purchase of materials for garden improvements etc.,
Payment of advance- Sanction requested.

p2 ifn
An indent for Rs.220-4-0 for cleaning and sweeping materials garden improvements and miscellaneous articles for the Board High schools, Chowghat was sanctioned in District Board resolution No. 1162 dated 14-8-48 copy enclosed and the headmaster entrusted with the purchase. The Headmaster requested for an advance of Rs.200 as the various articles had to be purchased from the different dealers on cash payment. The school has a permanent advance of Rs.15 only which is not sufficient to meet the requirement. The advance of Rs.200 requested for was therefore sanctioned in District Board resolution No. 1689 dated 28-10-48 (copy enclosed and paid to the headmaster. Such advances come under temporary increase of imprest or permanent advance and do not seem to require approval of Government. The Audit department seems to hold that approval of Government is necessary as the statutory rules governing advances do not provide for payment of such advances. There are other advances that come under the category such as advances for festival sanitary arrangements advances for purchase of drugs and medicines etc., either the rules may be amplified or the instructions given whether such advances may be incurred without outside sanction.

If however Government consider that sanction of Government is necessary in the particular case sanction may kindly be accorded for the payment of the advance referred to.

To

The District Inspector of Local Fund Accounts,
Malabar, Calicut.

Sir,

C.532.
Accounts - Advance - Advance payment for purchase of garden improvements etc. Board High School, Chowghat - Government sanction - Opinion - Requested.

An indent for Rs.220-4-0 for cleaning and sweeping materials and garden improvements for the Board High School, Chowghat was sanctioned in District Board Resolution No. 1162/14-8-1948 and the Headmaster entrusted with the purchase of the articles. The headmaster wanted an advance of Rs.200 as the various articles had to be bought of different dealers on cash payment. The school has a permanent advance of Rs.15/- only which is not sufficient to meet the requirement. The advance of Rs.200 was therefore sanctioned and paid to the Headmaster specially to meet the cost of these purchases. Such advances would be necessary off and on when supplies would not be available and articles have to be obtained on cash and carry basis. It would appear that some objection was raised in the past on a bill relating to advance. The objection was however admitted on explanation.

I request you to let me know whether sanction of Government is required for the payment of such advance.

Sd.G.Parameswaran Pillai,
For Special Officer.

As there is no provision in the Statutory Rules relating to local boards, authorising such advances, the sanction of Government is necessary. A reference is also invited to Government Memorandum No. 33369-5, E & P.H., dated 25th August 1944. The desirability of issuing similar orders in the case of District Boards also is suggested for consideration.
