Ref: G.O.No.Ms.2997 Edn dated 28-11-1948.

In the G.O. cited above, Government approved the proposal
of the Director to abolish the two Manual Training Centres at
Madras and Ootacamund intended for European and Anglo-Indian
Schools with effect from 1-1-1949. The centre at Madras was
catering to the needs of the following schools.

1. St. Antony's European and Anglo-Indian School,
Pudupet.
2. Civil Orphan Asylums, Kilpauk
3. St. Patrick's High School, Adyar.
4. Christ Church School, Mount Road.
5. Bishop Corrie School, G.T., Madras.
6. St. Mary's School, G.T., Madras.
7. Doveton Corrie Boys' High School, Vepery.

The Instructor in Madras was visiting schools Nos.2 and 3 and
pupils of the rest of the schools were attending the centre
classes at Egmore. The number of boys who were receiving
instruction in the Egmore centre was 250. The centre at Oota-
camund was catering to the needs of the two schools below:-

1. Brecks Memorial School, Ootacamund.
2. St. George's Homes, Ketti

By the abolition of the two centres the students in these
schools go without instruction in the craft, a benefit which
they have enjoyed for years.

2. The Correspondent of the Doveton Corrie Boys' High
School, Vepery agrees to run the centre himself and given
facilities for all the Madras Schools to attend the classes
if the equipment now in the Madras Centre is lent to him. The
only charge he will make will be a fee which would cover the
cost of material and teacher and this will not be considerable

3. In this connection I may state that correspondent of the
Brecks Memorial School, Ootacamund is being addressed to state
whether he would be willing to make some arrangements for the
Ketti School also if the equipment at the Ooty centre is lent
to his school at his request. A further report will be sub-
mitted as soon as his reply is received.

4. Copies of the letter dated 10-12-1948 from the
Correspondent of the Doveton-corrie Boys High School, Vepery
and the letter dated 23-12-1948 from the Correspondent, Brecks
Memorial School, Ootacamund are submitted herewith. I recommend

that

that the request for the transfer of the equipment may be considered favourably and early orders passed.

Yours faithfully,

Copy of letter from the Correspondent, Deveton-Cirrie, Boys High School, Vepery, Madras dated 10th December 1948 to the Director of Public Instruction.

I request that the equipment in the Egmore Manual Training Centre be handed over to us. We are prepared to continue to offer Manual Training in our schools as part of the Technical Education Scheme we have in hand.

Possibly you may see your way to handing over the equipment to us in the form of a grant in KIND (Of a cash equivalent). It would be a great pity if Anglo-Indian Schools were deprived of this provision for manual training and as Government evidently have good reasons for closing down the Egmore Centre, the Deveton Corrie Advisory Committee (which I represent, being the President) is willing to undertake to provide a centre for Manual training.

Your early reply, Sir, will be of great help in enabling us to plan for 1949.
