Cadre camp for training N.C.Cs in Midsummer vacation

This item concerns training but it is included in this letter, as it forms one of the difficulties that face us.

For training to be efficient, a certain number of trained N.C.Cs to take the squads is absolutely necessary. At present the Ex . U.O.T.C men in each Coy can perform these duties. But at the end of this year, i.e March 1949 most of these ex-U-O-T. men who are students of the senior classes will be leaving the College. This means at the beginning of the next academic year i.e July 1949 the company will be left with hardly any trained N.C.C.s fit to take the squads.

This difficulty could be got over if arrangements are made to run a cadre camp during the Midsummer vacation to train the required number of N.C.Cs ready to take the squads when the College reopens and the new set of recruits are enrolled in July. The services of the ex-U-O-T-C officers and men now in th N.C.C who have done courses and attended camps in the past could be used to run this camp.

Cadre camp for training N.C.Os in Midsummer vacation

This item concerns training but it is included in the letter, as it forms one of the difficulties that face us.

For training to be sufficient, a certain number of trained N.C.Os to take the squads is absolutely necessary. At present the Ex. This result of the depletion of the next session i.e. July 1949 the company will be left with hardly any trained N.C.O.s fit to take the squads.

This difficulty could be got over if a cadre camp is [illegible] N.C.Os ready to take the squads [illegible] July. [illegible] N.C.O [illegible] could be used to form this cadre.

Reference para 5 of your letter no 115/29 dated 6-1-49.

I am directed to request you to furnish the following particulars for considering the proposal

(1). the place where it is proposed to hold the cadre camp,

is proposed to be held, and

(4) ~~and~~ an estimate with details of the expenditure involved in holding the camp.

I am to inform you in this connection, that the matter was discussed with the Director NCC during his visit at the end of December and he was of opinion that a cadre camp should involve no extra expenditure beyond ration allowance for cadets and railway fare for cadets if brought in to a central place, & the officers of the NCC need not attend the camp which should be run by the military officers attached to the NCC.

Sub: CADRE CAMP FOR TRAINING N.C.C. CADETS IN MIDSUMMER VACATION.
Ref: Letter No. 2812-B1/49-1 Education.

The particulars required in the above letter are forwarded below :-

1. Conducting the Cadre Camp with no extra expenditure beyond ration allowance for cadets and railway fare for cadets if brought to a central place. It is not understood how this could be done. Extract from para 19 of letter No. 0172/48/NCC dated 18-11-48from the NCC Directorate is reproduced below :-

19. "Camp Followers. You are going to getRs 750/- per Inf. Coy. for expenditure during Camp. This will have to cover expenditure for (a) Cooks (b) Washing charges (c) Sweepers (d) Lanterns and kerosene oil (e) Ration allowance for lascars and peons (f) Polishing material for officers and cadets (g) Water containers (h) D.D.T. spray or anti-mosquito spray and pumps (i) Any other expenses not covered above and by ration allowance".

These items have to be considered in any camp and will involve extra expenditure which cannot be met from the ration allowance of cadets.

2. N.C.C. Officers not to attend Camp. The regular Military Officers attached to this unit consist of :-

1. Major Joshi who was admitted in Military Hospital, St. Thomas' Mount on 1-1-49 and is still under treatment.
2. Two J.C.O's posted to this unit but found unfit for work in the Senior Division, of the N.C.C. and now awaiting orders to return to their unit.
3. One J.C.O. who was an Ex-UOTC instructor of the rank of C.H.M. now promoted to J.C.O. but not yet posted to this unit.
4. Two N.C.O's transferred from UOTC.

In the past, though there was a regular full time Adjutant, three officer~~s~~ Instructors and five permanent staff Instructors, the services of the U.O.T.C. Officers were found necessary for conducting Cadre Camps. With the present depleted staff of regular officers, it is hardly possible to manage all the work of the administrative and quartermasters branches, and run the training as well.

3. Place for holding Cadre Camp. A suitable site will have to be selected within about 25 miles of the city, approved of by a Medical Officer. Places where such camps were held in the past, are Pallavaram (12 miles), Vandalur (21 miles), Keerapakkam (26 miles), and Nandambakam (10 miles).

