To Hon'ble M. Bhaktavatsalam,
Minister for Public Works,
Govt. of Madras, Fort St. George, Madras.

Sir,

I beg to submit the following points for your most
consideration.

I have been working for Hindustani Prachar in this
Presidency since 1919. Hence as a national worker I have spent
all these years in this province, particularly in Tamil Nadu.
Now for the last ten years I am working in Madras, at the Head-
quarters of the Sabha, as the Joint Secretary. As I have spent
nearly 30 years of my life in this part of the country, I have
been naturalised in this Presidency.

I have only one son and he has passed Intermediate exam.
from the Loyola College this year. He has applied for a seat
in the Engineering College, Guindy. Now, I beg to submit that a
special consideration at the hands of your Govt. and humbly
request you to view the case of my son as special one and
arrange to provide him with a seat in the Engineering College,
Guindy, and oblige.

My son's name is Ravindra Nath Misra. His Reg.No. in the
Inter Exam of Madras University in March 1949, is 9319. His
application and other necessary particulars have been already
sent to the Principal, Engineering College, Guindy.

I fervently hope that you will kindly do the needful
in this matter. Thanking you,

I beg to remain,
Yours very sincerely,

R. D. Murthy

Dear Sir
I would like to introduce
myself to you for the kind consi-
deration I seek at from you
as Minister for Engineering Educa-
tion and the Govt.
I have been a devoted political
worker since 1918 and working
full time in the Trade Union
movement and allied spheres
since 1929 living on my own
slender resources. My recent
prolonged illness and costly treat-
ment have practically wiped off
my means. The further education
of my children has therefore to be
seriously attended.

My son Krishna Rajan about
18 years old has passed the Intermediate
Examination in the Madras University
in the examination held in March 1948
from the Presidency College, his subjects
being Physics, Chemistry and
Mathematics (Group I A) He has passed
1st class standing first in English

For his college work 195 marks
His marks are as follows:-

Part II	English	Maths	Memorandum
Tamil	195	91	340
Part III Mathematics	89		200
Physics	65		150
Chemistry	96		150
Total			536

Aug 10/12/1

He has applied for admission to the college of Engineering & Technology all the necessary information & the application has been registered No E 630/49. He has asked for Mechanical Engineering. Giving to the Director's Commission and other difficulties I am anxious about the application. At a practical and social worker and supporter for his time I request you to kindly direct him some preference and help me to get him a small amount and oblige.

Thanking you

Yours faithfully

Sir,

Sub: Colleges - Engineering - Admission.

With reference to the last paragraph in G.O.Ms.No.2096,
Education, dated 29th June 1949 I submit the following recommenda-
tions for the approval of Government.

2. As can be seen from the enclosed statement, 17 candidates
have applied for admission to the College with reference to the
7 discretionary seats sanctioned in the G.O. As two of the
candidates, B.Viswanath son of Rao Bahadur B.R.Somayajulu, Chief
Operation Engineer (Electricity), Electricity Department and
S.R. Devasahayam, son of Sri J.Devasahayam, Inspector-General
of Police have secured admission on their own merits, the number
of applicants is reduced to 15.

Of these the following applications were transferred to me
by Government for consideration:

1. Krishna Vijayam (Brahmin) son of Sri P.R.K.Sarma, M.L.C.,
who claims to have been a devoted political worker from 1918 -
U.O.No.52106-1/49-A dated 11-7-49.

2. Ravindra Nath Misra (Brahmin) son of Sri R.D.Misra of the
Hindustani Prachara Sabha (Government Memo U.O.No.49838-1/49.A. date
4th July 1949.) and Govt.Memorandum No.52845-1/49-A.Edn.,dated
the 12th July 1949). He claims to have been working for Hindustani
Prachar from 1919 in this Presidency and as the Joint Secretary
of the Sabha for the last 10 years..

