Requests like this for sending some exhibits are received every year from the Commission. But this Office has not been usually sending any exhibits for these exhibitions organised in connection with the annual sessions of the Indian Historical Records Commission. They are however sent on special occasions. For instance, they were sent at the time of the Silver Jubilee Session of the Indian Historical Records Commission held last year at Delhi. As the transport of the exhibits is always attended with some risk of loss and damage and as we have sent some exhibits last year, I submit that it is unnecessary to send any exhibits this year for the forthcoming exhibition at Cuttack.

The ~~Curator~~ Curator, M.R.O. is only attending the meeting of the Research and Publication Committee of the Indian Historical Records Commission to be held at Cuttack, and for this purpose the necessity for a peon does not seem convincing especially in face of the present need for economy all round. If he requires ^{the services of} ~~any~~ ^{whichever} menial he could conveniently get it arranged with the help of local officers at much less cost than the hire of a peon all the way from Madras to Cuttack and back.

I have been permitted by the Government
to attend the next Session of the Indian Histori-
cal Records Commission to be held at Cuttack.
(Please see G.O. Ms. No. 2453 Education dated 1st
August 1949). The Session comes off on the 24th
and 25th of this month. I have already purchased
the Railway ticket to Cuttack. But in the mean-
while I find that the Governments are now urgently
considering the various questions connected with
the formation of the Andhra Province and are
calling for urgent reports. Yesterday, for ins-
tance, I received a communication from the
Services Sub Committee asking me to submit certain
proposals and to meet the Committee on the 17th
instant for discussion. It is quite likely that
other communications regarding the separation of
records etc., may be received calling for personal
attention and immediate replies. If therefore
I were to be away at Cuttack at this time, especial-
ly for a whole week, (from the 21st to the 27th),
the Committees may be put to serious inconvenience.
Kindly therefore let me know whether I may cancel
my journey to Cuttack. No resolution is going to
be moved by me at the Cuttack Session.
