Sub. Adult Edu. - Rural colleges  
Sanction of peon -  
The Govt. sanctioned the opening of 6 Rural colleges under their direct control. A full time clerk or a higher elementary grade teacher on a pay of Rs 30/- in the scale of Rs 30-1-50 has been sanctioned for each college. The D.P.S. now requests that a peon should also be sanctioned appointed in each of these colleges. The extra cost on this account Rs 1632, being the immediate cost and Rs 2880 being the ultimate cost. It appears the proposal of the D.P.S. should be sanctioned.

Finance (E.III) Dept.

The proposal is to sanction a peon for each of the six Rural Colleges referred to in clause (3) of G.O.846 Education, dated 9-4-48, on the ground that a peon has been sanctioned for each of the six Training centres opened for the training of staff for Adult Literacy work. In the case of the training centres, classes were held throughout the day and accordingly the necessity for a whole-time peon would have been felt. In the case of the Rural colleges under consideration, the classes will be held only for a short time in the day i.e. for about 2 hours. There seems to be no justification for the employment of whole time peons in the Rural colleges. Finance may advise against the proposal.

I do not think the request is extravagant. I do not know how these colleges can manage without a person each. Most of the other workers are honorary is it not?

A paid full time teacher or a teacher for each rural college may be appointed - (teachers elementary grade teacher who are invited to give lectures are eligible for honoraria remuneration up to Rs 180 per term. No other workers have been sanctioned for rural colleges.

considering the staff, a person appears to be justified, for various items of work which must arise in running these classes.
