Sub:- FURNITURE - Supply to the residences of Gazetted officers.

Ref:- From the S.G.P., No.Accts., dated 6-7-1949.

In G.O.No.516-Finance, dated 17-5-1949, the Govt. laid down a scale for the supply of furniture to gazetted officers for doing office work at their residences. The S.G.P. requests that he may be permitted to supply furniture to the residences of the Gazetted Officers in the Govt. Press also.

2. No furniture has so far been supplied to the residences of the officers of the Govt. Press. The work in the Govt. Press is of a technical nature and the office work to be done at residences is not likely to be appreciably large to justify supply of furniture. Further the instructions in the G.O. seem to apply only to cases where supply of furniture has already been authorised.

3. The S.G.P.'s request may be negatived. Finance may see.

FINANCE DEPARTMENT

G.O. No. 516, 17th May 1949

Furniture—Supply to residences of Gazetted Officers—Standard scale—Prescribed.

Order—No. 516, Finance, dated 17th May 1949.

Government furniture is supplied to Gazetted Officers in certain departments, e.g., Education, Revenue, Medical, Police, Secretariat, etc., for doing office work at their residences. There is no uniformity in regard to the scale of furniture so supplied for use at the residences of officers and in certain departments there is not even a prescribed scale of supply. In view of the present need for economy and of the extravagant scale of supply for officers' residences in certain departments, the Government consider that some uniform scale should be laid down for this purpose.

The scale laid down for the supply of furniture to the residences of Gazetted Officers of the Secretariat is as follows:—

- | | |
|--------------------|-----------------------|
| (1) Table 1 | (3) Side rack 1 |
| (2) Chairs 3 | (4) Screen 1 |

(By order of His Excellency the Governor)

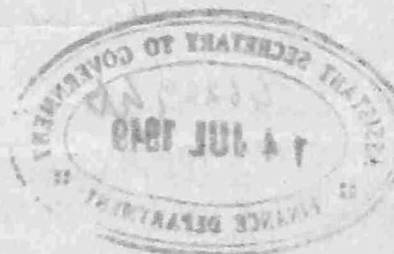

- | | |
|-----------------------|-------------------|
| (5) Stools 2 | (7) Bench 1 |
| (if desired). | (8) Tray 1 |
| (6) Form case 1 | |

The Government consider that the above scale is adequate and should be adopted by all Heads of Departments and offices as the *maximum* permissible for supply to the residences of Gazetted Officers under their control. In the case of officers who do not have much office work to do at their residences, the scale of supply might be further reduced or the supply not made at all at the discretion of Heads of Departments. The articles of furniture already supplied to officers in excess of the above scale should be withdrawn immediately.

T. N. S. RAGHAYAN,
Secretary to Government.

To the Heads of Departments, (including Collectors and District Judges (for communication to the officers under them).

To the Departments of the Secretariat (all sections) including Finance.
