Office of the
Director of Public Instruction
Madras, dated, 1st July 1949.

From
The Director of Public Instruction
Madras.

To
The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- Elementary Education -- Aided Schools -- in
Pudukkottai -- Relaxation of the Departmental
Tests.

51225

Consequent on the merger of Pudukkottai Territory, it has been reported that the existing aided elementary schools in the State Territory find it difficult to satisfy all the requirements prescribed for elementary schools in this Province. At least for some transitional period some concessions are requested by the managements of such schools as shown below.

1. Time limit for 3 years to satisfy the minimum attendance of 20 fixed for aided elementary schools in this Province.
2. Enrolment of the required percentage of school age girls-one of the tests of efficiency prescribed by the Department.

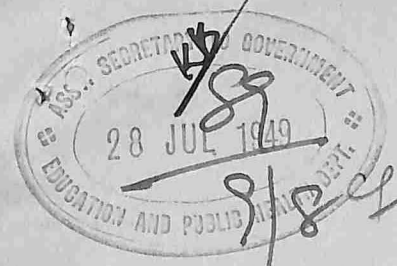

As regards item 1, I recommend that a time limit of 2 years from 1-1-48 may be allowed to the schools and they may be informed that no further extension of time will be allowed and that they should come up to the required standard by 1-1-50. The test referred to in item 2 has since been removed for all schools in this Province consequent on the amalgamation of schools for boys and girls. Hence the schools in Pudukkottai may be exempted from satisfying this test for the period from 1-1-48 to 31-12-48, only.

Yours faithfully

J. O. Paul...
