R.C. No. 782-K3/48 dated 26 July 1949.

Sir,

SUB: Presidency High School for Girls, Egmore - Class I -
Opening of an additional section with Telugu as --
medium of instruction - Sanction requested.

The Inspectress, III Circle, Madras has requested sanction for the opening during the current school year of an additional section in class I with Telugu as medium of instruction in the Presidency High School for Girls, Egmore as a -- strength of over 20 pupils is expected for the additional section. The public of the place have also made a representation for the introduction of Telugu as medium of instruction from Class I. At present an additional section with Telugu as medium of instruction exists in each of the forms I to III. I consider it desirable to start the Telugu section in the lower classes. Since it is reported that a strength of over 20 -- pupils is expected for the section and accommodation is available for this section, I request that sanction may kindly be -- accorded for the opening during the current school-year of an additional section in Class I with Telugu as medium of instruction.

2. Sanction was accorded in G.O.No.1858 Education dated 6 June 1949 for the continuance during the current school-year of the post of a Secondary grade teacher sanctioned for additional section in Class III. With a view to secure accommodation for the additional sections with Telugu and Malayalam as medium of instruction, I instructed the Inspectress to close the additional section in class III and keep in abeyance the post of the Secondary Grade teacher sanctioned therefor - I recommend that sanction may be accorded for utilising this post for the proposed Telugu section in class I.

3. With a view to avoid delay I am instructing the Inspectress in anticipation of sanction of Government to open the additional class with the provision of the Secondary Grade teacher referred to above, and request that my action may kindly be approved.

Yours faithfully,

Subhanna

for DIRECTOR OF PUBLIC INSTRUCTION.
