of name.

Please see the D.P.S's letter on page 1 of
and the letter of the Principal of the college on
page 4 of. The question of the change of name
of the college was examined last year and
the previous Secretary suggested that the college
might be called the "Gout college for men".
It was ordered in circulation that the name
might continue as before. In view of the changed
constitution of the college and in view of the
gutter press literature which Pakistan is sending
to the college it seems that the name of the
college may be changed into the Gout College
for men, Madras. If the name is changed all this literature may go to the D.P.S. office.

I am in entire agreement with the proposal. This is logical. I think we have already abolished denominational schools. For schools as far

As Elementary Secondary Com is concerned.

But this will provide a host from League M.L.A's.

As we do not know the reaction of S.S. to this. So

I think we had better place it before the Cabinet.

If H.P. thinks, I shall informally call the leader of

the opposition & discuss this with him though I

do not think he will be reasonable on this point.

Sir,

61677 I understand from a report published in today's papers that the Government are abolishing the Government Muslim College as such from today. I hope that the report is not correct.

This institution has been serving as a great stimulus for the advancement of Muslims in the field of higher education and its abolition will work as a set-back to the progress of Muslim education. Instead of providing greater and more facilities for bringing up the

backward Muslims in the matter of education, it would be highly regrettable even if the existing facilities should be abrogated.

Moreover, the alleged abolition of the said Muslim College would be contrary to the arrangement arrived at by the Hon'ble the Education Minister more than a year ago to the effect that the present facilities for Muslim education would continue until otherwise decided if necessary after five years.

Under the circumstances, I earnestly request that the Government will be pleased to contradict the abovesaid report and to continue the said Muslim College as such.

Please see the minute of H.H. (E & L) on the previous page. The M.A. is referring to the decision in G.O. No. 266 Ed. 2.7.48 in regard to the opening and maintenance of separate schools for Muslims. Subsequent to this in G.O. No. 1253 Ed. 2.17.5.48 the Govt. ordered the transfer of the intermediate classes in the Presidency College to the Govt. Muslim College. In Memo No. 60587-13/49 of 28.5.48 the Govt. also directed that with effect from the academic year 1948-49 admissions to the intermediate classes in the Govt. Muslim College should be made from Muslims belonging to all communities as in other Govt. Arts colleges and that the rule reserving 75 p.c. of the seats to Muslims need not be followed; in respect of admissions to other classes in B.A. B.Sc. and Arts the existing reservation would continue. This position continues and all that has been done now is only that the name of the college has been changed. None of the existing facilities has been withdrawn or discontinued.