3. S.M.Sundaram (Brahmin) son of Sri A.Subbiah, New Asiatic
Insurance Company Ltd., Madras - Govt.Memorandum No.52845-1/49-A,
Education, dated the 12th July 1949. As no particulars have
been furnished to me justifying the need for special treatment,
I am unable to offer any comments.

4. T.K.V.Raghavan (Non-Brahmin) son of T.P.Krishna Raja,
Rajapalayam, Ramnad District - Government Memorandum No.52845-
1/49-A, Education, dated the 12th July 1949. In this case also
no particulars have been furnished as to the need for special
treatment. Unless Government is in possession of the relevant
information for adjudging the claims of these 2 candidates, I
find no reason for according any special treatment to them. I
do not, therefore, recommend the consideration of their claims.
This reduces the list to 15.

In adjudging the claims of the rest, it may be borne in
mind that candidates with very high marks, well above those
secured by the applicants for special treatment, have not been
able to secure admission on their own merits and are, therefore,
placed in the reserve list. The marks obtained by the first
candidate in the reserve list is furnished below for purposes
of comparison:-

Brahmins.			Non-Brahmins.			Chris-	Muslims.
Tamil.	Telugu.	West Coast.	Tamil.	Tel.	West Coast.	tians.	
						coast.	
399	389	397	343	343	362	335	295

PTO

In view of this it appears inequitable to give one of the discretionary seats to the following in view of the very poor marks secured by them:

Ravindranath Misra (Brahmin) ...	199
V. Jayaraman (Brahmin) son of the late Sri M.S.Venkatarama Iyer, Superintending Engineer.	226
J. Anjaneyulu (Non-Brahmin backward) son of Sri J.V.Subba Rao, Retired District Educational Officer.	187
A. Umapathi (Non-Brahmin) son of Rao Sahib	217
A. Palaniappa Mudaliar, Deputy Commissioner of Prohibition	

The disparity in the marks of these candidates and the marks of those in the reserve list is far too great.

If these names are excluded the list of claimants is reduced to 13.

Taking the only minority community - Christians - from which there is a candidate, I recommend that J.B.Masilamani, son of Dr.S.E.D.Masilamani, Health Officer of the Madras Corporation may be allotted one of the 7 seats. His marks are 290.

Coming to Non-Brahmins next, I recommend that the first 4 candidates in the order of merit may be selected.

(1) V.M.Rao, son of Sri V.Ramakrishna, I.C.S.(Retd) who while in service occupied positions of great responsibility and who was the Industrial Adviser to Government at the time of his retirement. The boy gets 275 marks.

(2) N.J.Chandrasekharan, son of Sri N. Jambulinga Naicker, Consulting Architect to Government. The boy gets 260 marks.

(3) A. Parthasarathy, son of Sri V.Ayyaswamy Naidu, Superintendent of Police, Special Branch, C.I.D. The boy gets 259 marks.

(4) C.A.Reddi, son of Sri C.G.Reddi, Commissioner of Labour. He secures 244 marks.

The remaining 2 seats may be allotted to the Brahmins according to merit.

(1) K.Ramakrishnan, son of Rao Bahadur S.R.Krishnamurthy, Chief Construction Engineer in the Electricity Department, may be selected. The boy gets 360 marks.

(2) S.M.Sundaram, son of Sri A.R.Venkatachari, Chief Engineer, P.W.D. May be selected for the remaining vacancy. The boy gets 290 marks.

The proposed distribution is the best that I can suggest with reference to communities as well as the status of the parents. It is no doubt true that taking it by Departments, the Engineering Department gets 3 seats but this preference is not unjustified.

I request that very urgent orders may be issued.

Dear Sir,

My son, John George Masilamani, is an applicant for admission to the Engineering College. His Register No. is 1053. He has secured fairly good marks with distinction in Mathematics and Physics.

As selections are made according to District and community, I am afraid my son may not have a chance of selection, particularly as he is from Madras City and an Indian Christian.

