Hoc. No. 2361/49-B dated 10-6-49.

Sir,
Sub: Stationery- Flate file cases supply of- requested
Ref: Rule 135 of the Madras Stationery manual.

Sanction may please be accorded for the supply of 3000 Flate File
Cases (2500 ordinary and 500 urgent pads) for distribution to the 24
District Sailors', Soldiers' & Airmen's boards. After the re-organisa-
tion of Soldiers' Boards in this Presidency, Tottenham system of
correspondence has been introduced in all the 24 District Sailors',
Soldiers' and Airmen's Boards and hence the necessity for these pads is
keenly felt. As these Flate Files have not been supplied to the
District Soldiers' Boards so far the Superintendent of Stationery may be
ordered to supply them also to the District Sailors', Soldiers' and
Airmen's Boards. After sanction is received, I shall report to the
Superintendent of Stationery the proposed distribution to the various
District Soldiers' Boards.

Yours faithfully,

H.S. Paul
Secretary

Enclosures:

Sir,

Stationery - Flat file cases - initial supply to
the Dt. Sailors' Soldiers' and Airmen's Boards -
sanction - requested -
Ref:- Govt. Emdt. No. 45272-49/1-Edn., dated 16-6-49

The Deputy Director has applied for sanction for the
supply of 3000 flat files at an average of 125 for each Dt. Sailors'
Soldiers' and Airmen's Board. As the Tottenham's system has been
newly introduced in these offices and as the strength in each office
is small, about 5 clerks at the most, this quantity seems to be in
excess of requirements. About 50 flat files for each of the 24 -
offices appear to be sufficient as initial supply.

Hence sanction may be accorded for the initial supply
of 1200 flat file cases II sort ordinary (240 urgent and 960 ordinary)
for the 24 offices of the Dt. Sailors' Soldiers' and Airmen's Boards.

The Deputy Director has applied for sanction for the supply of 3000 flat rifles at an average of £25 per gun. As the Tottenham's water has been nearly exhausted in these offices and as the strength in each office is now about 80 flat rifles at the most, this quantity seems to be in excess of requirements. About 80 flat rifles are initial supply. Hence sanction may be accorded for the initial supply of 1900 flat rifles at the Tottenham, Tottenham, and Aldermen's Board. The 24 offices of the Tottenham, Tottenham, and Aldermen's Board.
