Office of the
Director of Public Instruction
Madras, dated, 29th June 1949.

From

The Director of Public Instruction
Madras.

To

The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- Secondary Schools -- ^{under} Local
Bodies -- Assessment of Teaching
Grant.

(M) In their order No.845 L & E dated 8-5-1930 Government directed that the remission or refund as the case may be, of fees provided for in Rule 91 of the Madras Educational Rules in the case of children of Government servants, who happen to be transferred from one station to another in the course of a school and who are obliged to transfer their children from one school to another be granted as a matter of course, instead of at the discretion of the controlling authority and accordingly made a provision of Rs.540/- in the Budget Estimate 1930-31 for any additional teaching grant payable to Aided Secondary Schools consequent on the grant of the above concession. With reference to these orders, the irrecoverable fees, if any, from pupils of the above category are deducted from the total fees due at standard rates from all pupils in the school and the net amount is taken into account for purposes of reckoning the net cost of Secondary Schools under private managements. Since under para 2 of G.O.No.975 Edn., dated 10-5-47 all recognised secondary schools under local bodies have also to be assessed teaching grant in accordance with Rule 32 of the Grant-in-aid Code, as in the case of secondary schools under private managements, it is presumed that the irrecoverable fees from children of Government servants on transfer on public grounds should also be reckoned for purposes of arriving at the net cost of secondary schools under local bodies.

p12 v (K)
2/ But in regard to the irrecoverable fees from children of officers and servants in the service of local bodies referred to in Rule 14 of G.O.No.3239 L & M., dated 12-8-32 and Rule 12 of G.O.No.4785 L & M dated 1-12-32, it is presumed that the loss in fee income involved should be borne by the local bodies themselves on the analogy of orders in G.O.No.770 L & M dated 10-3-1931 in respect of fee concessions to children of woman teachers in the employ of local bodies. I request to be informed if my presumption is correct.

Yours faithfully

Thiruvananthapuram

should be borne by the local bodies themselves
and that no compensation is payable on that
