I have to state that last year two candidates were appointed as Librarians and afterwards deputed for training in the Diploma Course in Library Science at the Delhi University as per G.O.Ms.No.1824, Edu., dated 22-7-1948. The two candidates have returned after successfully completing the course. They were intended to be absorbed in important libraries as soon as the Madras Public Libraries Act, 1948, came into force. Though the Libraries Act has been passed into law, yet the rules under it are still under the scrutiny of Government. It may take a little more time before they are finalised and published for the guidance of the Local Library Authorities which will start functioning before long. The above two posts of Librarians were sanctioned temporarily for a period of one year and the present sanction will expire on 22-7-1949. These persons trained at Government cost will be found indispensable to man the libraries in the Province that will be started almost as soon as the rules referred to above are brought into force. It is therefore necessary that these two persons are kept with Government until they are suitably employed by Government or by the Local Library Authorities.

(X) 2 d.7.

2. These two persons are at present being engaged in the following manner. One of them looks after the library of the Office of the Director of Public Instruction and is also assisting the Special Officer for Libraries. The other is now working in the library attached to the Presidency College. Even if it may take time slightly longer than what is anticipated, to start new libraries in the Province, any of which will absorb these two persons, yet there is need for these two hands for some other duties also. The Government are keen on keeping a collection of books to serve as a model for authors to write books for children. On a reference from Government, the Librarian, Connemara Public Library, has submitted, in his letter No.CL.2/49, dated 19-5-1949, detailed proposals for the opening of a Children's library within the premises of this office and orders of Government thereon are awaited. For this library, the services of one of these two persons can be utilised. The proposal made by the Librarian, Connemara Public Library, for the re-organization of his library has been deferred by Government in view of the coming into force of the Madras Public Libraries Act, 1948 - vide: G.O.Ms.No.1825, Edu., dated 3rd June 1949 - when it is expected that the Connemara Public Library will be recognised by Government as the Central Library. The Connemara Public Library is understaffed just at present and if it were to be recognised as the Central Library it will be necessary to increase its personnel. The other librarian can, with advantage, be absorbed in the Central Library.

3. In view of the reasons detailed above, I request that

F.C.No.2421-C.5/49 Dated 17th October 1949.

Sir,

SUB:-Sanction sought for the transfer of a temporary  
Librarian from my office to Government Arts  
College, Rajamahendravaram.  
REF:-G.O.No.Ms.2434, Education, dated 29-7-1949.

80592

With reference to the subject cited above, I have to state that the Government have been pleased to accord sanction in the Order quoted above to continue in service the two temporary Librarians who, for the time being, with the approval of Government, are working respectively, at the local Presidency College Library and at my office Library. The one at the Presidency College is working in the vacancy of the post of an Assistant Librarian of the College Library, due to which the said post of the Assistant Librarian is being kept in abeyance.

2. There is now an urgent request for a Librarian from the Principal, Government Arts College, Rajamahendravaram, as the person who is now holding the post under the emergency 9(a)(1) provision has proved himself quite unfit for the place and has therefore, to be replaced by another forthwith. I have presently decided to send the temporary Librarian, Sri K. Ranganatha Rao referred to above, working in my Office Library, to fill up the post at the Arts College in lieu of the person now occupying the said post in the Arts College, Rajamahendravaram, the post of Librarian of that College will be kept in abeyance, as the salary pay of the former is different from that of the latter.

3. In view of the circumstances mentioned above, as the transfer has to be effected forthwith, I am giving effect to the proposal, in anticipation of the sanction of Government.

I remain, Sir,  
Yours faithfully,

R. J. Anandhan
