Ref:- G.O.No.1163 Edn., dated 18-4-49.

The Officers' Training (Junior Division) at Madras Regimental Centre, Wellington ceases by 25-7-49. The trainees represented that they might be granted joining time so as to enable them to return to their homes before resuming their posts and the request was recommended by the Officer Commanding, Madras Regimental Centre, Wellington-vide copies of the petition and endorsement of the Officer Commanding, M.R.C. Wellington thereon endorsed. In the circumstances stated, I have allowed the trainees to take a week's joining time inclusive of the journey. I request that my action in having allowed joining time to the trainees may kindly be approved and the period may be treated as duty.

Yours faithfully,

Sub:- Petition-N.C.C. (Junior Div) Cadets.

In forwarding herewith the attached joint petition from N.C.C.Cadets I would request you that your comments on this matter be communicated to this office before 22 July 49.

In this connection I would say, they really had a hard and strenuous period of Military life unlike the job of schoolmasters.

Sir,

Sub:- Request for joining time after military training.

We wish to bring to your notice and for favourable orders
the following:-

The Cadets were asked to proceed to the training centre from
home during holidays with very short notice, necessitating their
leaving back their families in their native places. Hence after
the period of their training they have naturally to proceed to
their homes to get them back.

Secondly the need for some rest after two months of strenuous
training cannot be overstated especially in view of their camp life
and hard work. In this connection we may add that we were deprived
of our summer holidays-about a month's duration in some cases and
more than a fortnight in many cases.

-2-

We therefore request you to be so good as to permit us to avail of joining time-as in the case of transfers. This alone will help us to get over the difficulty of having to apply for leave as soon as we rejoin duty.

We pray that favourable orders be passed early and communicated to us before the breaking up of the camp on 25-7-49.
