Madras.

Letter No.85 E1/49-8 Dated 22nd June 1949.

DEPUTY SECRETARY TO GOVERNMENT
24 JUN 1949
3379
PUBLIC WORKS DEPARTMENT

Sir,

Sub: Madras Educational Service - Sri N.S.Ananthanarayanan officiating Assistant Engineer - appointment as Instructor in Hydraulics.

---

(2)/10

4851/6

I invite attention to the orders in G.O.No.Ms.1903 Edn. dated 10-6-49 appointing under Rule 9(a)(i) of the General Rules for Provincial and Subordinate Services, Sri N.S.Ananthanarayanan officiating Assistant Engineer as Instructor in Hydraulics in the College of Engineering, Guindy.

(2)/2

2 The above proposals for his appointment as Instructor in Hydraulics were submitted to Government in my Endorsement No.85 E1/49-3 dated 9-2-49 in consultation with the Chief Engineer (Electricity), where the Assistant Engineer is working. The Chief Engineer (Electricity) was willing to spare the services of this Assistant Engineer provided an equally experienced B.E. Assistant Engineer is given to him. Sri Ananthanarayanan, officiating Assistant Engineer is at present working as Personal Assistant to the Superintending Engineer, General Construction Circle (Electricity Department). As matters stand at present it is difficult to give a suitable substitute to the Electricity Department in place of Sri N.S.Ananthanarayanan. Moreover the Assistant Engineer Sri N.S.Ananthanarayanan has expressed his unwillingness to take up the above appointment for several reasons--one of them being that he may have to work under those who would have been his juniors in Public Works Department and possibly also less qualified than himself in the College. In these circumstances, I request that the orders appointing him as Instructor in the Hydraulics may please be cancelled.

3 In as much as the College work may not suffer due to the above cancellation I have examined the cases of those who have given their willingness to serve as Instructors and selected Sri R. Ramaswami, officiating Assistant Engineer, a B.E.(C.E.) and who has put in about 7 years of total service in this Department. He is qualified and quite suitable for the above post. He is a non Brahmin and aged about 38 years. I therefore request that orders appointing Sri R. Ramaswami as Instructor in Hydraulics may be issued very urgently. If his services are required before the issue of the formal orders of Government appointing him as Instructor I shall make necessary arrangements for his relief as soon as such orders are received. He is at present working in the Lalgudy Sub Division of the Tanjore Circle. I am forwarding a copy of this letter to the Director of Public Instruction for information.

MADRAS.

To
The Secretary to Government,
Department of Education and Public Health,
MADRAS.

Through
The Chief Engineer, P.W.D., and
The Director of Public Instruction
MADRAS.

Sir,

Being given to understand that there is a vacancy for the post of Instructor in Hydraulics in the College of Engineering Guindy, I beg to submit this as my application for the same with the necessary certificates and testimonials.

As for my qualifications, I passed the Intermediate Examination of the Travancore University in March 1944 with a high First Class, getting distinctions in Sanskrit, Mathematics, Physics and Chemistry. I was admitted to the B.Sc(Engineering) Civil Branch Course in the College of Engineering, Trivandrum, on the basis of a competitive Examination. I passed the Final B.Sc (Eng) Examination in March 1948 with a high Second Class, getting just over 65% **of the total marks**-- which is more than First Class marks of the Madras University and just one mark less than that required to qualify for Honours

While at school and college, I used to play football, hockey, and tennis and have won several prizes for sports and games.

I have been employed as an Emergency Supervisor in the Office of the Additional Chief Engineer, P.W.D., since 24th May 1948, where I have been dealing with the designs and estimates for the Tungabhadra and Ramapadasagar Dams and other Hydraulic structures I had also three month's practical training in the Gannon Dunkerly and Co, Engineering Contractors at some of their works in Trivandrum.

My father, Mr. N.A.Nilakanta Iyer. belongs to Palghat, Malabar District, and is employed as a Lecturer in Physics in the University College, Trivandrum.

My date of birth is 10-2-1927.

If appointed, I promise to give entire satisfaction to my superiors by my work and conduct.

Expecting favourable orders,

MADRAS

Letter No.85 E1/49-10 Dated 15th July 1949.

Sir,

Sub: College of Engineering, Guindy - Vacancy of Instructor in Civil Engineering - application of Sri N.A. Padmanabhan, Temporary Supervisor (emergency).