I am the Health Officer of the City (Corporation) and have served the city for over 21 years. I am most anxious that my son should take up Engineering and complete it before I retire. In consideration of my long service to this city I may be shown some special concession.

I, therefore, request you to recommend my son

Dear Mr. Reddy,

Further to my personal representation to you this morning in connection with the admission of my son B. Viswanath in the Engineering College, I thank you very much for the kind consideration you have shown. I have since contacted the Hon'ble Minister for Public Works unofficially and he was good enough to direct me to make a written application to you ^{immediately} on the following lines and accordingly I submit this note.

I am the head of the Operation Branch of the Electricity Department (Northern Range). I have put in 20 years service in the Government. In consideration of my long loyal services to the Government leading up to my present position I request you to give special consideration to my boy for admission.

He has obtained 638 marks out 950 total.

Office of the Joint Consulting Architect to Government, Checauk, Madras. 7-7-1949

Dear Mr. Reddy,

I am writing this letter in my personal capacity and request you to kindly give you favourable consideration to the case I cite below.

My son, N.J. Chandrasekkaran has just passed the Intermediate Examination of the Madras University held in May '49. He is seeking admission to the B.E. degree course in the College of Engineering Guindy. (Res. No. E/813.)

It may interest you to know that he has obtained 452 marks out of 950, and has obtained distinction in two subjects - Mathematics and Physics; he is a good all round sportsman and has taken part in the Inter School Cricket Matches and the Inter Provincial School Cricket Torunaments. As a member of the Madras Schools Athletic Association Cricket Team, he represented Madras in the Matches played in Bengal. A copy of the certificate given to him by the Principal, Loyola College is also enclosed, for your kind perusal.

I have to specially bring to your notice that after having served/loyally and hard in this Government service for a period of nearly 30 years in the subordinate and Gazetted rank, I am now holding the post of the Joint Consulting Architect to Government. During my service, I had attended to very strenuous duties connected with the preparation of tplans and estimates for the military, naval and aerodrome works during the war time, in additon to the normal duties ~~with~~ connected with the regular departmental works. A copy of the Chief Engineer's certificate to this effect is enclosed for your information. As one who has rendered faithful service in the Engineering Department for 30 years, I am sure you will agree that it is but natural and apt that I should like my son to pursue his career in the Engineering field for which he is both academically and Physically fitted.

N.J. Chandrasekharan was a student of Loyola College for the Intermediate Course in 47-49, and had Maths. Physics and Chemistry for his Optionals. He was an exceptionally well-behaved young man, earnest, regular at work, and keen on success. His academic record in the College shows a steady improvement of standard in each successive term, and I expected him to secure a first class in the University Examination. He showed special proficiency in Mathematics and Physics. He also took normal part in games and Physical activities. I understand that he is applying for admission into the Engineering College. In spite of his accidental lack of a first class I venture to recommend him for admission. His Father is well-known as Government Architect, and is a most deserving Officer. I believe that the young man has aptitude for Engineering and so I very cordially recommend him.

Mr. N.E. Jambulinga Nayakar, Joint Consulting Architect to Government, P.W.D., has rendered specially good and useful service during war on war work. As a Head Draftsman, and Personal Assistant to the Consulting Architect, he has been responsible for the design and scrutiny of building works relating to defence and military operations during 1939-45 world war. He has been particularly connected with the designs of buildings in R.N.A.S., and R.N.A.R.Y., Tambaram, R.N. Stores Dept, Chromepet, Flying Boat Base, Cocanada, and with the several other works in charge of the Special Superintending Engineer in charge of Military Aerodrome and A.R.P. constructions during the war. I consider that Mr. Jambulinga Nayakar's services during war should be considered as qualifying for concessions eligible under rule 10 (j) of the rules for admission to the Engineering College, Guindy.

Copy of petition dated 29-6-49 from the Joint Secretary, Dakshina Bharat Hindustani Prachar Sabha, Madras to the Hon'ble the Minister for Public Works, Government of Madras, Fort St. George.

