Ref:- Government Memorandum No.36334 C.2/49-1 Edn. dated 16-5-49.
Sub:- Government Press - Kannada Types - Use of Modern types.

Kannada types available in this office are used in the issue of Madras Information and other Government Publications. If the Government desire to replace these kind of types by new modern types, I have no objection for the same. Matrices for the new modern types are not available for manufacturing the same in this office. These types will have to be purchased from local type foundry. About 1000 lbs of types are required for printing this publication only and total cost will be about Rs.3000/- I request that the sanction of Government may be accorded for purchasing new modern types.

H.M. (E. & L.)

I remember that a sum of Rs. 3000/- was sanctioned some months ago to replace the existing old and obsolete Kannada types in the Govt. Press with new and modern types. But I still find from the recent copies of the "Madras Samachara" and "Krashikara Bandhu" that the types have not yet been changed. The change of types may be done without further delay.