Ref: Government Post Copy of Telephonic Message No.48516-A2-Edn dated 5-7-49. p.10 ante

I forward herewith the application of Sri N.A.Padmanabhan, Temporary Supervisor (emergency) for the post of Instructor in Civil Engineering in the College of Engineering, Guindy.

2. Sri N.A. Padmanabhan is a B.Sc.(Civil) of the College of Engineering, Trivandrum (passed in IInd class). He has been employed in this department as a temporary Supervisor under the emergency rules from April 48. His Service has been wholly in the Technical section of the office of the Additional Chief Engineer, P.W.D. He has neither considerable indoor or outdoor experience nor does he possess any outstanding merit to be appointed to the gazetted post of Instructor in Civil Engineering. This post is usually manned either by the officers of the Education department or by experienced Assistant Engineers of the Public Works Department. Whenever the Education department finds it not possible to recruit suitable personnel from its own establishment to man the post, the Chief Engineer (General) is asked to depute a suitable Assistant Engineer of this department and accordingly a suitable and experienced Public Works Department Assistant Engineer is deputed after scrutiny of the confidential reports etc. Based on this procedure, I have already recommended in my letter No.85 E1/49-8 dated 22-6-49 to the Secretary to Government, Public Works Department (copy enclosed for ready reference) the appointment of Sri R. Ramaswamy, B.E.(Civil), officiating Assistant Engineer to the post for which Sri N.A. Padmanabhan has applied.

M

p.1 ante

3. I may also point out in this connection that I am not in favour of any of the emergency Supervisors of this department being drafted to a gazetted post in the Engineering Colleges without even getting a regular footing in the department. In the circumstances I do not recommend the application of Sri N.A. Padmanabhan for favourable consideration. I request that early orders may be passed approving my proposal to appoint Sri R.Ramaswamy, officiating Assistant Engineer to the post as already stated in para 2 above.

for Chief Engineer, P.W.D.(General).

M.E.S. - Instructor in Hydraulics - Appointment.

The post of Instructor in Hydraulics, Engg.
College, Guindy, fell vacant consequent on the promotion (K)/5 of
Sri N.Viswanatha Ayyar, its incumbent, as Prof. of Civil Engg.
(Y)/5 Two candidates were on the approved list for regular appointment to the vacancy. But neither of those candidates was
(2)/10-11 available; they had already been promoted in their parent
dept., viz., P.W.D., as Executive Engineers. The C.E.(Genl.)
(2)/2 therefore proposed the tempy. appt. of Sri N.S.Anantanarayanan, Asst.Engr. of his dept. on other duty in the
Elecy. Dept. That officer was considered (2)/4 suitable by the
(2)/10 D.P.I. also and was apptd. temporarily. Subsequently,
cf.1 however, the C.E. reported that it was difficult to relieve
Sri Anantanarayanan from the Elecy. Dept. and further that
the officer himself was not willing to take up the Instructorship. He, therefore, recommended that Sri R.Ramaswami,
-do- another Asst.Engr., who had about 7 years' service, might
be apptd. in place of Sri Anantanarayanan.

When that recommendation was about to be
subd. for orders in circn., an appln. cf.3 for the post from
Sri N.A.Padmanabhan, a tempy. Supervisor in the P.W.D., was
cf.9 recd. H.M.(P.W.) minuted on it that it might be examined.
cf.10 The C.E., who was asked to forward the orgl. of the appln.
with his remarks, is strongly against Sri Padmanabhan's being
cf.11 given the Instructorship. As to why he ~~is~~ thinks so, pl. see C.F.11.
-do- He iterates his previous proposal for Sri Ramaswami's
appointment. The D.P.I. agrees to the C.E.'s proposal. It seems that the ~~C.E.'s recommendation~~ proposal may
cf.19 be accepted.

May be circd. to HM.(PW). for orders.

p.g. 17.7.49 18/7/49

18/7/49 S

(Box)

What allowances does the post carry

(2) What was the seniority of previous incumbents

(3) Any special academic qualifications required for the post

(4) Has P.W.D ascertained that subject to their qualifications Ramaswami is seniormost

18/7

The scale of pay of the post is Rs. 260-40/2-500-50/2-700. If an Asst. Engineer from the P.W.D. is apptd., he will get a deputation pay of Rs. 50/- p.m. in addition to his salary in the P.W.D. An officer of P.W.D. occupying a lower post than Asst. Engr.'s, will not be eligible for any deputation pay. He will get the minm. of the scale plus dearness allce. & house allce.. ~~if posted~~ Rs. 230.