4. Time. The convenient time is to be fixed in consultation with the Principals of Colleges and the Os.C. Coy.

5. Number of ex-UOTC officers and cadets required to attend the camp. No. of officers - 9. (A) These officers are required for administrative and instructional work. That they are suitably trained and experienced in such work will be seen by their records of the training they have had and the camps they have attended in the past. (See separate sheet).

pages 7-8 infra

(B) It has been found necessary in previous camps to have one officer to supervise the messing alone to ensure that the rations are correctly

.....

drawn and to prevent them being put to unauthorised uses. Then 'A' branch requires one officer, the 'Q' branch another, and one Military Transport Officer for transport arrangements. All of them will be N.C.C. officers. This means that out of 9 NCC officers only 6 will be available for conducting the training.

(c) The regular N.C.O's attached to the unit are found to be good in teaching drill and Weapon Training, but subjects like Map Reading, Lectures and citizenship, conduct of T.E.W.T.'s, the training in tactics, appreciations, verbal orders, messages etc., requires detailed explanations in English. The poverty of expression of regular Army Instructors makes it difficult for them to train University Cadets in these subjects. It is owing to this difficulty that for a time in the past, in addition to a certain number of N.C.O's, officers from the Regular Army were posted to the U.O.T.C., as officer Instructors at the rate of 1 per Coy.

(d) When the cadets are undergoing training, it is necessary that the N.C.C. officers should follow the work done. Only then will they be in a position to know the weaknesses that have to be rectified before the certificate exams and also to select suitable men to fill up the Bn. and Coy. vacancies for N.C.O's.

6. Number of days for which the Camp is proposed to be held. - 15. Of these one (the first) will be for concentration in camp and issue of stores, squadding etc., and one (the last) for dispersal. This leaves thirteen days for training, less one or two if Sundays or holidays fall within the period.

Advance party on disbursement of Camp. The permanent staff and clerical and menial will have to go at least a week in advance for making necessary arrangements, such as fetching up tents etc., and may have to remain 3 days after the camp for clearing camp site.

Note 1. It is necessary that the Sub Area be addressed to provide the following, if necessary.

(a) tents (b) transport for moving men and stores to the camp.
(c) articles on loan such as, furniture, water tanks, buckets, hurricane lanterns (cooking utensils, if these could not be provided for use on loan in camp by College authorities).

2. In the U.O.T.C. camps, the Medical Officer and the Medical Inspection Room staff and equipment were furnished by the Medical College contingent. On some occasion these were furnished by the Military Hospital, St. Thomas' Mount. Now since the Medical College does not form part of this unit, the arrangements for medical treatment will have to be made with the Military Hospital, St. Thomas' Mount. A separate letter may be addressed to A.D.M.S., HQ Madras Area, St. Thomas' Mount, Madras 16, in this connection.

Sir,

Sub: CADRE CAMP.

Owing to the uncertainty of arrival of the deficient arms and other stores to complete the authorised scale, it is doubtful if the annual camp for the whole battalion could be held during the summer holidays. Hence it is proposed to have a Cadre Camp for N.C.Os and selected cadets during this summer, the place and time to be decided later in consultation with the Company Commanders and principals. It is pointed out that there is enough material in the way of arms and equipment and other stores for this purpose ~~from~~ those transferred from the Ex-U.O.T.C.battalion.

The probable expenditure will be Rs.10,600/- Details are given in the attached list.

May I have early sanction for this please.

I have the honour to inform you that as per direction of N.C.C.Directorate Cadre camps are to be run by the Regular Army staff. As there is still deficiency in the strength of Regular Army staff, N.C.C.officers have to be taken for the purpose of Cadre camp. The minimum requirement was 4 officers representing each company. The 3 Captains of my Battalion are of 14 years 11 years and 7 years service and their pay for 15 days would be Rs.350/-, 325/- and 225/- respectively. The pay of one Lieut would be Rs.225/- Messing allowance and other expenses are on the same scale as budgeted by 1st Madras Bn except the last item viz., clearing camp site etc. for which Rs.400/- was ~~xx~~ claimed as it is considered a necessary item. In this connection, I would like to refer to my letter No. 122/27 of 8 March as an amendment to my original estimate, bringing the amount down to Rs.9815/- from 10605/-. Pay and allowances to the officers are worked out on the basis of their service according to A.I.(I) 32/S/47. My budget estimate was forwarded to N.C.C.Directorate and the amendment, vide my No. 122/27 of 8 March '49 was on the suggestion of the N.C.C. Directorate.