8 JUL 1949

I beg to submit the following points for your most favourable consideration.

I have been working for Hindustani Prachar in this Presidency since 1919. Hence as a national worker I have spent all these years in this province, particularly in Tamil Nadu. Now for the last ten years I am working in Madras, at the Headquarters of the Sabha, as the Joint Secretary. As I have spent nearly 30 years of my life in this part of the country, I have been naturalised in this Presidency.

I have only one son and he has passed Intermediate exam. from the Loyola College this year. He has applied for a seat in the Engineering College, Guindy. Now, I beg to submit that a special consideration at the hands of your Govt. and humbly request you to view the case of my son as special one and arrange to provide him with a seat in the Engineering College, Guindy, and oblige.

My son's name is Ravindra Nath Misra. His Reg.No. in the Inter Exam. of Madras University in March 1949, is 9319. His application and other necessary particulars have been already sent to the Principal, Engineering College, Guindy.

I fervently hope that you will kindly do the needful in this matter.
Thanking you,

Re; Admission in the Engineering College
for V. Jayaraman (Application No. 1987-E) -
Son of Late M. S. Venkatrama Iyer, Superin-
tendent Engineer, Annantapur Circle, Madras.

Sir,

The late Sri M. S. Venkatrama Iyer, Superintendent Engineer, entered service in 1918 as Supervisor of the Government House sub Division, OOTY. He served there for five years. The then Governor Lord Willington and Lady Willington appreciated his work and recommended him for special preferment. He was appointed Assistant Engineer in 1923, and after serving in other places was posted to Government House Sub Division Madras in 1934. From there he was posted as executive Engineer in 1938 at Bowlaishwaram and from there to Madras as in 1942 in charge of A.R.P. Division. In 1947 he was posted as Superintendent Engineer, Annantapur Circle. Owing to the extensive touring work, being one of the biggest circles, he took ill for the first time in his 30 years service and was admitted in the General Hospital in January 1948 and passed away in the end of the month.

Owing to these adverse circumstances and also the absence of piece of mind owing to the sudden death of his father at his young age, he could not secure a first class in the examination.

Therefore, I request that his case may be given special consideration and may be given a seat in the Madras Engineering College, in consideration of his father's services in the above department, who died in harness.

Thanking you in advance,

Yours truly,

R. Balan.

Sir,

Sub:- Requesting to recommend a seat in B.E. Class,
Engineering College, Kakinada, for his son
Anjaneyulu J.

I beg to submit for your favourable consideration the following few lines in connection with my request to recommend a seat in the B.E. Class, Engineering College, Kakinada for my son J. Anjaneyulu, under the following special circumstances:-

(1) My son J. Anjaneyulu passed the Intermediate Examination of the Andhra University with Group Mathematics (main) Physics and Chemistry.

(2) He belongs to the Oriya Non-brahmin community which is included in the list of backward classes and I think he is the only backward Oriya candidate appearing from the Government Arts College, Rajahmundry, East Godavari District.

(3) He is the son of a District Educational Officer who retired from service some 11 years back after serving the Department most creditably for a period of about 31 years.

(4) One of his close relations Mr. Veenam Veeranna served in the Engineering Department long ago and earned great fame in connection with the construction of the huge anicut over the Godavary River, near Dhowleswaram

(5) His age is only 18 and is full of zeal and enthusiasm for studies in the Engineering Department.

In fine, preferential treatment has kindly to be shown and special concession granted to him in view of his being a backward Oriya of the Godavari District, and especially in

consideration of my being a Government servant, retired
as a District Educational Officer, after a long and
creditable service of about 31 years in the Educational
Department.