2. Sri N. Viswanatha Ayyar is the only person who previously held the post. He was selected by the ~~Public~~ Commission and was apptd. regularly. Some of his seniors (in the P.W.D.) did not express their willingness to accept the appt. or stipulated some unacceptable conditions re: pay. cf. (Y)/1 & 5 (Y)/6

3. No special qualfns. are reqd. The B.E. (Civil) degree which is prescribed for Instrs. in Civil Engg. is the academical qualfn.

4. The question of seniority, ~~etc~~ arises only if the appt. is to be made regularly. What is proposed is only an appt. under the emergency provns. The qn. will of course be examined if & when the appt. is to be regularized subject to the willingness of the seniors, if any, to be apptd.

5. P.W.D. may perhaps see before On.

18/7/49

13/7/49 S

P.W.D

Asst Engineers may not like the post, which does not carry the attractions of an executive one, but in my opinion should be made to take their turn according to seniority. In any case, if the college and students are to be properly served, the instructor should have the best, and not ~~the worst~~ ordinary qualifications

X

DEPUTY SECRETARY TO GOVERNMENT
19 JUL 1948
2916
PUBLIC WORKS DEPARTMENT

Pr. Dept.

Please see notes from p 1 ante.

This file relates to the appt. of an Instructor in the Engineering College, Guindy under the emergency provision. The scale of pay of the post is Rs 260-40/2-500-50/2-700.

2. Appointment to the post is made in the following manner:-

(1) Promotion of Asst Instructors etc in the Madras Educational Subordinate Service.

(2) Transfer of Asst Engrs in the Madras Eng. Service.

See Ly. p 6 PSR 113

G.O. No 753 Edn dt 8-4-46, p 37 (W)

When Asst Engrs are appointed as Instructors, they get a ~~Special~~ Deputation pay of Rs 50 p.m. in addn. to pay in the scale of Rs 260-700.

p 2 ante

The Commn. makes the selections - ~~see papers~~ in G.O. No 219 Edn dt 7.2.47.

(Y)

3 Consequent upon the promotion of Sri N. Viswanatha Ayyar, Instructor, as Professor, the post of Instructor has now to be filled up. There are two men in the approved list but as they are already acting as E.Es on Rs 500-50/2-850 they are not available. An emergency appt. has therefore to be made now.

pp 8-9 (Z)

4. The C.E. at first recommended Sri N.S. Ananta narayanan, A.E. (working in the Elec. Dept) but later

modified his recommendation and suggested Sri R. Ramaswami, AE., Lalgudi Sub Dn.

5. Sri N.A. Padmanabhan, an emergency Supr. has also applied for the post. The qualification, & other particulars of the two men are shown below:–

Name	Age.	Academic qualifns.	Experience etc
(1) Sri R. Ramaswami Asst Engr. PWD.	38 yrs (N.B)	B.E (Civil Engg)	7 years service in PWD
(2) Sri N.A. Padmanabhan Emergency Supr. PWD.	22 yrs (Br)	B.Sc (Civil) Trivandrum	1 yr & 3 mths in PWD.

6. The CE. is not in favour of appointing Sri Padmanabhan as Instructor on the following grounds:–

(1) No indoor or outdoor experience for any considerable period.

(2) No outstanding merit.

(3) Without even getting a regular footing in the PWD, he need not be drafted to a gazetted post in the Engineering College.

The CE. has therefore reiterated the recommendation that Sri R. Ramaswami may be apptd. as Instructor.

7. With refce to the observations of Secy Edn & PH Dept at X on p 2 ante, it is subd that the CE. seems to observe the principle of 'selection' in recommending AEs for appt as Instructors.

8. It is presumed that the CE will be able to spare the services of Sri Ramaswami. It is seen that the CE. has attached great importance to College work. In regard to Sri Padmanabhan, it is not clear if the DPI will have to be consulted about his suitability, in view of the CE's remarks about him. || P

M. p11 cf

9. For orders whether the CE's recommdn. may be supported in this Dept.