2. The Officers Commanding the two Infantry Battalions have now submitted prpposals for holding the camp during the current year at an estimated cost of Rs.18,990 - Rs.9,175 for the Ist Madras Battalion and Rs.9,815 for the 2nd Madras Battalion. The difference in the two estimates is due to the fact that the former has proposed 2 Captains and 1 Lieut for the camp while the latter 3 Captains and 1 Lieut. As the Officer Commanding the 2nd Madras Battalion has reported that a minimum of four officers one for each of the four companys of the battalion is necessary for holding the camp, ~~the difference~~ it is proposed to allow the difference. As the estimates do not provide for the transport to and from the camp site of the cadets and officers and also for the daily inspection of the camp by a Medical Officer, an additional provision of Rs.500/- is proposed ~~to be made for those items~~. The expenditure on the holding of ~~the camp~~ cadre camp by the two battalions ~~will then be as follows~~ is estimated at Rs 19760 as detailed below:—

Sir,

1. I am to state that in order to run the cadre camp efficiently and thereby accrue benefit out of it, the 4 Company Commanders in addition to 2 IC, Adjutant and Quartermaster (who will also be Mechanical Transport Officer) are necessary.

2. The number of three officers sanctioned for the cadre camp is now considered inadequate for the following reasons.

(a) Absence of officer instructors whose knowledge, intelligence and experience are necessary for imparting certain lessons like citizenship, organisation of a unit of a standard Infantry Battalion etc. I shall not find time to pay attention to it.

(b) An officer is always necessary to be present all the time while the cadets are undergoing training for future efficient non-commissioned officers in N.C.C. These non-commissioned officers will have to take certain lessons when they finish the camp.

(c) When U.O.T.C. was in existence, 4 Regular Army Officer Instructors were on the establishment.

3. Revised budget for item 1 is herewith produced :-

(i) Requirements..........2 Lts. and 2 2/Lts.

(ii) 2-Lts. for 15 days.....Rs 450/- ÷ 2 = 225

(iii) 2-2/Lts. for 15 days...Rs 350/- ÷ 2 = 175.

Rs 800/-

4. Therefore, the total budget will be Rs 10,475/-.

5. An early decision is requested so that appreciation of the camp will be reviewed and necessary plans for it will be made out.

Major,

Sir,

In continuation of my letter No.147/G/4 dated 3-8-49 it is now suggested that the Officer-trainees who volunteer for the Cadre Camp alone will be taken. This is in view of the fact that they were deprived of the last annual holidays owing to their attachment with a regular army unit and presuming that some of them would like to avail of the ensuing September holidays.

Sir,

All officer trainees have been commissioned after receipt of your above communication.

Two of them have attended the cadre camp and have been paid their Messing Allowance at Rs 75/- per head.

750-150 = 600

There is thus a balance of Rs 600/- on that account.

Dearness Allowance and Messing Allowance of 2 Lieutenants and 2 2/Lieutenants as shown below have not been sanctioned.

	Rs
Dearness Allowance for 2 Lts. and 2 2/Lts. at Rs 35/- per head. Para B of this office No. 28/149 dated 6.10.49 refers.	140-0-0
Messing Allowance for the above 4 officers at Rs 75/- per head.	300-0-0
Total	440-0-0

at Rs 70/- p.m - 35 for 15 days

Cadre camp. According to the report of the N.C.C. Committee, in addition to the annual camp, selected officers and non-commissioned officers and cadets may attend annual cadre camps of fourteen days duration. Officers should be allowed the pay of rank for the cadre camp, free travelling to and from camp and free ration or their equivalent in cash. The officers commanding the units have suggested provision for holding a cadre camp of half the strength. In the Govt of Indi's letter dated 12-4-48 they expressed the opinion that officers should be allowed the pay and allowances of their rank, railway fares to and fro and free rations and suitable allowance in lieu during camps and cadre courses, but the item has not been included in the estimate furnished by the Director N.C.C. It may be ascertained whether at the initial stage the holding of a cadre camp is necessary in addition to the annual camp and if so whether pay and allowances should be allowed as for annaul camp in case the cadre camp is held in outside stations

