Dated 3-8-49.

[Despatch Abstract.]

Colleges - Govt. Engg. Colleges Increase
in the number of seats - Papers rec.

Back Papers.

G.O.	No.	Department.	Date.	G.O.	No.	Department.	Date.

Further Papers.

G.O.	No.	Department.	Date.	G.O.	No.	Department.	Date.

It has been ascertained from the Principals concerned that this increase is possible without affecting the efficiency of teaching.

It has been suggested that to meet the great demand for seats and also to meet foots' demand for larger number of Expresses the strength of the Colleges may be increased, ^{this year by} 10 in the case of Pring and 5 in the case of beimbatore and braitalur 5 in the case of Kakiniada. I am to request that the Govt will be so good as to permit the admission of the extra number this year as a special case.

Sir Engg Colleges - Admission

It has been brought to the notice of foot. that there is a very large number of candidates of different communities who have obtained very high marks in subjects who may not be able to secure admission for want of seats.

The sanctioned strength of the Engg Colleges Pring, beimbatore and braitalur Kakiniada

are 125, 75 and 65 respectively is 100

FROM

THE REGISTRAR,

University of Madras.

TO

The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir,

Engineering Colleges - Admissions.

Ref: Your letter No. 54932-A-1/49-A dated 18-7-49.

The sanctioned strength in the three Colleges is

Guindy College ..	125
Arthur Hope College.	75
Anantapur College...	75 & not 65 as stated in your letter.

So far as Guindy is concerned, in view of the fact that it is already having 75 more than can be profitably admitted there, for the last few years, it is wholly impossible to think of any increase in that number.

It would have been possible to increase the numbers to be admitted at Anantapur, if equipment had been complete and the residential facilities for the students are adequate. The report received from the Principal in November 1948 indicates that several items of equipment were expected only in 1949 and that the science classes were being still conducted in the laboratories of the Government Arts College, Anantapur. No subsequent report has been received. The most difficult part, however, is with regard to the accommodation of students, as the Engineering College building is far away from the town. The total hostel accommodation for students was stated to be 168. This will leave several other students when all the four classes are working, without hostel accommodation. It was also stated by the Principal that some members of the staff have been allotted rooms normally intended for students for want of

Encl. No. 54932 A-2/49 A Ed. d. 18.7.49.

Comm to the D.P.O. He is to visit the Principal, Ling College, regarding the proposed limit to admit 25 extra students for the extra seats in the seats may be allowed accordingly to the marks without prejudice to the regular quota, subject to the regular quotas.

adequate staff quarters. Under these circumstances, normal increase of the sanctioned strength can be considered only for the year 1950-51. Meanwhile there would be an inspection of all the Engineering Colleges by a General Inspection Commission. If, however, there are really deserving cases, the University is prepared to permit ten more students to be admitted to the Engineering College at Anantapur. At the same time, the importance of completing the equipment at Anantapur and the taking of steps for constructing the permanent buildings is once more stressed.

Yours faithfully,

R. R. R. R. R.

The Chairman, Selection
Committee for admission to
The Engineering Colleges has
mentioned to me that there
is a very large number of
Candidates of different
Communities who have
obtained very high
marks in subjects who
may not still be selected
for want of seats and
he has therefore suggested
that the strength of the
Colleges may be temporarily
increased this year by 10
in Guindy and by 5 in each

Edin and P.H. Dept

Please see the minute of H. M. (P.W.) on pages 1-2 ante. The sanctioned strength of the 4 Eng. colleges are as follows:-

Eng. College, Guindy	125
A. & T. College of Technology, Coimbatore	75
Eng. College, Anantapur	65
Eng. College, Kakinada	100

H. M. desires that the strength should be increased by 10 in the case of the Guindy college and by 5 each in the case of the other 3 colleges.

The approval of the universities - the Madras University in respect of the first three and the Andhra University in respect of the last has to be obtained first.

It may be pointed out in this connection that the first year students of the Coimbatore college are to be admitted to the Guindy college this year and that the Madras University has agreed to this only unwillingly and subject to various conditions. It is not likely that the Madras University will agree to an increase of 15 seats (10 for Guindy + 5 for Coimbatore) in Guindy. Anyhow the universities may be addressed and the D.P.S may be asked to select candidates provisionally for the extra 25 seats. A draft letter is typed.

12/ of the other colleges and that such seats may be allotted according to marks without prejudice to the regional quota. This may be done. Immediate orders may be issued. And it is presumed that Principals will have no objection. The D.P.I is not available for consultation. But this has to be urgently done. I have consulted H.P. & she has agreed to the temporary increase of strength, subject to the approval of University, if necessary. M.B 18.7.49

6. No. 55838-A From the Regr. University of Madison pp 3-6 of
No. 3954 & 19.7.49.

Please see the letter of the Regr. Madras University, on pp 3-4 cf. The University ~~has~~ not agreed to any increase of seats in respect of the quindry and the bombalain colleges but agrees to an increase of 10 seats in the Eng. college, Anantapur. In the circumstances stated there is no alternative except to accept the modified proposal. A copy of the Regr's letter may be commd to the D. P. S. and he may be informed that 85 students may be selected this year against Anantapur college instead of 75. A draft memo is subd. As H. M. (Pw) is on tour the Honble Premier may see L. Gordon in respect of the Kakinada college will be issued after the Andhra minto reply is recd).
