The Government understand that some of the particulars in the nativity certificates and statements of marks and other documents produced by candidates for admission to medical colleges may not be correct and that there is a risk of candidates gaining admission as a result of the misrepresentation. The Government have therefore decided that their list of candidates selected for admission in 1949 should be published only provisionally and that the candidates on admission should be required to sign a written declaration in the following form:-

Declaration form

"I hereby solemnly and sincerely affirm that the statements made and information furnished in my application form as also in all the enclosures thereto submitted by me are true. Should it however be found that any information furnished therein is untrue in material particulars, I realise that I am liable to criminal prosecution and I also agree to forego my seat in the college.

Applicant".

2. The Principals of the Medical Colleges should at the time of the actual admission of students obtain the above declaration and in the meantime take steps to verify quickly the correctness of the nativity certificates and also the authenticity of the marks produced. The Principals should take full responsibility in this matter and they should keep the originals of all applications and the declarations in safe custody, for the purpose mentioned and in order to facilitate any enquiry which might become necessary as a result of inaccuracies being brought to light.

3. In respect of vacancies arising by failure of selected candidates to join the college, the Principal, Madras Medical College, should select fresh candidates in accordance with the rules, in consultation with the non-official members of the committee, if they are readily available for such consultation, and allot the candidates to the respective colleges.

4. The Committee for the selection of candidates is requested to make suggestions, in the light of experience gained by it, in regard to the simplification of the procedure for selection and also the steps to be taken to avoid misrepresentations, frauds and such other matters as the committee may consider desirable. The Principal, Madras Medical College is requested to place this matter for a meeting of the committee and submit a report in due course.

T.M.S.Mani,
Joint Secretary to Government.

Dear Mr. Baktavathsalam,

I write this to trouble you in view of the importance and urgency of the matter. It is this:

In the scrutiny of the nativity certificates furnished by applicants for admission into the medical colleges, Madras, our committee found that there were excellent reasons to question the bona fides of such certificates. Suspicions arose in our mind as to the accuracy of such certificates. We also found that in filling up application forms, the wording was such in some cases as to suggest suppressio veri and suggestio falsi. The committee was unable to go into the question details de novo. Eventually, after selecting the candidates, the committee was of opinion that it is essential that the candidates should be called upon to sign a declaration form as given hereunder:

DECLARATION FORM.

"I hereby solemnly and sincerely affirm that the statements made and information furnished in my application form as also in the enclosures thereto, are true. Should however it be found that any information furnished therein proved to be untrue in material particulars, I hereby agree not only to forego my seat in my college but also agree to pay a sum of Rs.500/- to Government to compensate for all the inconvenience caused and expense incurred by Government.

APPLICANT"

p.t.o.

I hasten to communicate this to you so that in your Engineering College also a similar procedure may be followed declaring that the list published should be treated as a provisional one, subject to the Principals of Colleges satisfying themselves as to the accuracy of the details furnished.

Sorry to trouble you. I have done so, as you can see, in larger interests.

Sincerely yours,

Hon. Sri M. Baktavathsalam,
Minister for Public Works,
"Kintyre", Adyar,
