OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.
Madras. dated 19--5--49

From

The Director of Public Instruction,
M A D R A S.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub :- Colleges--Salem Municipal college--^{Appointment} application of
the District Educational Officer Salem as an
ex-officio member of the Governing body.

39410

1919-2247

As per the Byelaws for the management and maintance of the Municipal college Salem approved in G.O. No. 3106 Edn. dated 7--12--48 one member of the governing body should be a district official elected by the Municipal Council, Salem. The Council has recently resolved to nominate the District Educational Officer Salem as an ex-officio member on the governing body of the College.

2. While recommending the request of the Municipal Council, I have the honour to invite the attention of the Government to para one of their order No.1071 Edn. dated 17--7--45 wherein they have stated that it is not desirable on principle that departmental officers should be connected with the management of aided educational institutions. I feel that the above orders need to be revised as it is always an advantage to have a departmental officer as an ex-officio member on such committees. The University is also insisting on their representation on such committees in respect of all newly opened colleges. As the Government is also interested in the efficient management of these institutions it is desirable to have a departmental representative on such committees. I therefore request that the Government may be pleased to permit the District Educational Officer Salem to be an ex-officio member of the Governing body of the Municipal college Salem and to suitably ~~by~~ revise the orders contained in para 1 of the Government Order No. 1071 Edn. dated 17--7--45 to enable the departmental officers to serve as exofficio members on the Governing body of the aided colleges provided the work will not in any way interfere with the legitimate duties of the officers concerned and that no expenditure is incurred from provincial funds on this account.

Yours faithfully

for DIRECTOR OF PUBLIC INSTRUCTION.

Sub: EDUCATION - College Governing Body - constitution of.

Under Section 77-B of the Dt. Municipalities Act, by-laws have been framed for the management and maintenance of the College. The draft rules were approved in G.O.Ms.No.3106 ~~dx~~ Edn., dated 7-12-48.

As per by-laws 2a (4) framed for the management of the College, one Dt. Official elected by the Municipal Council, will be one of the members of the College Governing Body. In M.C.R.No.2303 dated 24-2-49, the Dt. Educational Officer was selected by the Council to serve as a member of the College Governing Body.

I understand that the permission to accept the membership in the College Governing body by the District Educational Officer is pending orders of the Government.

The Governing Body has begun to function from 27-5-49. Out of the 7 members of the College governing body one member's post is vacant as the District Educational Officer could not attend the meeting without the permission of Government..

I therefore request to issue early orders permitting the District

2. The Reasons for the decision

in the G.O. of 1945 referred to above were that the presence of Govt. Officers of the status of D.E.O. on the Governing Bodies of Aided Colleges would create embarrassing situations and that they should not therefore associate themselves officially with the affairs of such Colleges. These reasons seem to hold good still. It is not clear when the University has insisted on the D.E.O. being a member of the Governing Body of an Aided College. It will suffice if the matter is considered if the University chooses to move in the matter. It is for consideration whether the general orders in G.O. No. 1071 Edn. dt. 17-7-45 may stand.

asked for in the case of the Salem Mun. College being granted - It is for orders whether in view of the proposal of the Municipal Council, the D.E.O. may be permitted to be an ex-officio member of the Governing Body of the College - Mr (E+L) may see for orders.

B

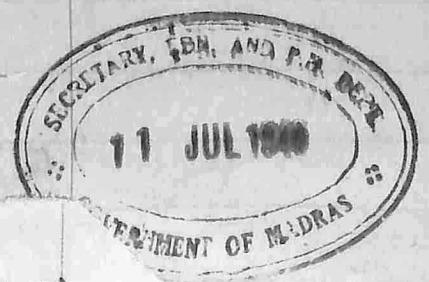

A on page 2 ante. Subsequent to the issue of G.O. No. 1071 Edn. dated 17-7-45, permission was granted to certain officers of the collegiate branch to serve as members on the managing bodies of a few private colleges - vide G.O. No. 1909 Edn. dated 16-11-45, No. 9 Edn. dated 4-1-47 and No. 2718 Edn. dated 19-12-47. The reasons given in G.O. No. 1071 Edn. dated 17-7-45 for not permitting departmental officers to serve on the managing bodies, are based on the views of Dr. Desai then D.P.S. His successor (Dr. Savari) differed from his predecessor (p. 7 of G.O. No. 9 Edn. dt. 4-1-47); but he was imposed by the G.O. of 17-7-45 was not lifted. The present Director also seems to agree with Dr. Savari and requests that the G.O. may be modified. In view of the opinion held by two successive Directors, orders may be taken in consultation with the G.O. may be modified as proposed at P. on page 1 of in that case the Director may be empowered to grant permission to the departmental officers. B above If the Director's suggestion

for modification of No 1071 E.D. & 17-7-45 is agreed to, (D)
the D.E.O., Salem, may be permitted by the Director
to serve as a member of the governing body of the
Salem College. Otherwise, the permission with
reference to be granted by Govt. on receipt of orders
granting the necessary permission, steps
will have to be taken by the M.C. to amend
the by-laws so as to provide for the representation
of the D.E.O., Salem as an ex-officio member
of the governing body of the Municipal College.

The present Director and his predecessor have
been pressing that D.E.Os. may be permitted to be members
of the management of aided educational institutions.
While in a way the presence of a Government representa-
tive on such bodies may prevent mismanagement, there is
a possibility that such persons may also associate Govt.
with mismanagement which otherwise persists. There is
also the question that D.E.Os. if they did their own
work fully will have no time for anything else. It
does not seem therefore necessary to revise the existing
orders.
