher than his substantive pay in respect of a permanent post, other than a tenure post, unless the post in which he is appointed to officiate is one of those enumerated in the schedule to this rule or unless the officiating appointment involves the assumption of duties and responsibilities of greater importance than those attaching to the post other than a tenure post, on which he holds a lien or would hold a lien had his lien not been suspended.

FUNDAMENTAL RULE 26.

The following provisions prescribe the conditions on which service counts for increments in a time-scale:-

(a) All duty in a post on a time-scale counts for increments in that time-scale

The transfer of one Mathematics L.T.Assistnat from the Board High School, Lalgudi to the Board High School, Musiri in August 1947 was urgently needed, as there was no Mathematics L.T. then except the Headmaster of the Board High School, Musiri. As such no arrangement was possible except to appoint Sri P.R.Yegnam Ayyar, B.A. Secondary Grade teacher, Board High School, Lalgudi, to work temporarily in the High School forms in place of one transferred to the Board High School, Musiri and in view of the dearth of qualified hands. A copy of this office Rc.12989/A2(i)47 dated 2-8-47 appointing Sri P.R.Yegnam Ayyar B.A., to work in the Higher forms as Mathematics Assistant along with some other un-trained Graduate Assistants was forwarded to the District Educational Officer, Tiruchy for granting exemption. The District Educational Officer, Tiruchi was also addressed in this office D.Dis.12989/47 dated 8-6-1948 for granting necessary exemption on behalf of this teacher as well as those for whom similar exemption were required. The matter is pending with the District Educational Officer.