Dear & Respected Sir, Sub. Requesting
for B.E. seat
Kindly excuse me for the liberty
I take in reiterating my humble
request kindly to provide a seat
in the B.E. class, College of Engineering,
Kakinada, to my son, J. Anjaneyulu,
under the extraordinary powers
vested in you by the Government,
for the following special reasons
already stated in my previous
application to you of 11-7-49:-

1) My son, J. Anjaneyulu, who
has passed the Intermediate Exⁿ.
(Andhra University), belongs
to a non-Brahmin Oriya
Community which is included

50
in the list of Backward Classes (as
recognised by the Government) to which
special Concessions are granted
and preferential treatment is shown
by the benign government. He also
got a certificate from a competent
Revenue authority of Rajahmundry
that he belongs to the Oriya backward
community - Copy enclosed with this appⁿ.

2) He is the son of a Govt. gazetted
servant, a District Educational Officer
of the Madras Government, who retired
from the Educational Service some
11 years back after serving the Dept.
most loyally and creditably for
over a period of 31 years.

3) He is the only Oriya backward
candidate for admission into the B.S. class
from the Govt. Arts College, Rajahmundry,
nay from the East Godavari District.

Hoping one excused for the trouble
given with best regards. I remain,
Dear respected Sir,

My son, K. Ramakrishnan, has passed Intermediate Examination (1949) of the Madras University in the First Class with 360 marks in the subjects group. He has applied for a seat in the B.E. class to the Principal, College of Engineering, Guindy and his application has been registered as No. 610.

I understand that special consideration is being shown this year in making the selections to sons of Senior Engineers of the Presidency. I am Chief Construction Engineer in Electricity Department and the senior-most in the Department being next only to the Chief Engineer which post also I held for 3 months during the absence of Mr. G. My dear Reddi,

My son S.R. Devasahayam has applied for admission into the Engineering College this year. He has passed the Intermediate Examination in the First Class and has obtained distinction in all the subjects in Part III. I expect him to be able to secure admission on his own merits, but should there be any difficulty, I request that some concession may be shown in view of the fact that I belong to the educationally backward Nadar Christian community. I feel reluctant to ask for any special consideration on account of the position I hold, as this, I think, is a matter entirely for the Government and you to consider.

My son A. PARTHASARATHY has applied for the Engineering Course. He has passed the Intermediate Examination from the Presidency College last year. Though his total marks are 448, he has obtained 84 in Mathematics, 81 in Physics and 94 in Chemistry. He knows Hindi and is an all round sportsman who has distinguished himself in the U.C.T.C. He is very keen in learning Mechanical Engineering and has also undergone the vocational course in Engineering run by Mr. G. D. Naidu of Coimbatore during the recent summer holidays.

We belong to 'Kamma' community of Coimbatore which was on the list of educationally backward communities though, I am not sure whether it continues to be so now. I am completing 30 years of loyal and meritorious services in the Police Department and have earned innumerable rewards. In appreciation of my loyal and distinguished services, the Government was also pleased to award the decorations of Indian Police Medal and King's Police

Dear Sir,

Needless to introduce myself to you for the kind consideration
I seek from you as Minister for Engineering Education and the
Government.

I have been a devoted political worker since 1918 and working
full time in the Trade Union Movement and allied spheres since 1929
living on my own slender resources. My recent prolonged illness
and costly treatment have practically wiped off my means. The fur-
ther education of my children has therefore to be seriously attended.

My son Krishna Vijayan, about 18 years old, has passed the
Intermediate examination of the Madras University in the examination
held in March 1948 from the Presidency College, his subjects being
Physics, Chemistry and Mathematics (Group A). He has passed 1st
class standing first in English for his college, with 195 marks.

The Surgeon-General and the D.P.I. have been asked to select a certain number of candidates each for admission to the Medical and the Engineering Colleges and submit them to the Government for final approval. The following persons have applied to the Colleges mentioned for admission. If they are not selected by the committees, their names may be sent to the S.G. and the D.P.I. for submission to the Government along with other names for final orders.

MEDICAL COLLEGE.