From the Officer Commanding the Ist Madras Battalion, no: 27/26 dated 9.2.1949. pp 4-8 c/

The Officer Commanding the Ist Madras Battalion, NCC, reports that a place within 25 miles of the City of Madras will be selected for holding the cadre camp and the number of Ex-UOTC officers and cadets who will be required to attend the camp will ~~be~~ be 148. The number of days of the camp is ~~f~~ 15 days and a convenient time will be fixed in consultation with the Principals of the Colleges. In the circumstances stated in paras 1 & 2 of his letter, the Officer Commanding reports that the Camp cannot be held without any expenditure beyond ration allowance and travelling allowance for cadets & that at least nine NCC officers (professors of the Colleges) will have to attend the Camp, as the number of Regular Military Officers is inadequate for the purpose. The expenditure on ~~the~~ holding the camp ~~of the Camp~~ has been estimated by the Officer Commanding at Rs 10,700/- excluding travelling allowance for cadets and officers. The cost of travelling allowance may be taken

The Officer Commanding requests the definite orders of Government before the end of this month as necessary arrangements for running the Camp will have to be made with the Coy. Commanders & Principals of Colleges before the Annual Examinations in the Colleges. ~~In the circumstances, it is for orders whether the running of the Cadre Camp by the Ist Madras Battalion during the current year may be approved and if so, a sum of Rs 11,900/- may be sanctioned for the purpose~~.

The Officer Commanding the 2nd Madras Bn. has not so far addressed the Govt for holding a Cadre Camp. The units began to function late in the year. The medical examination of cadets of the companies under the 1st Madras Bn. is going on & enrolment of cadets is being made. It seems premature to hold the Cadre camp this year. For orders whether the proposal may be negatived.

The Officer Commanding 2nd Madras Bn. has also applied for sanction for holding a cadre camp during the summer vacation. The expenditure in holding the camp is estimated at Rs. 10605. Please see the note of Finance Dept on pages 4-5 above. The Captains and Lieuts who are to attend the Cadre Camps are members of the teaching staff of the colleges to which the NCC units have been allotted. The pay and allowance proposed by the Officers Commanding the I & II Madras Bns are only in the nature of additional remuneration for their work in connection with the NCC work in their colleges. The O.C. (I st Madras Bn) has proposed in all 2 Capts & 6 Lieuts for the camp while the O.C. 2nd Madras Bn has proposed 3 Captains & 1 Lieut for the purpose. There is also the discrepancy in the pay proposed by the two O.Cs. The pay and

The scales of pay of Regular Army Officers are given on p 3 of the estimates of cost at (Y) The colleges will be ~~on~~ closed during the course of this month; the preliminary arrangements for holding the camps will have to be made immediately and the GC, Ist Madras Bn has already requested that orders may be issued before the second week of this month. There is therefore no time to address the GCs and to get the matter ~~[illegible]~~ clarified: It may, however, be noted in this connection that the total expre proposed for the camp by the two GCs are nearly the same, namely Rs 11000/-. In the circumstances, a sum of Rs 11,000/- may be sancd to each of the Ist & 2nd Madras Infantry Battalions for the purpose and they may be informed that the entire expre on the organisation of the camp should be limited to that amount.

(Previous Finance note on pp.4-5 above).

Further note of E.& P.H. on pp.5-6 above may be perused. The proposal relates to the holding of cadre camps for the 1st and 2nd Madras Battalions of the National Cadet ~~Camps~~ Corps for 15 days during the ~~[illegible]~~ ensuing summer. The details of expenditure proposed for the camps are as follows:-

1st Madras Battalion.	Rs.10,693	Excluding T.A., transport charges etc.
2nd Madras Battalion.	Rs.10,605	
	Total Rs 21,298	

The expenditure relates to additional remuneration to the personnel attending the camps, camp and messing allowances, camp training grant, erecting and dismantling camp, putting up of cook-houses, dining shed, latrines, provision of lights and water, etc. E.& P.H. have recommended that a sum of ~~Rs.11,0~~ Rs.11,000 may be sanctioned to each of the two battalions for the purpose, and that they may be informed that the entire expenditure on the organisation of the camp should be limited to that amount. They have also stated that this is ~~not~~ an item of expenditure ~~[illegible]~~ not included in the estimate of the Director, National Cadet Corps.

