Read R.O 2424 sub d. 26.7.49. The Govt permitted the M.C. Vellure to adopt Govt scales of pay for the teachers in the M.C. High School, with effect from 15.6.49. The M.C. has ^{since} opened two new middle schools during the year 1951-52. The Comr. requests the Govt to accord permission to adopt Govt scales of pay for the teachers in the newly opened middle schools also. The extra cost is given as Rs 360/- p.a. The scale have been given effect to. It appears that no fresh sanction is necessary to ^{the adoption of the} adopt Govt scales of pay for the teachers in the newly opened middle schools. No differentiation can be made between one school and another, in the matter scales of pay of teachers, maintained by the same local body. In the case of D.T. The Comr. Vellure may be informed that the sanction of Govt is not necessary ^{to} the grant of Govt scales of pay for the teachers in the newly opened middle schools. L.A. may see for remarks if any.