1. Sri J. Rajasekaran, son of Dr G. Joseph Gnanadickam, Trichinopoly.
2. ~~Sri~~ R.V. Mira Bai, B.Sc., Daughter of Sri R.V. Sarma, A.I.S.A., Palghat, Malabar Dt.
3. S. Sundaresan, son of Dr S. Subramaniam, M.B.B.S., M.L.A., Karaikudi, Ramnad Dt.

The D.P.I. has sent 7 nominations for the seats reserved to be filled up on grounds of special services of circumstances. He has ruled out 7 candidates on the ground that the marks secured by them compare unfavourably ^{more of} in comparison with the candidates who have been selected. Of these candidates the D.P.I. has ruled out T.K.V. Raghavan and S.M. Sundaram on the ground that no particulars are available with him. Government know that these two candidates have very strong claims and it is suggested that Raghavan may be substituted for V.M. Rao whose father is well placed and who can be educated abroad or elsewhere. With this change the list as proposed ^{in the margin*} by the D.P.I., which is as below, may be accepted.

In addition to the reserved seats there must be other seats to be filled up particularly from the vacancies in the reserved seats and in the 15 seats which have been added. It is proposed that the Committee may consider the following for those seats:

- (1) Krishna Vijayam
- (2) S.M. Sundaram
- (3) L. Lobo
- (4) V.M. Rao
- (5) Ravindranath Misra.

In respect of (1) and (2) the preference is justified on grounds of special services. In respect of (3), it would appear that the D.P.I. has not considered at all the application made by the candidate, a copy of which was sent to the Government. This candidate's father retired in 1938 as Deputy Collector after 33 years of service. His brother is a Lt. Col. under conditions of danger in Kashmir who was mentioned in the War Despatches for gallant and distinguished services. Obviously, he is a better candidate than the Christian candidate nominated by the D.P.I. as he has passed the B.Sc. in the second class with 74 marks in Mathematics. H.M. has agreed that his name also may be referred to the Committee. V.M. Rao may also be recommended as he is a nominee of the D.P.I. ^{ICB} and son of a retired officer. Ravindranath's case also depends on important services and the Committee may be

Office has been very careless. Though there are
two Sundarams with the same initials, it was quite clear
that the Sundaram, son of Sri Venkatacharya, was selected
for the vacancies reserved to be filled up at the discretion
of Government. It was stated that except for Raghavan,
the list as proposed by the D.P.I., which included the

I have phoned the D.P.I. and asked him not to

desirable to reserve some seats for admission to the Engineering

Mr. Nageswar Rao & Arunras M.L.A.s. told me that they met Sri Munikannappa regarding admission of Syed Bayazid in the Engineering College. It seems our district has not been given any muslim seat whereas there are 16 seats for the district. All of us would like to wait on you to impress upon you the necessity for giving one muslim seat. Sunkur has 25 thousand muslim population and at least one seat must be given.

The D.P.I. is informed that the Govt. have received several representations ^{to the effect} regarding the non-selection of a Muslim Candidate from the Guntur District for admission into the Govt. I have the honour to point out that there are other districts
in the Telugu area from which Muslim candidates have not been selected,
e.g., East Godavari, Nellore, Cuddappah and Kurnool and that the mark
of the best candidate from Guntur is only 244 as against 295 which is
the mark for the first Muslim in the reserve list. I may also point
out that the reserve list for Muslims contains 8 names and a candidate
from Kurnool with 254 marks occupies the last place. If one seat
has to be given to a candidate from Guntur, one seat will also have
to be given to Kurnool to the candidate who secures 10 marks more than
the Guntur candidate.

these rules should have been
made known to students through

Candidates aspiring to the B. E.
know on what subjects to concentrate.
The prevailing custom of selection was on
the basis of highest total + efficiency

However under the Regional

My son R. Vedagiri by name passed in First Class the Intermediate Examination of the Madras University held in March-April 1948 and secured the following marks:-

Part I - English	126 out of 300.
Part II - Second Language	98 out of 200.
Part III - Optionals:-	
(a) Mathematics	121 out of 150 (Distinction).
(b) Physics.	83
(c) Chemistry.	81

He applied for a seat in the B.E. degree course. As a few candidates belonging to my community, who had secured greater number of marks were selected, this candidate was not selected last year. He then joined the Presidency College and has finished the first year study of the B.A. (Honours) (Mathematics) degree course. He has again sent in his application to the Engineering College, Guindy, for admission to the B.E. degree course.