2. The details of expenditure are not susceptible of any check in this Department, and may be accepted.

3. Financial Procedure:- The cost on account of the proposal exceeds Rs.20,000/- non-recurring and as such it will have to be referred to the S.F.C. and Cabinet in the normal course. E.& P.H. have however stated that ~~preliminary~~ preliminary arrangements will have to be made immediately as the camps are proposed to be held in the second week of this month. H.M(Edn) has also minuted that urgent procedure may be followed. In the above circumstances, this Department may agree to the adoption of the short circuit procedure indicated in ~~Fina~~ Para II (iii) of Finance U.O.Note No.26978(A)-B.G.-4, dated 21-12-47, in the present case. It has been decided that the cadre camp need not be held during the coming summer vacation and The Officers Commanding the Ist ~~and IInd Madras~~ Battalions, NCC, have been informed accordingly.

There is a discrepancy in the number of NCC officers & their pay and allowances proposed by the G.Cs as well as in other items of expenditure. As the Cadre Camp is to be run by the Regular Army officers, it is not known whether the difficiency in the staff of the Regular Army Personnel will be made good ~~[illegible]~~ in the meantime or whether it will not be necessary to have the services of the NCC officers for the camp to be held in 1949-50. ~~The Officer Commanding the 1st & 2nd Madras Battalions may be consulted on this point~~ It may be presumed that in view of the fact that Army Officers will have to be provided for the additional units proposed to be raised in 1949.50, the existing shortage will continue. Please see the letters from the OC, 1st Madras Infantry Battalion, NCC, on pages 19-20 & 22cy. He has now forwarded a revised estimate for holding the Cadre Camp for Rs. 9,175/- while the estimate of the OC, 2nd Madras Battalion is for Rs. 9,815/-. The difference in the estimates is mainly due to the fact that the OC, 1st Madras Bn has proposed 2 Captains & 1 Lieut while the other, 3 captains and 1 Lieut. pages 9-10cy The OC, 2nd Madras Battalion has already reported that a minimum of four officers one for each of the four companys is necessary for the camp. page 16cy The difference in the number of officers may therefore allowed. In respect of the other items of expenditure, the amount suggested by the OC, 1st Madras may be adopted. p19cy The cost of running the camp for each of the battalions will then be as worked out on page 23cy. 2. It has already been decided in circulation that this question should be placed before the Standing Finance Committee before orders are passed. The ~~holding~~ Officer Commanding the 1st Madras Bn has reported that the holding of a cadre ~~[illegible]~~ camp is necessary every year till suitable Cadet N.C.Os from the battalions are sufficiently trained to impart instruction. The further note of E.P.H from the middle of page 11 above may be perused. This deptt previously agreed to the proposal of E.P.H for the holding of cadre camps for the Ist and 2nd Madras Battalions of the National Cadet Corps for 15 days during the summer vacation at an estimated cost of Rs 10,693 and Rs 10,605 (excluding T.A; transport charges etc) respectively for each camp. In view of the urgency involved for opening the camps during the summer vacation this deptt also agreed to the adoption of the short-circuit procedure for waiving a reference to the S.F.C and the Cabinet being followed in that case. However, it was decided in circulation that the proposal should go before the S.F.C. In view of the delay expected in ~~this~~ following this procedure, E.P.H informed the Officers commanding the Ist and 2nd Battalions of the N.C.C that the cadre camps need not be held during the summer vacation as originally proposed.

2. In the (memos: on pp.14-15 & 17-18 c.f.) ~~[illegible]~~ E.P.H asked the Officers Commanding the Ist and 2nd battalions of the N.C.C to submit revised ~~proposals~~ estimate of cost for holding the ~~[illegible]~~ cadre camps as some discrepancy was noted in the ~~total~~ statements of the expenditure previously furnished by these two Officers. The revised estimates furnished by these Officers for holding the two cadre camps have been ~~examined~~ by E.P.H on p23 C.F., and they show a decrease in the total expenditure when compared to the previous estimate. E.P.H have also stated that ~~these~~ estimates do not include provision for the transport charges for the cadets and Officers to and fro from the camp and ~~the~~ for the medical inspection. They have therefore suggested that an addl provision of Rs 500/- may be included for these ~~[illegible]~~ items for each battalion. It is proposed to hold a camp during 1949-50.