It will be seen from the marks given above that he has secured 62% in the Optional group and distinction in Mathematics i.e. 81%. The recent orders relating to Colleges lay emphasis only on the optional group. These orders also provide for seven seats being filled up by the Director of Public Instruction in consultation with the Government. In consideration of the candidate's proficiency in the Intermediate examination particularly in Mathematics and my loyal service of 24 years under Government, I request that he may be given one of the seats reserved for nomination.

Sir,
Sub: Engineering Colleges - admission - R. Vedagiri.
Ref: Government Memo.No.58060 A1/49-A.Edn., dated 1-8-49.

I have the honour to state that the petition of Sri V. Ramaswamy, Assistant Secretary to Government was received in this office with the Endorsement "may be considered on merits" and accordingly it was forwarded to the Principal, College of Engineering Guindy.

2. In regard to considering the case of the boy for inclusion in one of the seven discretionary seats, I may point out that the boy would not have been included by me as he has secured lesser marks than the last Brahmin candidate recommended in my letter R.C.No.675 K2/49 dated 26-7-49.

Sub: Re: selection of candidates for additional
seats sanctioned in G.O. No. 54932-A3/49-A. Education
dated 22-7-49 and ----- Memo Endt. No. 54932-A-4/49-A. Edn.,
dated 26th July, 1949.

The Committee considered on 3-8-1949 the method
by which the selection of candidates for the additional
vacancies should be made. It was found that it is not
practicable to treat these seats as capable of being
filled only on considerations of merit; for, the selections
so far made have resulted in different levels for the
various communities and regions. More over, the suggestion
of the Government in Memorandum (*) dated
renders the choice of the candidates more or less dependant
upon discretion. Therefore the committee has resolved to
select to these additional seats those persons whose names
are suggested by the Government. Accordingly a few selections
have been made on these lines. But there are still 4
vacancies and the committee will await the suggestion from
the Government to fill these vacancies.

It may be pointed out that a few of the additional
seats are allotted to some candidates whose claims in the
first lists were overlooked due to unavoidable slips and
want of information regarding the candidates. Nevertheless,
rest of the additional seats have been set apart for being
filled only after the receipt of suggestions from Government.

I request that the committee may be informed of
further suggestions early.

Yours faithfully,

D. Munikanniah

CONFIDENTIAL.

R.O.C.No.675 K2/49.

Office of the Director of Public Instruction,
Cathedral P.O., Madras, 6th August 1949.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education & Public Health Department,
Fort St.George, Madras.

Sir,

SUBJECT: Engineering Colleges - admissions -

REFERENCE: G.O.No.2432, Education, dated 27-7-49.

(n) 21-22
x 137-1/2

With reference to paragraph 2 of the above order, I enclose for the information of Government a copy of the report of the Chairman of the Selection Committee explaining the need for filling up of the additional seats including the five suggested by Government as discretionary ones. I may point out that the first seven and No.10 in the list on page 2 of the report are cases where the names were not considered by the Committee as they did not furnish full particulars. On the basis of their marks they would have secured admission but for this omission. These cannot now be filled in except at the discretion of Government on account of this technical irregularity. Serial numbers 8 and 9 have been recommended by the Selection Committee as at present no ratio has been prescribed for the selection of candidates from these communities.

(n) 17-18

2. The cases of the five candidates referred to on page 3 of the report are altogether different from those referred to in the previous paragraph. They cannot be considered for admission either on merit or on the basis of representation to communities. If merit alone is to be the criterion none of the candidates will be eligible for admission as those now in the reserve list secure better marks. On this basis none of the 3 Brahmin candidates will be eligible, as the last Brahmin candidate of the Tamil area in the reserve list gets 390 marks. It may also be noted that the first Brahmin candidate selected from the Tamil area gets 419 marks and last candidate gets 361 marks. Similarly, Mr.V.M.Rao will not be eligible for admission as the first Non-Brahmin in the reserve list gets 343, the 68th man in the reserve list gets 276 while Mr. V.M.Rao secures only 275. In the case of L.Lobo, the last Indian Christian candidate on the reserve list gets 325 marks. In this connection I should like to mention that the representation reported to have been made by him was not received by me. Even if it had been, I would not have recommended him as his marks are 269 as against 290 secured by Masilamani, son of Dr.Masilamani, Health Officer of the Madras Corporation. Attention is also invited to my letter R.C.No.675 K2/49 dated 26-7-49 wherein I have pointed out that the mark of the first candidate in the reserve list for Christians is 335.

(K) 5

3. If Government desire, therefore, to consider their cases they will have to correspondingly increase the number of discretionary seats from 8 which is the present number since the admission of N.J.Joseph ordered in Government Memo.No.3363 L.49/3, P.W.D., dated 29-6-49 has also to be taken into account.

In respect of Krishna Vijayam also, the political services of his father appear to Government to be relevant. In respect of S.M. Sundaram, if any particular services are known, they may be mentioned. In respect of the remaining two candidates, we need not press the Committee in view of the marks reported to have been obtained by them.

Also, Sri Krishna Vijayam is the son of Sri P.R. K. Sanna who is an old labour worker and as such he deserves Special Consideration.

Re Sri S. V. M. Rao, he is the son of Sri V. There are 4 vacancies from out of the seats reserved for India. Therefore as stated before all these candidates may be selected as special cases deserving consideration.

Re my minute in the matter of selection of certain applicants for admission to the Engineering College, in the file circulated to me, I have mentioned that 'Mr. Lobo may be selected as a special case, since there had been a representation that there was no Indian Christian from South Kanara. The DPI has since emphatically mentioned to me that another Indian Christian was Salohana from'.

Please see the notes and orders in circulation from page 2 ante. The Director's remarks on the petition of Sri V. Ramaswamy Asst. Secy, Edu and P.H. Dept about the admission of his son Vedagiri, since dead, has been added to the ef. The Director's point seems to be that none of the candidates mentioned at A on page 74 and the candidate Vedagiri can be admitted on merit and that if they have to be admitted the seats reserved to be filled by Govt will have to be correspondingly increased. In G.O. No: 2096 Edu & 29.6.49 it was decided that 7 seats in the Eng. colleges should be reserved to be filled by the D.P.S. at his discretion in consultation with Govt. This decision is based on a Cabinet decision. In G.O. No: 2432 Edu & 27.7.49 the seven seats have been filled.

Dear Sir,

Sub: Engineering College - Admissions -

As desired by you, orders are being issued
regarding the admission of the following candidates:-

- (1) Hariharan.
- (2) C.P. Thambiannan (Coimbatore).
- (3) G. Krishnamurthi Raja (East Godavari).
- (4) R.V. Subbiah (Guntur).

In this connection I should like to mention that Mr. Hariharan is a native of Travancore State and is, therefore, ineligible for admission. I presume that, as a special case, Government desire that he should be admitted. Of the remaining 3 candidates, Nos. (2) C.P. Thambiannan and (3) G. Krishnamurthi Raja are not even in the reserve list, their marks being 260 and 267 respectively as against 339 and 321 which are the marks of the next candidate in the community who has to be admitted. The fourth candidate R.V. Subbiah has got 276 marks and is 67th in the reserve list. The mark of the student next to be admitted from the reserve list is 321.

As it is the intention of Government that these 4 should be given special consideration, they may be treated as having been admitted under the discretionary powers of Government.
